HB 1500

Budget Conference Highlights

February 27, 2011
House Budget Development Objectives

- The House budget was developed with the following goals in mind:
  - Use one-time savings only to fund non-recurring costs or to unwind structural deficits,
  - Set aside more funding for the Rainy Day Fund,
  - Minimize state debt,
  - Scrutinize any new spending,
  - Address the funding of the VRS, while keeping our promise to state employees, and
  - Reduce the burden on Virginia’s businesses
Conference Budget – Major Highlights

- While the House budget focused on addressing the structural deficit by dedicating resources to one-time actions, the Senate goals were to provide additional funding for on-going programs.

- As a compromise, the House received a value equivalent to half of its major one-time items. House structural improvements were funded in the conference report as follows:
  - Dedicates $45.7 million to eliminate AST for 80% of dealers subject to it in FY 2010
    - Threshold set at $5.4 million or greater annual sales
    - Leaves only 1,736 large retailers subject to AST
  - Maintains the House position of making an additional $64 million deposit into the Rainy Day Fund Reserve
    - Provides a total of $114 million
    - Ensures that 50% of amounts due in FY 2012-2014 biennium are set aside
  - Provides $32.7 million from the FY 2010 GF surplus to help capitalize the transportation infrastructure bank
    - This amount is required under provisions of HB 3202 (2007 Session)
Other key elements of the conference report include:

- A net increase of $100.7 million GF for higher education and affiliated agencies
  - Includes new seats at high-demand institutions, House STEM initiative, additional research, and funding for O and M and enrollment growth to moderate tuition increases
- No capital outlay funding or new debt for the seat of government
- Includes $76.7 million to address Behavioral Health and Developmental Services of which $30.0 million is included in the Behavioral Health and Developmental Services Trust Fund
- Also includes $64.5 million to restore Medicaid health care provider payment reductions
- Rejection of all new fees and the elimination of the $5.7 million of fees as proposed in the House budget
Other key elements of the conference report include:

- Provides a net increase of $74.9 million for public education relative to HB 1500
  - Largest component is a one-time supplemental payment to all school divisions for the state’s share of a $129.62 per pupil amount (PPA) that totals $87.7 million in FY 2012
  - Also includes $16.6 million to make whole the remaining 38 school divisions that would have received Hold Harmless in Chapter 874

- Package results in a total increase in payments to VRS for the state employee plans of $77 million in FY 2012
  - Provides a 1.71% in increase in the employer VRS rates in the 4th quarter of FY 2012
  - Reinstates the 5% employee retirement contribution with a 5% salary offset
  - Includes $41.7 million GF to eliminate the deferral of the FY 2012 4th quarter VRS payments
Conference Budget – Major Highlights

- Other key elements of the conference report include:
  - Provides a total of $22.6 million for Sheriffs, $3.0 million for state police for overtime and $12.4 million for HB 599
  - Includes $2.0 million for state parks and natural area preserves and $2.0 million for agriculture and forestry
  - Provides $38.2 million for the “Opportunity at Work” economic development initiative
    - Includes $10.0 million for provisions of HB 2324
    - $5.7 million of fee reductions
    - $10.3 million to support tax credits adopted by the 2011 General Assembly

One-Time $129.62 PPA Supplement and VRS Rate Increase

- Conference Report includes a one-time supplemental payment to all school divisions for the state’s share of a $129.62 per pupil amount (PPA) that totals $87.7 million in FY 2012
  - The intent of this payment is to be one-time in nature and shall be taken out of the base expenditure totals for the purposes of calculating the cost of the FY 2012-2014 biennial budget and for future rebenchmarking considerations
  - Reprograms $55.0 million from the Hold Harmless payments and $5.9 million from textbooks in the adopted budget for this allocation

- The Conference Report also includes $16.6 million to make whole the remaining 38 school divisions that would have received Hold Harmless in Chapter 874

- The Conference Report increases the employer rate in the adopted budget from 5.16% to 6.33% for a cost of $31.0 million in FY 2012
The conference report uses available lottery revenues to supplant general fund revenues that had been budgeted to fund $19.8 million of the Composite Index ‘hold harmless’ in FY 2011 and $13.2 million of textbooks in FY 2012:

- The budget reflects technical adjustment for lower student participation rates for those programs funded with Lottery proceeds which resulted in the ‘freed up’ lottery money.

- Increases the estimated Lottery Proceeds revenue by $675,000 in FY 2012 for a revised total of $435.9 million.

- New language directs the Department of Education to pro-rate textbook funding in the event of a Lottery Proceeds revenue shortfall.

- The Pre-K account reflects an increase in the assumed non-participation rate from 21.70% to 25.37% based on final enrollment figures submitted from localities.
Language Amendments

- Adds new language to clarify the funding methodology for full-time Virtual School programs:
  - First: permits the Carroll County school division to receive FY 2011 funding for 350 out-of-division students based on its composite index and to receive funding for any additional out-of-division students based on the composite index of the division where the student lives.
  - Second: beginning with FY 2012, a school division will receive state funding for out-of-division students based on the composite index and amount budgeted in the division where the student lives.
- Allows school divisions to carry over any unspent state funds from FY 2012 into FY 2013.
- Allows the Department of Education to keep any revenues generated from the sale of educational resources they develop.
- Increases the percentage what a school division would pay for a school efficiency review from 25% to 37%.
Other K-12 Changes

- Reduces funding for Public Broadcasting by $401,692, representing a 10% reduction in FY 2012
- Provides $66,265 funding to increase the Governor’s School enrollment cap by 50 slots for a revised total of 1,650 students in FY 2012
- Transfers $120,163 for the Radio Reading program, Virginia Voice, to Department for the Blind and Vision Impaired in FY 2012
- Reduces Project Discovery funding by 10% for a savings of $68,850 in FY 2012
- Captures $1.2 million in saving in FY 2011 from fewer students attending State Operated Programs
Other Actions

- The budget adds $3.4 million GF in FY 2011 to replace the federal ARRA Funds that were shifted to Higher Education due to required technical revisions that impacted the split calculation
  - ARRA funding is reduced from $126.4 million to $122.9 million

- Recommends $3.0 million in funding to establish a new pilot ‘Pay for Performance’ initiative in ‘Hard-to-Staff’ schools
  - DOE will develop guidelines and award funds on a competitive grant basis to divisions that apply by June 15, 2011
  - Remaining portion of the FY 2012 Composite Index ‘hold harmless’ supplement is reprogrammed to this initiative

- Finally, under the Secretary of Education, proposed recommendation includes $600,000 GF in FY 2012 for higher education institutions to plan for the development and support of ‘College Partnership Laboratory Schools’
Compensation & Retirement
Employer Contribution to the VRS

- Includes $41.7 million GF in funding to eliminate the deferral of the FY 2012 4\textsuperscript{th} quarter VRS payments
  - Chapter 874 defers these payments till FY 2013
- Provides a 1.71\% in increase in the employer VRS rates in the 4\textsuperscript{th} quarter of FY 2012
- Package results in a total increase in payments to VRS for the state employee plans of $77 million in FY 2012
Reinstate 5% Employee Contribution

- Requires state employees hired prior to July 1, 2010 (Plan 1), to begin paying the 5% employee VRS contribution effective June 25, 2011
- Provides a 5% salary offset also effective June 25, 2011
- Net impact of the combined actions is $15.1 million GF
Line of Duty

- Includes $400,000 GF in additional funding for the Line of Duty program
  - Results in total state GF support for the program in FY 2012 of $3.4 million
- Amends language extending the deadline for localities to opt out of the state program from July 1, 2011 to July 1, 2012
  - Localities would have to contribute into the program until such times as they opt out
Other Compensation & Benefit Actions

- Restores $7.1 million in GF in FY 2012, for employer contributions to the optional retirement plan (ORP) for higher education faculty
  - Rejects recommendation to decrease the contribution rate for Plan 1 employees from 10.4% to 8.5%
- Provides $410,000 GF in additional funding in FY 2012 for the state employee health insurance program to fund the impact of HB 2467
  - Legislation mandates that insurance plans include coverage for the diagnosis and treatment of autism spectrum disorder for children ages two through six
Strikes Language From Introduced Budget

- Strikes language in the introduced budget which authorized a 2 percent bonus for state employees next December contingent on FY 2011 year end balances

- Strikes language included in the introduced budget regarding the 5% employee contribution for teachers and local employees
  - Maintains the status quo
  - Election is irrevocable for Plan 1 employees
  - Localities and school boards retain the option to change the portion of the 5% contribution paid by their plan 2 employees (consistent with the provisions of HB 1189 of the 2010 session)
General Government
Significant General Government Actions

- Restores all of the $5.0 million in the State Bar cash balances that had been proposed to be transferred to the general fund
- Includes language clarifying policies related to the payments of commissions to circuit court clerks
- Authorizes the filling of 21 vacant judgeships
  - Reduces savings assumption by approximately $3.0 million in FY 2012
