Similar amendments within the State Compensation Board, the Judicial Reversion Clearing Account, and the Department of Education reflect additional savings as a result of the deferral of salary actions tied to the FY 2016 revenues.
- *Provide Funding for a Raise for State Employees and State-Supported Local Employees.* Provides \$80.3 million GF the second year for a 3 percent salary

increase for state employees, the funding for which totals \$64.7 million, and a 2 percent salary increase for state-supported local employees, the funding for which totals \$15.6 million. The 3 percent salary increase is effective July 10, 2017, and will be reflected in employees' August 1, 2017, pay. The state-supported local employees' raise is effective August 1, 2017. HB 1500, as Introduced, included funding of \$56.0 million GF the second year for a one-time, 1.5 percent bonus for state employees, effective December 1, 2017. The funding for this initiative was redirected to partially offset the cost of the 3 percent raise for state employees, and a 2 percent raise for state-supported local employees, effective July 10, 2017.

Of the total funding amount, \$17.0 million is for the 2 percent raise, and \$1.4 million is for the additional 1 percent raise.
- ***Provide Funding for a State Police Salary Initiative.*** Provides \$14.3 million GF the second year for a salary initiative for the Department of State Police to increase the salary of each sworn officer by \$6,793. This action will raise the starting pay of troopers from \$36,207 to \$43,000, and provide \$6,793 to be distributed to all sworn officers to address salary compression. The effective date of the initiative is July 10, 2017, and will be reflected in employees' August 1, 2017, pay. Language specifies that the increase shall be effectuated prior to any other authorized percentage salary increase.
- ***Additional Salary Increase for Certain High-Turnover Positions.*** Adds \$2.5 million GF the second year to provide an additional 2 percent base salary adjustment for nine high-turnover occupations for the purposes of relieving salary compression and maintaining market relevance. The salary adjustment is effective September 10, 2017, and will be reflected in applicable employees' October 1, 2017, pay. The occupations that will receive the additional salary adjustment are as follows: Direct Service Associate I, Direct Service Associate II, Direct Service Associate III, Housekeeping and/or Apparel Worker I, Registered Nurse I, Registered Nurse II/Nurse Practitioner I/Physician's Assistant, Licensed Practical Nurse, Therapy Assistant/Therapist I, Therapist II.
