# Resources

The adopted amendments to the 2020-22 budget, Chapter 56 of the 2020 Acts of Assembly, Special Session I (HB 5005), include adjustments to the forecast that reduce anticipated general fund resources by \$2.5 billion below those assumed in Chapter 1289 of the 2020 Acts of Assembly (HB 30). The reduction in general fund resources reflects significant downward adjustments to the general fund revenue forecast in both years of the biennium as a result of the global COVID-19 pandemic. The revised forecast reduces anticipated general fund revenues by \$1.3 billion in FY 2021 and \$1.4 billion in FY 2022, for a total of \$2.7 billion over the biennium. This reduction is partially offset by positive net balance adjustments totaling \$314.6 million.

The unappropriated balance available for carry-forward into the next biennium totals \$302.2 million. This includes the \$621.3 million unappropriated balance contained in Chapter 1289 of the 2020 Acts of Assembly (HB 30), the change in general fund resources outlined above and net spending reductions contained in the enacted budget which total \$2.1 billion.

## Changes in Revenue

Downward adjustments to the general fund revenue forecast were adopted in response to lower FY 2020 revenue collections and worsening economic conditions related to the COVID-19

pandemic. Prior to the start of the pandemic, fiscal year-to-date revenue collections were up 6.6 percent through March and tracking well ahead of the forecast. However, revenues fell 6.8 percent year-over-year in the fourth quarter of FY 2020 (April, May and June) as actions taken to protect public health and control the spread of the virus resulted in a severe contraction in economic activity and a shortfall in revenues at year end. The shortfall in the year end was exacerbated by the extension of the federal tax filing deadline from April 15th to July 15th which was part of the actions taken to control the spread of the virus. While the state income tax filing deadline was extended from May 1st to June 1st, many taxpayers elected to wait and file in July when their federal taxes were due.

Fiscal year 2020 general fund revenue collections fell short of the forecast by \$234.2 million (excluding transfers). The FY 2020 general fund revenue shortfall met the criteria established in § 2.2-1503.3, *Code of Virginia*, requiring the Governor to prepare a reestimate of general fund revenues. In July and August, the Governor convened meetings of the Joint Advisory Board of Economists (JABE) and the Governor’s Advisory Council on Revenue Estimates (GACRE). The resulting interim economic outlook incorporated significantly slower growth than what was assumed in Chapter 1289 of the 2020 Acts of Assembly (HB 30).

In the revised forecast presented in August and incorporated in Chapter 56 of the 2020 Acts of Assembly, Special Session I (HB 5005), total general fund revenues were lowered by \$1.3 billion in fiscal year 2021 and \$1.4 billion in fiscal year 2022. The decrease comes mainly from downward revisions to individual income and sales and use taxes. Revenues are assumed to fall by 1.8 percent in fiscal year 2021 and increase 3.9 percent in fiscal year 2022.

<b>Change in GF Revenues by Source Compared to Chapter 1289 (\$ in millions)</b>				
<b><u>Major Tax Sources</u></b>	<b><u>Estimated FY 2021</u></b>	<b><u>Annual Growth</u></b>	<b><u>Estimated FY 2022</u></b>	<b><u>Annual Growth</u></b>

<b>Total GF Revenues</b>	<b>(\$1,334.7)</b>	<b>(1.8%)</b>	<b>(\$1,352.8)</b>	<b>3.9%</b>

## **Changes in Transfers**

Net transfer adjustments in Chapter 56 of the 2020 Acts of Assembly, Special Session I (HB 5005), decrease total general fund transfers by \$99.1 million. The largest adjustment is a reduction of \$119.0 million in the estimated sales tax transfer for K-12 education resulting from the August reforecast which significantly reduced anticipated sales and use tax collections. Also included are positive adjustments of \$18.4 million in additional ABC profits, \$1.2 million from the Aerospace Manufacturer Workforce Training Grant Fund, which includes uncommitted funds for economic development incentive payments, and \$275,000 from Virginia Alcohol Safety Action Program balances.

## **Changes in Net Balance**

The unrestricted cash balance reported by the State Comptroller represents the cash after accounting for liabilities and setting aside balances for restricted funds. The balance reported by the State Comptroller as of June 30, 2020, was \$2.9 billion and includes balances in the Revenue Reserve Fund; unexpended mandatory and discretionary general fund operating appropriations; unexpended general fund capital appropriations; and other funds on deposit in the Treasury that are counted as general fund cash according to the Government Accounting Standards Board (GASB).

Mandatory restrictions total \$650.5 million. The majority relates to the Revenue Stabilization Fund balance and fiscal year 2021 deposit, totaling \$558.4 million and \$77.4 million, respectively. It also includes balances in the Lottery Proceeds Fund of \$12.9 million and \$1.8 million of Water Supply Assistance Grant Funds. After adjusting the balance for these liabilities, and for payments awaiting disbursement, the unrestricted general fund cash balance totaled \$2.9 billion, approximately \$1.7 billion more than assumed in Chapter 1289 of the 2020 Acts of Assembly (HB 30).

Adjustments to the unrestricted balances are committed under statutory requirements. Commitments include the balance in the Revenue Reserve Fund of \$513.2 million, discretionary reappropriations totaling \$307.6 million, mandatory reappropriations totaling \$298.0 million, and various other encumbered fund balances and adjustments which are summarized below.

\* See Appendix D for full list of budget items that were previously unallotted in Chapter 1289 of the 2020 Acts of Assembly (HB 30), but were restored in Chapter 56 of the 2020 Acts of Assembly, Special Session I (HB 5005).

## Judicial

- **Virginia State Bar**
  - *Provide Funding for Additional Housing Attorneys.* Includes \$2.0 million NGF in grant funds each year for the Virginia State Bar to contract with the Legal Services Corporation of Virginia for additional civil indigent defense attorneys to handle housing and eviction related cases. The funding reflects the appropriation of \$2.0 million NGF COVID-19 Relief Funds generated from “gray machine” revenues used as the state match for a \$2.0 million NGF IKEA grant received for legal aid attorneys.

## Executive

- **Executive Offices**
  - *Office of the Chief Diversity Officer.* Increases first year funding by \$300,000 GF for the Office of the Chief Diversity Officer, bringing total support for the Office to \$1.5 million GF over the biennium.
- **Attorney General and Department of Law**
  - *Costs Related to Criminal Justice Reform Package.* Adds \$184,008 GF the first year and \$847,440 GF the second year to the Office of the Attorney General to implement the provisions of Chapters 27 and 37 (HB 5051/SB 5030), Chapters 50 and 52 (HB 5148/SB 5034), and Chapters 18 and 19 (HB 5072/SB 5024) of the 2020 Acts of Assembly, Special Session I.

## Administration

- **Compensation Board**
  - *Per Diem Savings for State Responsible Offenders.* Reduces by almost \$2.6 million GF the second year the appropriation for per diems to reflect anticipated savings associated with the earned sentence credit provisions of Chapters 50 and 52 of the 2020 Acts of Assembly, Special Session I (HB 5148/SB 5034).
- **Department of Elections**
  - *2020 General Election Voter Safety Action.* Establishes policies for the 2020 General Election to ensure voter safety during the COVID-19 pandemic, including ballot drop off locations, a cure process for the signature requirements on absentee ballots, and pre-paid return postage on all absentee ballots. The funding for this item was handled as a separate appropriation bill during 2020 Special Session I (Chapter 1 of the 2020 Acts of Assembly, Special Session I (SB 5120)).
- **Department of General Services**
  - *Removal and Storage of Robert E. Lee Statute.* Adds \$1.1 million GF the first year for the Department to remove and store the Robert E. Lee Statute on Monument

Avenue in Richmond, VA. Includes language directing the Department to remove the state-owned statue at the request of the Governor.

## Commerce and Trade

- **Economic Development Incentive Payments**
  - *Virginia Jobs Investment Program.* Restores \$2.0 million GF of previously unallotted funds to the Virginia Jobs Investment Program in the first year.
  - *Aerospace Engine Facility Incentive Payments.* Removes \$3.0 million GF each year to the Aerospace Manufacturing Performance Grant Fund and removes appropriations of \$630,000 NGF the first year and \$261,000 NGF the second year from the Aerospace Manufacturer Workforce Training Grant Fund for incentive payments related to the Rolls-Royce facility in Prince George County which intends to close.
  - *Other Economic Development Incentives.* Removes \$2.5 million GF in deposits to the Pharmaceutical Manufacturing Grant Fund and removes \$713,600 GF from the Virginia Investment Partnership Grant Fund, to reflect changes in grant payment schedules based on project delays associated with the COVID-19 pandemic.
- **Department of Housing and Community Development**
  - *Increase Deposit to the Housing Trust Fund.* Fully restores appropriations for the Housing Trust Fund by \$46.0 million over the biennium. Adds an additional \$25.0 million GF the first year for the fund, bringing the total investment to \$85.0 million GF over the biennium in the Housing Trust Fund.
  - *Rent and Mortgage Relief Program.* Allocates \$62.5 million in federal Coronavirus Relief Funds to the Virginia Rent and Mortgage Relief Program (VRMRP). Directs \$12.5 million GF from the Virginia Housing Trust Fund to support the VRMRP.
  - *Virginia Telecommunications Initiative (VATI).* Fully restores appropriations for the VATI program, focused on broadband infrastructure development, by \$32.0 million GF over the biennium. Adds an additional \$15.0 million GF the first year for the program, bringing the total investment to \$85.0 million GF over the biennium.

- *Eviction Prevention and Diversion Pilot.* Restores \$3.3 million GF the first year of previously unallotted funds to create an eviction prevention and diversion pilot program.
- *Temporary Moratorium on Evictions.* Adds extensive policy language in Part IV of the budget that creates a blanket moratorium on evictions through December 31, 2020. Outlines a policy for tenant/landlord relationships beginning January 1, 2021 that relies on an application for rental assistance from federal and state resources.
- **Department of Mines, Minerals and Energy**
  - *Office of Offshore Wind.* Fully restores previously unallotted funding of \$387,500 GF each year to enable the creation of an Office of Offshore Wind within the Division of Energy at the Department of Mines, Minerals and Energy.
- **Virginia Employment Commission**
  - *Unemployment Insurance Trust Fund Solvency.* Directs \$210.0 million from federal Coronavirus Relief Funds to the unemployment insurance (UI) program to either provide additional benefits or increase the solvency of the trust fund. Dictates all remaining CRF funds within 12 days of the expiration date of the funds to be deposited into the state's UI Trust Fund to improve solvency.
- **Virginia Innovation Partnership Authority**
  - *R&D Grant for COVID-19 Drug Therapies.* Provides \$5.0 million NGF the first year to the Virginia Biosciences Health Research Cooperation to establish a grant program to assist Virginia founded and based companies in the development of COVID-19 drug related therapies that are in early stage clinical trials.

## Public Education

The adopted budget for Direct Aid to Public Education decreases the general fund amount by a net of \$205.5 million while increasing nongeneral funds by \$111.8 million, primarily related to the updated sales tax forecast and appropriation of grey machine revenue. The adopted budget restores \$86.7 million GF over the biennium for Direct Aid items unallotted in Chapter 1289 of the 2020 Acts of Assembly (HB 30).

- **Direct Aid to Public Education**

- **Update Sales Tax.** Reduces funding by a net of \$95.2 million GF in FY 2021 and \$93.6 million GF in FY 2022 from the revised sales tax estimate dedicated to public education.

The revenue from the one and one-eighth cent portion of the sales tax that are dedicated for public education is distributed to school divisions based on school-aged population and is allocated to total SOQ cost prior to apportioning the remaining SOQ cost between the state and local shares based on Composite Index of local ability-to-pay. These amounts represent the net change in state funding, as required by the Basic Aid funding formula. The revised estimates for the education component of sales tax equal \$1,326.4 million in FY 2021 and \$1,354.6 million in FY 2022, which reflect decreases of \$215.3 million and \$211.6 million respectively, compared to Chapter 1289 of the 2020 Acts of Assembly (HB 30). Consequently, the decreased sales tax revenues have to be backfilled with additional general fund revenues for the state’s share of the SOQ Basic Aid payments (55 percent) while the remaining impact is the local’s share of the SOQ Basic Aid.

<b>Net Impact of Revised Sales Tax Revenue Estimates</b>			
(\$ in millions)			
	<u>FY 2021</u>	<u>FY 2022</u>	<u>Biennium</u>
<b>Chapter 1289 Sales Tax Estimate</b>	\$1,541.7	\$1,566.2	\$3,107.9
Net Total Forecast Change from Ch.1289	( <u>\$215.3</u> )	( <u>\$211.6</u> )	( <u>\$426.9</u> )
<b>Chapter 56 Sales Tax Estimate</b>	\$1,326.4	\$1,354.6	\$2,681.0
Basic Aid Offset Adjustment	<u>120.1</u>	<u>118.0</u>	<u>238.0</u>
<b>Net Total Funding Impact</b>	<b>(<u>\$95.2</u>)</b>	<b>(<u>\$93.6</u>)</b>	<b>(<u>\$188.8</u>)</b>

- **COVID-19 Local Relief Payments.** Provides \$95.2 million NGF the first year from the COVID-19 Relief Fund, established in § 2.2-115.1 of the *Code of Virginia* from “grey machine” revenue. Funds will be disbursed to divisions as COVID-19 Local Relief payments to eliminate the impact of the reduction of sales tax revenue estimates on the local share of Basic Aid.

These one-time payments are distributed to school divisions based on the net reduction of state funds apportioned to school divisions in Chapter 56 of the 2020

Acts of Assembly, Special Session I (HB 5005) from those apportioned in Chapter 1289 of the 2020 Acts of Assembly (HB 30). Local governing bodies are required to appropriate these one-time funds to school divisions in the same manner used to appropriate sales tax revenues dedicated to public education. The amounts distributed count as a credit towards Required Local Effort in FY 2021.

- ***Federal Coronavirus Relief Funds to School Divisions.*** Authorizes the allocation of \$220.8 million in FY 2021 in federal Coronavirus Relief Funds (CRF) to be distributed to school divisions to assist with costs associated with the COVID-19 emergency, including but not limited to costs associated with implementing social distancing measures, providing distance learning, and providing computer equipment and internet access to students. In expending such funds, school divisions shall comply with federal CARES Act requirements and the most recently published United States Treasury Department guidance for the CRF. The Governor distributed these funds as a \$175 per pupil allocation based on the projected September 30, 2020 Fall Membership for each division.
  - Transfers \$16.6 million GF in FY 2021 from the Virginia Preschool Initiative (VPI) program to the Department of Social Services, while DSS transfers \$16.6 million in federal TANF funds to VPI. The \$16.6 million GF allows DSS to support in-person childcare for school-aged children. This fund swap does not affect the total distribution to school divisions for VPI.
  - Adds language clarifying that eligibility for the Dual Enrollment Tuition Scholarship Grant is intended for teachers taking courses applicable toward meeting dual enrollment teaching requirements. The previous language required enrollment in an approved teacher preparation program, which is not applicable for teachers seeking to teach dual enrollment courses.
  - Adds language permitting divisions to use Textbook funds to address the costs of providing virtual instruction or reopening schools for in-person instruction in the first year. The flexibility waives the local match requirement for Textbook funds.
  - Adds language prohibiting the Department of Education from making any reductions to recurring semi-monthly payments to school divisions in FY 2021 due to lower Average Daily Membership (ADM) projections. The Department typically updates the semi-monthly state payments to school divisions each January based on the updated projected ADM contained in the Governor’s introduced budget in December. There is no impact to final state payments for the year, as FY 2021 final entitlements will be based on actual March 31, ADM as reported by school divisions. Adjustments to final

ADM-based entitlements typically occur in May with the last several recurring payments for the year.

- Directs the Governor to provide in the introduced budget a salary increase incentive for SOQ-funded instructional and support positions for consideration by the 2021 General Assembly if there is no downward revision to the general fund estimate for FY 2022 and the revenue estimate provides sufficient revenue.

- **Unallotment Restorations**

- Restores \$37.3 million in FY 2022 for the Virginia Preschool Initiative (VPI). The restored amount includes all of the initiatives that were unallotted in Chapter 1289 of the 2020 Acts of Assembly (HB 30), except only one 10 percent increase to the VPI per pupil is restored. Chapter 1289 included two 10 percent increases, one in each year, to raise the per pupil amount from \$6,326 in FY 2020 to \$6,959 in FY 2021 and \$7,655 in FY 2022, but these funds were subsequently unallotted in April due to the pandemic and eliminated in the introduced budget. Instead, this restoration increases the per pupil amount from \$6,326 in FY 2021 to \$6,959 in FY 2022, representing a single 10 percent increase.
- Restores \$35.6 million GF in FY 2022 for at-risk add on funding. This increases the maximum per pupil add-on from 21.9 percent to 26 percent in the second year.
- Restores \$2.5 million GF in FY 2021 and \$4.1 million GF in FY 2022 to implement expanded access to free school meals.
- Restores \$3.0 million GF in FY 2021 to provide incentive payments supporting recruitment and retention of early childhood educators.
- Restores \$1.3 million GF in FY 2021 to support the Black History Museum and Cultural Center.
- Restores \$1.0 million GF in FY 2021 to support the American Civil War Museum.
- Restores \$1.7 million GF in FY 2021 to support the Jobs For Virginia's Graduates program.
- Restores \$350,000 GF in FY 2021 to reinstate the education department for Blue Ridge PBS, to provide educational outreach programming.
- Restores \$250,000 GF in FY 2021 for one-time support for innovative, flexible furniture and equipment to support personalized learning at the Emil and Grace Shihadeh Innovation Center.

## Higher Education

- **Maintain Affordable Access**

- Provides \$60.0 million the first year to support operations, enhance financial aid, or for other purposes to address the impact of the COVID-19 pandemic. Funds are allocated as follows:

<u>Institution</u>	<u>FY 2021 Allocation</u>
Christopher Newport University	\$2,400,000
College of William and Mary	3,500,000
James Madison University	5,700,000
Longwood University	1,500,000
University of Mary Washington	3,300,000
Norfolk State University	2,000,000
Radford University	4,900,000
University of Virginia	3,000,000
University of Virginia's College at Wise	1,000,000
Virginia Commonwealth University	10,000,000
Virginia Military Institute	1,000,000
Virginia Polytechnic Institute & State University	4,000,000
Virginia State University	1,700,000
Richard Bland College	1,000,000
Virginia Community College System	<u>15,000,000</u>
<b>Total</b>	<b>\$60,000,000</b>

- Restores \$10.0 million each in the first year and \$7.0 million each in the second year to George Mason University and Old Dominion University for enrollment growth of in-state students.

- **Online Virginia Network Authority**

- Restores \$1.0 million each year for the expansion of James Madison University into the Online Virginia Network Authority.

- **SCHEV Virtual Library**
  - Restores \$400,000 the first year for the Virtual Library of Virginia (VIVA) in the State Council of Higher Education for Virginia (SCHEV).
- **VAREady Workforce Credentials**
  - Provides \$2.0 million the first year for students enrolled in eligible workforce programs at the Virginia Community College System and Richard Bland College in partnership with the VAREady program. This partnership leverages private resources in order to assist Virginians unemployed as a result of the COVID-19 pandemic to earn credentials in high demand fields.
- **Norfolk State University**
  - Restores \$7.5 million the first year for several access and affordability initiatives previously unallotted in the 2020 Reconvened Session. This includes funding to launch the Virginia College Affordability Network (VCAN) and IT service upgrades.
- **Virginia State University**
  - Restores \$7.9 million in the first year for several access and affordability initiatives previously unallotted in the 2020 Reconvened Session. This includes funding to launch the Virginia College Affordability Network (VCAN), data center modernization, and state matching funds for the VSU Cooperative Extension.

## Other Education

- **Library of Virginia**
  - *Aid to Local Libraries.* Provides \$1.0 million the first year to local libraries to expand broadband access to support Virginia families in virtual learning and job search assistance efforts. Funds will be allocated to localities to expand local Wi-Fi and mobile hotspots.
  - *Gubernatorial Records.* Restores \$400,000 GF the first year to support efforts to speed up the review and release of gubernatorial records and documents to the public.

## Finance

- **Department of Accounts Transfer Payments**
  - *Voluntary Deposit to the Revenue Reserve.* Adds \$71.5 million GF and transfers \$17.5 million GF from the second year for a total of \$89.0 million GF the first year for a voluntary deposit to the Revenue Reserve in response to a potential revenue shortfall resulting from the COVID-19 pandemic. The amendment includes language authorizing the transfer of the funding to the Revenue Stabilization Fund if needed to meet any Constitutionally-mandated deposit based on revenues during the 2020-22 biennium.

## Health and Human Resources

- **Children's Services Act**
  - *Special Education Private Day School Payments.* The adopted budget adds language requiring continued payment for services of private day schools provided to students with disabilities if such services are still required by the student's individualized education plans and the private school provides remote learning or telehealth services during the 2020-21 school year. Language allows the rates to be adjusted commensurate with the level of services being provided.
- **Department of Health**
  - *Plan for Equitable Distribution of COVID-19 Vaccine and Other Medications.* Adds language directing the Virginia Department of Health (VDH) to convene a work group to examine and develop a plan to ensure that vaccines and other medications to treat or prevent the spread of COVID-19 are equitably distributed in the Commonwealth.
  - *Reporting of COVID-19 Data.* Adopts language directing the VDH to report actual deaths due to COVID-19 or other infectious disease data collection and reporting protocols and not an extrapolated projection of deaths.
  - *Priority COVID-19 Testing for Long-Term Care Facilities.* Includes language directing the State Health Commissioner to ensure that residents and employees of

nursing homes or assisted living facilities receive priority for COVID-19 testing to help prevent or contain outbreaks in these long-term care facilities.

- *Require Licensed Medical Facilities to Allow Designated Persons to Accompany or Visit Disabled Patients.* Adds language requiring medical facilities licensed by the Virginia Department of Health, with the exception of nursing facilities, to allow patients with disabilities to be accompanied by a designated support person at the time services are provided and to allow for visits by such person(s).

- **Department of Health Professions**

- *Extend Practice Waivers for Nurse Practitioners.* The adopted budget includes language extending the ability for licensed nurse practitioners with two or more years of clinical experience (except licensed Certified Registered Nurse Anesthetists) to practice without a written or electronic practice agreement until the termination of the declared public emergency due to the COVID-19 pandemic. Nurse Practitioners had this authority under Executive Order #57 but it expired on September 8, 2020.

- **Department of Medical Assistance Services (DMAS)**

- *Account for Enhanced Federal Medical Assistance Percentage.* Accounts for savings of \$331.0 million GF and a corresponding increase in federal funds in the first year from the impact of the enhanced (by 6.2 percentage points) federal medical assistance percentage (FMAP) for Medicaid and children's health care programs. The amounts reflect the latest DMAS estimates based on receiving the enhanced FMAP through December 31, 2020.
- *Fund Federal Medicaid Continuation of Coverage Requirement.* Funds \$89.1 million GF and \$245.3 million in federal funds the first year for the impact of the federal continuation of coverage requirement as required by the Families First Coronavirus Response Act (H.R. 6201). The amounts reflect the latest DMAS estimates for the additional cost to Medicaid and children's health care programs through October 31, 2020.
- *Capture Saving in Medicaid Program from Lower Managed Care Rates.* Reduces \$56.4 million GF the first year and \$69.6 million GF the second year and a like amount of federal Medicaid matching funds each year in the Medicaid program from lower managed care rates that took effect on July 1, 2020. Rates for the Medallion 4.0 program decreased 5.49 percent for base Medicaid and 5.72 percent for expansion Medicaid. For the Commonwealth Coordinated Plus program, the rates declined 0.12 percent for base Medicaid and 0.39 percent for expansion Medicaid.

- ***Capture Savings in the Family Access to Medical Insurance Security (FAMIS) Program from Lower Managed Care Rates.*** Reduces \$3.1 million GF and \$7.3 million NGF the first year and \$4.2 million GF and \$7.8 million NGF the second year in the FAMIS program from lower managed care rates that took effect on July 1, 2020.
- ***Capture Savings in the Medicaid Children's Health Insurance Program (MCHIP) from Lower Managed Care Rates.*** Reduces \$2.3 million GF and \$5.4 million NGF the first year and \$3.3 million GF and \$6.0 million NGF the second year in the FAMIS program from lower managed care rates that took effect on July 1, 2020.
- ***Adjust Appropriation for the Virginia Health Care Fund.*** Reduces the general fund appropriation by \$1.3 million GF in FY 2020 and \$4.5 million GF in FY 2021 and adds a like amount of nongeneral funds each year to reflect changes in revenues to the Virginia Health Care Fund. Revenues from the Fund are used as a portion of the state's match for the Medicaid program; therefore, higher revenues result in a reduction of the general fund appropriation needed to maintain currently-funded Medicaid services. Conversely, lower revenues require additional general fund support. The additional revenue is due to the authorization for the taxation of heated tobacco products and extension of the "Wayfair" tax to other tobacco products.
- ***Extend Temporary Increase in Nursing Facility Rates by \$20 Per Day.*** Adds \$11.2 million GF and \$11.2 million NGF and modifies budget language to extend a temporary increase in the nursing home and specialized care per diem rates by \$20 per day per patient effective through June 30, 2021. In addition, authorization for a treasury loan is provided should appropriated state funding be insufficient to cover costs.
- ***Modify CARES Act Disbursement for Nursing Facilities.*** Directs DMAS to modify the disbursement rules for the \$20.0 million in state-allocated CARES Act funding for assisted living facilities and approximately \$33.0 million in state-allocated CARES Act funding for nursing facilities to remove an impediment to providers' access to these funds.
- ***Clarify Live-In Caretaker Exemption for Electronic Visit Verification.*** Adds language to clarify that the live-in caretaker exemption to the electronic visit verification requirements shall take effect January 1, 2021, and directs the Department of Planning and Budget to transfer funds from the DMAS administrative budget for the administrative portion of the managed care capitation rates to reflect the costs to implement the change.

- ***Modify Effective Date for Medicaid Adult Dental Benefit and Administrative Transfer Authority.*** Changes the effective date for the implementation of the new Medicaid adult dental benefit from January 1, 2021 to July 1, 2020 to reflect the restoration of funding in fiscal year 2021. Language also provides authority to move funding from the administrative program of the agency to cover the increased costs of the dental benefits administrator related to the new dental benefit.
- ***Modify Effective Dated for Restored Amounts in Medicaid.*** Language modifies the effective date for several Medicaid initiatives that were restored including the following:

Spending Item	Ch. 1289 Effective Date	Ch. 56 New Effective Date
Overtime for Consumer-directed Personal Care Attendants – Up to 8 hours Jan. 1, 2021 and up to 16 hours effective July 1, 2021	July 1, 2020	Jan. 1, 2021
Eliminate 40-quarter work requirement for legal permanent residents to qualify for Medicaid	July 1, 2020	April 1, 2021
DD Waiver provider rate increase for group homes, sponsored residential and group day support	July 1, 2020	Jan. 1, 2021
DD Waiver rate increase for providers of other community integration services	July 1, 2020	July 1, 2021
Managed care reimbursement for durable medical equipment	July 1, 2020	July 1, 2021
Rate increase for anesthesiologists	July 1, 2020	July 1, 2021
Rate increase for skilled and private duty nursing	July 1, 2020	July 1, 2021

- ***Create New Service Area for Graduate Medical Education Residency Slots.*** Creates a new service area to account for the funding provided to hospitals to support graduate medical residency slots. Language also directs the Department of Planning and Budget to transfer \$3.1 million the first year and \$3.9 million the second year to the new service area and clarifies that this appropriation in this new service area is not included as part of the Official Medicaid Forecast.

- *Allow Telehealth and Virtual Learning for Certain DD Waiver Services.* Language is added directing DMAS to request a waiver from the Centers for Medicare and Medicaid Services to allow telehealth and virtual and/or distance learning for Group Day, Supported Employment and Benefits Planning Services for the duration of the Governor's declared state of emergency due to the COVID-19 pandemic. This will allow recipients to maintain skills, and to learn new skills including expanded socialization opportunities during the COVID-19 pandemic.
- *Telephonic Supervisory Visits by a Licensed Nurse.* Adds language directing DMAS to allow Medicaid agency-directed personal care and respite services to conduct telephonic supervisory visits by a licensed nurse, for the duration of the COVID-19 state of emergency, and that the department's forms be used to document and meet the standards already established by the agency to include verbal consent, authorization, and confirmation of participation.
- **Department of Behavioral Health and Developmental Services (DBHDS)**
  - *Fund Fiscal Impact of Legislation for MARCUS Alert System.* Adds \$61,203 the first year and \$122,405 the second year from the general fund and one position to oversee implementation of the mental health awareness response and community understanding services (MARCUS) alert system pursuant to legislation adopted during the 2020 Special Session I. The adopted budget also adds \$3.0 million the second year to establish one MARCUS alert system community care team in each of the five DBHDS service regions to begin implementation of the system. Additional community care teams will be phased in according to the language set forth in the legislation.
  - *Restore Language on Delaying STEP-VA.* Restores language that eliminates the requirement that Community Services Boards or Behavioral Health Authorities provide STEP-VA services beyond those that are funded in Chapter 854 of the 2019 Acts of Assembly, unless an appropriation is available and an allotment of funds is made. While additional funding for STEP-VA was restored in Chapter 56 of the 2020 Acts of Assembly, Special Session I (HB 5005) in FY 2021, this language was included in case of unforeseen future revenue and spending adjustments.
  - *Technical: Set Out Appropriation for Commonwealth Autism Grant.* Adds language setting out a long-standing grant provided to Commonwealth Autism Services since fiscal year 2010. This ensures compliance with state procurement rules.

- **Department of Social Services**

- ***One-time Payment to TANF Unemployed Parent Program Participants.*** Funds \$211,253 NGF the first year for a one-time payment to Temporary Assistance for Needy Families Unemployed Parents (TANF UP) program participants that is equivalent to 15 percent of the monthly benefit payment for four months.
- ***Provide Funding to Food Banks for Emergency Food Supply Packages.*** Provides \$650,000 in Temporary Assistance for Needy Families block grant funding the first year to build capacity in the emergency food supply package program provided by food banks and other non-profits as a low-touch, convenient way to address food shortages during fall 2020 and winter 2021.
- ***Provide Household Food Benefit to Families with Children in Head Start.*** Provides \$3.7 million NGF the first year for a one-time benefit payment from the Temporary Assistance for Needy Families (TANF) block grant to qualifying families with children in Head Start who did not receive the federal Pandemic-Electronic Benefit Transfer (EBT) food benefit payment for school-aged children.
- ***Reduce General Fund Appropriation for Foster Care and Adoption Payments to Account for Enhanced Federal Funds.*** Reduces the general fund appropriation by \$5.8 million and increases the nongeneral fund appropriation a like amount in the first year for foster care and adoptions to account for the temporary enhanced Federal Medical Assistance Percentage (FMAP) rate, which is increased by 6.2 percentage points. This adjustment has been calculated through December 2020, when the enhanced federal match rate is set to expire.
- ***Support for Short-Term Child Care Needs.*** Modifies language and appropriates \$16.6 million GF and \$16.6 million NGF from the federal Coronavirus Relief Funds for the Department of Social Services to contract with local partners to support school divisions, local government and other entities for the provision of space to increase local capacity to provide child care for school-age children, purchase personal protective equipment and cleaning supplies, and provide a stable financial environment for the operation of these programs. Language requires cooperation between government and local providers to maximize the number of children served and to encourage the support of a diverse set of providers.
- ***TANF Funding for Community Programs.*** The adopted budget provides almost \$1.8 million NGF each year for community programs which address the goals of the program. These include:

- \$750,000 NGF each year for Cornerstones, a human services agency, to support wrap-around services to at-risk families in need of housing, child care, food or financial assistance in Northern Virginia.
- \$500,000 NGF each year to increase support for Northern Virginia Family Services.
- \$250,000 NGF each year for Portsmouth Volunteers for the Homeless to support wrap-around services for homeless individuals.
- \$125,000 NGF each year for Menchville House to provide supportive services for homeless individuals.
- \$125,000 NGF each year for Family Restoration Services in Hampton to provide supportive services to at-risk families in need.

## Natural Resources

- **Department of Conservation and Recreation**
  - *Water Quality Improvement Fund (WQIF)*. Includes a second year deposit of \$30.4 million GF to the WQIF to reflect the statutory Part B deposit of 10 percent of agency year-end balances. Given the restrictions placed on discretionary spending in the second half of FY 2020 as a result of the global COVID-19 pandemic, more than \$300.0 million in agency appropriations went unspent at the close of FY 2020. As part of this action, language is included directing the Secretary of Natural Resources to provide a plan for the allocation of these funds no later than November 1, 2020. A separate action reverts a \$25.4 million GF second-year discretionary deposit that was unallotted in March 2020.
  - *Shenandoah Valley Rail Trail*. Language is included directing the Department of Conservation and Recreation assess the feasibility and costs of developing a linear park along the Shenandoah Valley rail corridor from Front Royal to Broadway for operation as a satellite facility of Seven Bends and Shenandoah State Parks.
  - *Line of Credit*. Authorizes the Department to utilize an existing \$4.0 million line of credit to obtain a consultant for the continued development of the coastal master plan. Any expenses will be reimbursed through revenues generated from the sale of carbon allowances under the Regional Greenhouse Gas Initiative.

- **Department of Environmental Quality**
  - *Virginia Stormwater Management Fund.* Directs the Department of Environmental Quality to convene a stakeholder workgroup, including representatives of local governments and regulated industries, to recommend improvements to Virginia’s nutrient credit program that ensure the long-term sustainability of the Virginia Stormwater Management Fund.
  - *Hydrofluorocarbons.* Requires the Department to extend the deadline for compliance with regulations prohibiting the use of hydrofluorocarbons for any Virginia-based manufacturer of extruded polystyrene boardstock and billet for sale and distribution outside of the Commonwealth, until input has been solicited from a workgroup of relevant stakeholders.
- **Department of Game and Inland Fisheries**
  - *Migratory Shorebird Taking Permit.* Limits authorization for the Department to issue permits requiring compensatory mitigation activities to only those permits provided for the Department of Transportation to relocate the nest and eggs of any state listed threatened bird from the South Island of the Hampton Roads Bridge Tunnel (HRBT) in order to facilitate construction activities related to the HRBT Expansion Project.

## Public Safety and Homeland Security

- **Department of Alcoholic Beverage Control**
  - *Estimated Net Profit Transfers.* Language amendments to Part 3 increase the Authority’s net profit transfers to the GF as follows: (i) an increase of \$11.1 million in FY 2021 to account for actual FY 2020 sales that resulted in above-budget revenues and profits; and (ii) additional increases of \$3.4 million in FY 2021 and \$4.0 million in FY 2022 to account for projected revenue increases due to assumed average year-over-year sales growth of 4.5 percent.
- **Secretary of Public Safety & Homeland Security**
  - *E-911 Border Response Workgroup.* A language amendment directs the Secretary to establish a workgroup to assess deficiencies in routing of Emergency 911 calls

across state or county borders, and to report its recommendations to the Governor and General Assembly by April 1, 2021.

- **Department of Corrections**

- ***Correctional Bedspace Impacts of Legislation.*** Adds \$150,000 GF in FY 2021 to the Corrections Special Reserve Fund (“Woodrum Fund”) for the estimated prison bedspace impact of the following sentencing bills, pursuant to Section 30-19.1:4 of the *Code of Virginia*:
  - Chapters 26 and 37 of the 2020 Acts of Assembly, Special Session I (HB 5045/SB 5030), carnal knowledge of a detainee or arrestee by a law enforcement officer.
  - Chapters 55 and 37 of the 2020 Acts of Assembly, Special Session I (HB 5049/SB 5030), law enforcement agencies; acquisition and use of military property.
  - Chapter 22 of the 2020 Acts of Assembly, Special Session I (HB 5098), hate crimes; falsely summoning or giving a false report to law enforcement.
- ***Earned Sentence Credits Legislation.*** Provides \$1.3 million GF in FY 2021 and \$4.5 million GF in FY 2022 for implementation of Chapters 50 and 52 of the 2020 Acts of Assembly, Special Session I (HB 5148/SB 5034), which changes the calculation of earned sentence credits for state responsible offenders. The first year amounts include a one-time \$1.0 million GF to update the CORIS offender management system for the new calculations, and funding for 12.00 FTEs to support the change process and calculate sentence lengths. The second year funding supports the Department’s anticipated re-entry expenses for the additional offenders to be released in that year. A corresponding amendment under the Compensation Board removes \$2.6 million GF in FY 2022 for the estimated reduction in per diems for state responsible offenders housed in local and regional jails resulting from the legislation.

- **Department of Criminal Justice Services**

- ***Personnel to Support Policing Reform Legislation.*** Removes \$0.2 million GF in FY 2021, adds \$0.3 million GF in FY 2022, and adds 2.00 FTE each year to support policing reform legislation from Chapters 48, 27 and 37 of the 2020 Acts of Assembly, Special Session I (HB5109/HB 5051/SB 5030). Including the introduced budget amounts that were maintained, the amendment provides \$1.6 million GF in FY 2021 and \$1.2 million GF in FY 2022 and 10.00 FTEs. The reduction in the first year is a technical adjustment to account for a partial year of funding due to the timing of the bills’ enactments. The two added positions are an additional FTE to support the law enforcement training academy evaluations required in the

legislation, and an analyst to study and report on the Community Policing Data. A corresponding technical language amendment also identifies \$1.0 million GF that was included in the introduced budget and maintained by the General Assembly for development of uniform curriculum and lesson plans for the law enforcement training academies.

- *Mental Health Awareness Response and Community Understanding Services (Marcus) Alert System Coordinator.* Adds \$61,203 GF in FY 2021 and \$100,000 GF in FY 2022 and 1.00 FTE each year for the Department to employ a program manager for the Marcus Alert System that will be established pursuant to Chapters 41 and 42 of the 2020 Acts of Assembly, Special Session I (HB 5043/SB 5038).
- *Body Worn Camera Grant Fund.* Provides \$6.5 million GF in FY 2021 and \$0.1 million GF in FY 2022 and 1.00 FTE to support the awarding of one-time grants to law enforcement agencies in the Commonwealth to support the use of body-worn cameras. The funding also supports a grant coordinator to oversee the grant.
- *Recruitment and Retention of Law Enforcement Officers.* Adds \$7.5 million GF in FY 2021 for distribution to qualified police departments to promote the recruitment and retention of the most qualified local police department sworn personnel.

- **Department of State Police**

- *Positions Related to Policing Reform Legislation.* Provides \$200,000 GF in FY 2021 and \$300,000 GF in FY 2022 and 3.00 FTEs for two office services assistants and one agency management analyst, as well as funding for information technology support for the positions, \$60,000 per year for postage and secure shipping supplies, and \$17,105 in one-time office furniture costs in the first year, related to Chapter 37 of the 2020 Acts of Assembly, Special Session I (SB 5030).

- **Parole Board**

- *Part-time Position for Compassionate Medical Release.* Funds \$19,512 GF in FY 2021 and \$39,023 GF in FY 2022 for the Board to hire a part-time employee to support its review of eligibility for release of terminally ill inmates pursuant to Chapter 51 of the 2020 Acts of Assembly, Special Session I (SB 5034).

- **Central Appropriations**

- *Contingency Funding for Criminal Justice Bills.* Adds \$3.0 million GF each year to support the costs of criminal justice reform legislation if the other appropriations in the budget for those initiatives is not sufficient.

# Transportation

Chapter 1289 of the 2020 Acts of Assembly (HB 30), included a net increase in NGF transportation appropriations of \$2.0 billion (26.5 percent) in FY 2021 and \$1.8 billion (23.3 percent) in FY 2022 compared to the base budget. Of these amounts, additional NGF revenues of \$332.7 million in FY 2021 and \$462.7 million in FY 2022 resulting from the passage of omnibus statewide transportation funding legislation during the 2020 Regular Session were appropriated across the agencies of the Transportation Secretariat. The August 2020 revised revenue reforecast projected a total reduction in transportation revenues of \$870.7 million NGF, including an actual reduction of \$121.0 million NGF in FY 2020 and a forecast reduction of \$749.7 million NGF over the FY 2021-22 biennium. Actions taken in Chapter 56 of the 2020 Acts of Assembly, Special Session I (HB 5005), did not provide any downward adjustment in appropriations to reflect the revised revenue forecast and, instead, provides the Commonwealth Transportation Board (CTB) flexibility in the programming of transportation revenues to ensure stability of programmatic operations at the FY 2020 level.

- **Secretary of Transportation**
  - *Programming Flexibility.* Provides the CTB the flexibility to reprogram up to approximately \$1.1 billion in revenues from existing projects, and from the phased implementation of the new allocation formulae adopted in 2020, in a manner that reduces the impact on currently programmed projects. Any funding reallocated from an existing project is required to be repaid within the current six-year planning window. Specifically, the language requires reprogramming of Revenue Sharing Funds allocated to projects in FY 2020 or prior based on current schedules with repayment required no later than FY 2024 and authorizes the sweeping of any unallocated project balances. Additionally, the language authorizes deferral of State of Good Repair, High Priority Project, and District Grant Program funds based on current project schedules, with repayment required no later than FY 2025.
  - With respect to transit funding programs managed by the Department of Rail and Public Transportation, the language authorizes shifting of mass transit funds from capital projects, ridership incentives, and special programs to statewide operating and WMATA for FY 2021 only. The following table illustrates the approximate amount of funding that is eligible for reprogramming from each of the major transportation funding programs.

<b>Program</b>	<b>Estimated “Flexible” Funding</b>
Revenue Sharing – Active	\$445,000,000
Revenue Sharing – Balances	50,000,000
State of Good Repair	71,100,000
High Priority Projects	113,100,000
District Grant Program	27,300,000
New Modal Allocations	350,000,000
Transit Capital to Operations	<u>A Sum Sufficient</u>
<b>Total</b>	<b>Up to \$1,100,000,000</b>

- **Department of Motor Vehicles**

- *Driver and Vehicle Credentialing.* Provides temporary authorization allowing the Commissioner to extend the validity, or delay the cancellation, of existing driver’s licenses, special identification cards, and vehicle registrations, as well as new resident vehicle registration requirements during, and for up to 90 days after, a declared state of emergency.
- *Remote Access to Services.* Directs the Commissioner to ensure, to the greatest extent practicable, that customers age 65 or older, or those with an immunocompromised or other underlying medical condition, can obtain any legally allowable services electronically or through the mail, when not required to appear in person for a photograph or if required by federal law.
- *Driver Training School.* Allows for the limited provision of online end-of-course testing for Class B driver training schools and computer-based driver education providers during, and for up to 90 days after, a declared state of emergency.
- *Temporary Restricted Driving Privileges.* Allows individuals convicted of certain non-driving related offenses that were repealed during the 2020 Regular Session, to petition for restricted driving privileges. There are a limited number of individuals that were convicted of these non-driving offenses prior to July 1, 2020 but were not sentenced when the Code provisions allowing for restricted driving privileges in these cases was repealed.

- **Department of Rail and Public Transportation**
  - *Virginia Passenger Rail Authority.* Authorizes the Department of Rail and Public Transportation to serve as the fiscal and business agent for the Virginia Passenger Rail Authority until such time as the Board has been formally established, an Executive Director hired, and a Memorandum of Understanding executed between the Department and the Authority.
  - *Operational Overhead.* Provides the Commonwealth Transportation Board the authority to level fund the administrative and support services budget for the Department at the FY 2020 level.

## Central Appropriations

- **Central Appropriations**
  - *Convert Agency Unallotment Actions to Budget Reductions.* Chapter 56 of the 2020 Acts of Assembly, Special Session I (HB 5005) includes a new item which converts a significant portion of the agency unallotments included in Chapter 1289 of the 2020 Acts of Assembly (HB 30) into budget reductions through a reversion clearing account. The reversion clearing account includes reversions totaling \$687.2 million the first year and \$1,048.4 million the second year. These reductions were required to address the revenue reduction embedded in the forecast upon which Chapter 56 of the 2020 Acts of Assembly, Special Session I (HB 5005) was based.
  - *Allocation of COVID-19 Relief Funds.* Includes language allocating the \$3.1 billion in federal COVID Relief Funds that have been provided to the state. The amendment also sets out conditions under which any unused funds shall be transferred to the Unemployment Compensation Fund.
  - *COVID-19 Local Relief Payments for School Divisions.* Provides \$95.2 million NGF the first year from the COVID-19 Relief Fund, established in § 2.2-115.1 of the *Code of Virginia* from “grey machine” revenue, to be transferred to the Department of Education and disbursed to school divisions as COVID-19 Local Relief payments to offset the impact of the reduction of estimated sales tax revenues on the local share of Basic Aid.
  - *Authorize Funding for Revenue Contingent Bonuses.* Authorizes the use of \$97.8 million GF for a one-time bonus payment to full-time state employees, a \$750 one-

time bonus payment to higher education adjunct faculty, and a one-time bonus payment for state-supported local employees equal to 1.5 percent of their base salary, on September 1, 2021. Authorization to appropriate the funding for the bonuses is contingent upon FY 2021 year-end revenues meeting or exceeding the forecast. Language also provides that the Governor include a salary incentive in his introduced budget for the 2021 Session for funded SOQ instructional and support positions if there is no downward revision in the revenue estimate for FY 2022, and there is sufficient revenue to also provide the bonuses for state and state-supported local employees.

- ***Provide One-time \$500 Bonus for Law-Enforcement Personnel.*** Adds \$10.9 million GF the first year to provide a \$500 one-time bonus payment for state and state-supported law-enforcement personnel to be paid on December 1, 2020.
- ***Authorize Health Insurance Premium Holiday in FY 2021.*** Captures savings of \$46.1 million GF the first year from providing a one month health insurance premium holiday in December of 2020. This action will save \$122.0 million all funds (including GF, NGF, employees and early retirees). The holiday was authorized based on the high cash balances in the health insurance fund.
- ***Adjust Funding for FY 2022 Health Insurance Premium Increase.*** Realizes savings of \$20.6 million GF the second year from adjusting the funding for the assumed FY 2022 state employee health insurance premium increase from \$41.2 million GF to \$20.6 million GF. Remaining funding still supports a premium increase of 3.35 percent.
- ***Add Contingency Funding for Criminal Justice Reform Legislation.*** Includes \$3.0 million GF each year for the purpose of funding criminal justice reform legislation adopted during the 2020 Special Session I that was enacted subsequent to adoption of Chapter 56 of the 2020 Acts of Assembly, Special Session I (HB 5005), and not otherwise funded.
- ***Virginia Military Institute Review.*** Provides \$1.0 million GF the first year for an independent, third-party investigation of the culture, traditions, policies, and practices of the Virginia Military Institute.
- ***Reversion of Unexpended Prior Year Balances.*** Includes language amendments which revert \$38.5 million in unallocated general fund balances which were originally appropriated for the emergency response to the COVID pandemic and \$500,000 from the World War I and World War II Commemoration Commission. The state general fund for COVID relief is not needed due to the availability of the federal COVID relief funds.

## Independent Agencies

- **State Corporation Commission**
  - *Provide Executive Authority for Appropriating Federal Relief Funds and Set Out Parameters of Moratorium on Utility Disconnections.* Adds language in Part 4-14 that establishes a moratorium on utility disconnections until 60 days after the end of the declared state of emergency or until public health or economic conditions improve. Creates Repayment Plans for customers that require any debt to be amortized over 6 to 24 months. Creates a safety valve for utilities, allowing for exemption from the moratorium if an electric utility under the jurisdiction of the Commission has arrearages that exceed 2 percent of its operating revenues (Dominion, APCo, Kentucky Power). This threshold is set at 1 percent for all other utilities subject to the moratorium. Requires Dominion to forgive \$127.0 million of customer debt (figure based on accounts over 30 days in arrears as of September 30, 2020).
  - *Direct Assistance Payments for Utility Customers.* Includes language in Part 4-14 that references the allocation of \$100.0 million from federal relief funds contained in Central Appropriations for direct assistance payments on behalf of customers who have utility accounts over 30 days in arrears and tasks the Commission with implementing the parameters of the program.

## Capital Outlay

- **Virginia Spaceflight Authority Eastern Shore Hangar**
  - Supplants \$1.0 million previously funded with cash with Virginia Public Building Authority (VPBA) bond proceeds for the Accomack Airport Hangar Project.
- **State Parks Maintenance**
  - Provides \$500,000 in VPBA bond proceed for critical infrastructure repairs and preventive maintenance projects across the state park system.

- **Language Amendments**

- Adjusts options for a new juvenile Correction Center in Central Virginia to include the state property on Old Bon Air Road.
- Clarifies the title of the GMU Academic VIII / STEM Building to correctly state it will be on the Science and Technology (Prince William) Campus.
- Includes three language amendments to clarify and facilitate Capitol Square projects.
