Private Special Education Placements Under the Children's Services Act

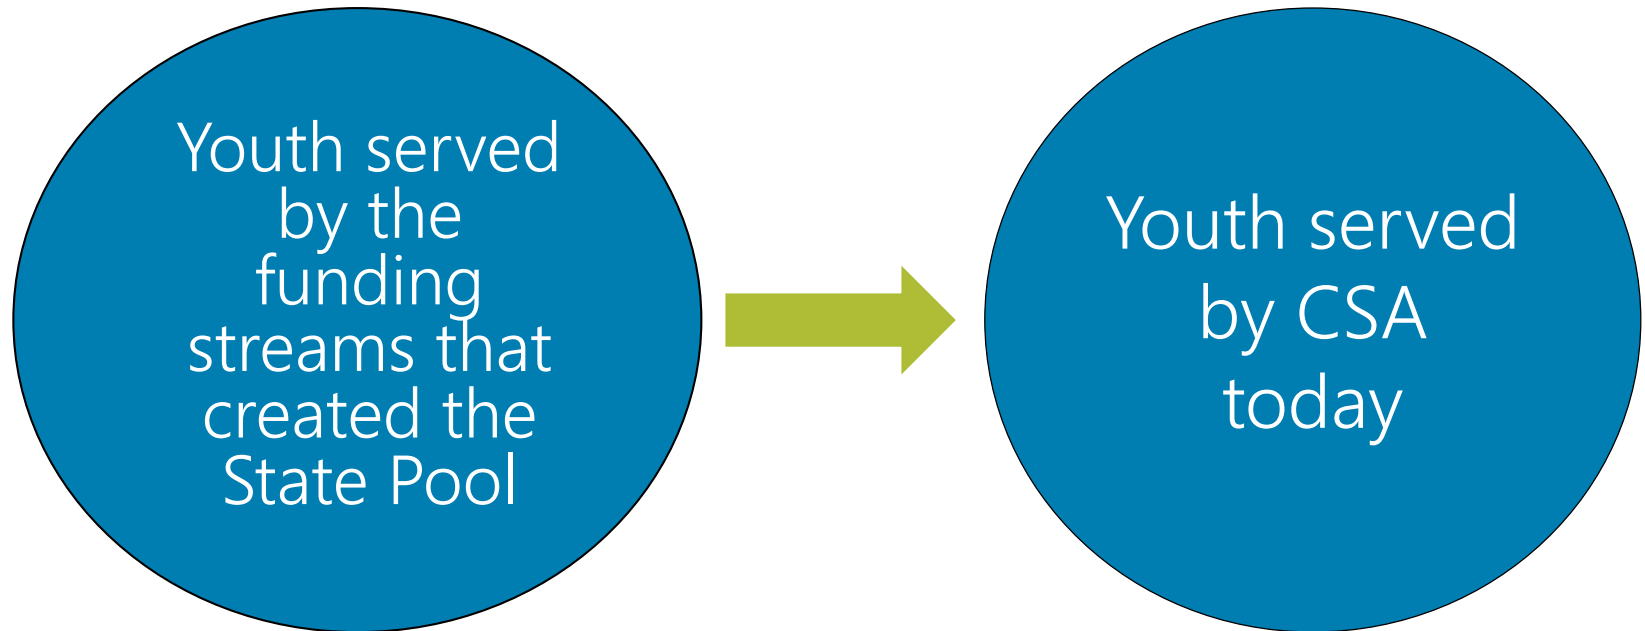

Joint Subcommittee for Health and Human Resources Oversight

November 29, 2017

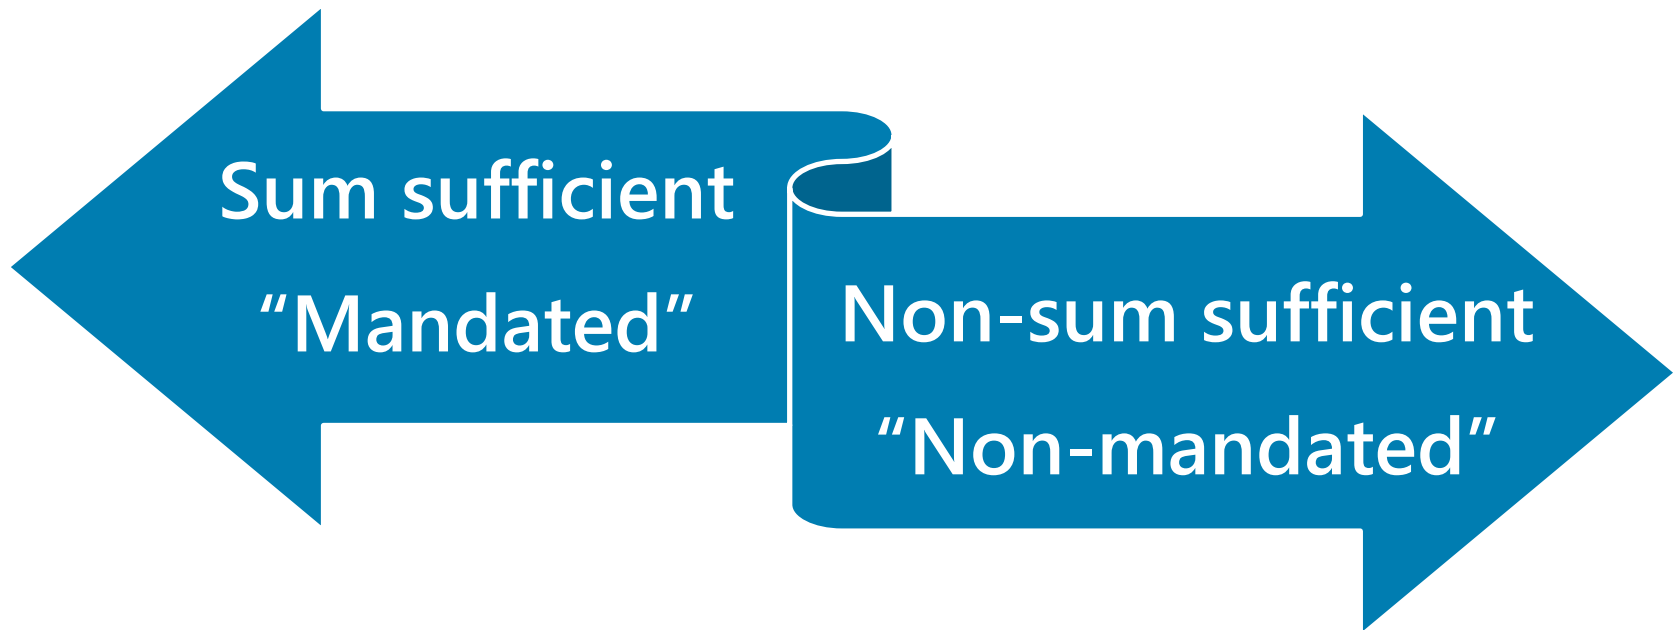

CSA: A Very Short History

- Effective July 1, 1993
- Consolidated funding from seven funding streams and four agencies (DSS, DOE, DBHDS, DJJ) into a single "state pool"
- Funds from DOE included Private Tuition Assistance
- Established a state supervised, locally administered and operated system
- Created the structures and functions to operate the program (SEC, OCS, FAPT, CPMT, etc.)

Eligibility for CSA Funding

CSA Funding (COV, § 2.2-5211 C)

Eligibility for CSA Funding

- §2.2-5211.B.1 and §2.2-5212.A.3 – Children and youth placed for purposes of special education in approved private school educational programs, previously funded by the Department of Education through private tuition assistance.
- §2.2-5211.C – The General Assembly and the governing body of each county and city shall annually appropriate such sums of money as shall be sufficient to (i) provide special education services ... for children and youth identified in subdivisions B 1 ... and meet relevant federal mandates for provision of these services.

CSA Funding for Students with Disabilities

- Local school division identifies the student and develops an Individualized Education Program (IEP) specifying a private educational setting (day or residential) as the least restrictive environment following the requirements of the federal Individuals with Disabilities Education Act (IDEA) and state special education regulations.
 - The student is referred to the local CSA program to arrange placement (if not already determined in the IEP) and funding.
- State share of cost is reimbursed through CSA.
- Source of local matching funds is at the discretion of the locality.

Recent Efforts to Address the Issues

- Virginia Commission on Youth
 - Two year study (Final Report (HD14) issued November 2015)
- State Executive Council for Children's Services (SEC)
 - Report (RD429, issued November 2016) provided a number of recommendations including:
 - Restructuring the Children's Services Act and Virginia Department of Education funding of special education services, specifically private educational services.
 - Defining and measuring outcomes for students in private special education settings.
 - Increasing attention to the successful transition/reintegration of students with disabilities from private settings to public school settings.
 - Supporting and enhancing the ability of public schools to serve students with disabilities in the least restrictive environment.
 - The input gathered by the SEC work group reflected the great complexity of the issues contributing to this situation, distinct perspectives of different constituencies, and the many challenges in arriving at possible solutions.

Recent Efforts to Address the Issues

- The 2017 General Assembly directed the staff of the House Appropriations and Senate Finance committees (Appropriation Act, Chapter 836, Item T. 5. (b – d)) and this subcommittee to further study this issue and to make recommendations.
