

Elementary and Secondary School Emergency Relief (ESSER) Funds

Virginia received \$238.6 million in ESSER funds through the CARES Act. The Act provided that at least 90 percent of these funds must be distributed to local education agencies (school divisions), and permitted state education agencies (VDOE) to retain up to 10 percent of those funds to address emergency needs. This analysis displays each school division's: (1) total ESSER distribution, (2) ESSER distribution on a per-pupil basis, and (3) ESSER distribution as a proportion of estimated state funding provided in H.B. 5005, As Introduced.
