2. As part of its review, the department shall identify the methods, feasibility and costs associated with collecting, at minimum, the following information from localities participating in the pilot program: (i) the hearing date of any hearing conducted pursuant to § 19.2-80, § 19.2-120, or § 19.2-124 of the Code of Virginia and the date any individual is admitted to bail; (ii) information about the individual, including the individual's year of birth, race, ethnicity, gender, primary language, and residential zip code; (iii) the determination of the individual's indigency pursuant to § 19.2-159 of the Code of Virginia; (iv) information related to the individual's charges, including the number of charges; the most serious offense the individual is charged with; the code section for such offense; the general description of such offense; whether such offense is a felony, misdemeanor, civil infraction, or other type of offense; and the specific classification of any felony or misdemeanor offense; (v) if the individual is admitted to bail, information related to the conditions of bail and the bond, including whether the bond was secured or unsecured; all monetary amounts set on the bond, including amounts set on both secured and unsecured bonds; any initial nonmonetary conditions of release imposed; any subsequent modifications; and whether the individual utilized the services of a bail bondsman; (vi) if the individual is not admitted to bail, the reason for the denial; (vii) any outstanding arrest warrants or other bars to release from any other jurisdiction; (viii) any revocation of bail due to

a violation of such individual's conditions of release, failure to appear for a court hearing, or the commission of a new offense by such individual; (ix) the date the individual is sentenced to an active term of incarceration and the date such individual begins serving such active term; (x) all dates the individual is released or discharged from custody, including release upon satisfaction of the terms of any recognizance, release upon the disposition of any charges, or release upon completion of any active sentence; (xi) the reason for any release or discharge from custody, including whether the individual posted a bond, was released on a recognizance, or was released under terms of supervision, or whether there was a disposition of the charges that resulted in release of the individual. If the reason for release is due to a court order or a disposition of the charges resulting in release, the data collected shall include the specific reason for release, including the nature of the court order or, if there was a conviction, the particular sentence imposed. The data shall also include a list of definitions of any terms used by the locality to indicate reasons for release or discharge; and (xii) the average cost for housing the individual in the local correctional facility, as defined in § 53.1-1, Code of Virginia, for one night. The services provided shall include case management, emergency client assistance, and mental health services in the preferred language of clients.

R. Out of this appropriation, \$150,000 the first year from the general fund is provided for community assessments for youth and gang violence prevention initiatives in Hampton, Newport News, Norfolk, Richmond, Roanoke, and Petersburg."

Explanation:

(This amendment would eliminate the \$4.7 million from the general fund each year appropriated to the Department of Criminal Justice Services for the provision of school resource officer / school security officer incentive grants to localities. A corresponding amendment to the Direct Aid for Public Education item would provide \$4.7 million from the general fund each year in additional funding for school mental health counselors.)
