

Governor Youngkin's Proposed Amendments to the 2024-2026 Biennium

HB 1600 / SB 800

2025 General Assembly Session

*A briefing for the Joint Meeting of the Senate Finance and Appropriations Committee,
the House Appropriations Committee, and the House Finance Committee*

December 18, 2024

Michael D. Maul
Director

Virginia Department of Planning and Budget

Highlights of the Governor's Proposed 2024-2026 Amendments

- Nearly \$1.56 billion (GF) in amendments are associated with technical adjustments resulting from updated forecasts, actual utilization of services, and required investments associated with 2024 excess revenues.
- Over \$1.1 billion (GF) is set aside for Car Tax credits.
- Provides other support for K-12/Pre-K education, totaling \$211.5 million (GF) including funding to implement a new Standards of Learning testing system, support schools addressing accreditation, and provide opportunity scholarships.
- Over \$166.6 million (GF) to support needed information technology (IT) infrastructure upgrades, as well as ongoing IT operating costs.

Highlights of the Governor's 2024-2026 Amendments (Continued)

- Added to this, over \$130.8 million (GF) is directed to enhance the Commonwealth's investment in workforce and economic development to increase business ready sites, the state's efforts in biotech, life sciences, and pharmaceuticals, and worker/student training programs.
- Over \$57.5 million (GF) is provided to continue to strengthen the behavioral/mental/developmental health safety net, including support to ensure appropriate oversight of temporary detention order (TDO) and emergency custody order (ECO) individuals awaiting evaluation.
- Finally, \$56.3 million (GF) is dedicated to public safety and emergency response preparedness, including the establishment of a disaster assistance fund, increased grant funding for School Resource Officers, and additional equipment funding for firefighters.
