

Legislative

There are no changes recommended to the budget, as adopted, for the Legislative Department for the 2008-10 biennium, except to remove proposed salary increases for the Clerks of the Senate and the House of Delegates and other legislative agency heads which had been scheduled to take effect on November 25, 2008, and November 25, 2009. The total budget for the Legislative Department is \$138.2 million from the general fund for the 2008-10 biennium.
