# Resources

Adopted amendments to the 2016-18 budget, Chapter 1 of the 2018 Special Session I Acts of Assembly (HB 5001), include \$299.2 million in general fund resources above those assumed in Chapter 836 of the 2017 Acts of Assembly. These resources include: (1) a \$134.9 million upward revision to the general fund revenue forecast; (2) transfer reductions totaling \$15.5 million; and, (3) a net balance adjustment of \$179.8 million. When combined with the \$8.4 million unappropriated balance contained in Chapter 836, the net adjustments provide \$307.6 million in available unappropriated resources. With these adjustments, general fund resources and transfers in FY 2018 total \$20.7 billion.

Chapter 1, as adopted, includes additional net spending of \$95.3 million, leaving a balance of \$212.4 million to be carried forward into the next biennium in Chapter 2 of the 2018 Special Session I Acts of Assembly (HB 5002).

## Changes in Revenue

FY 2017 revenue collections exceeded the estimate by \$134.9 million, with growth of individual withholding taxes and corporate income taxes well ahead of the forecast, offsetting shortfalls in nonwithholding and sales tax collections. As a result, FY 2018 general fund revenues

have to increase only 2.7 percent to meet the budget forecast in Chapter 836, compared to the economic-based assumption of 3.4 percent growth.

The fall revenue reforecasting process resulted in an estimated GF growth rate of 3.7 percent, an increase of \$184.7 million based on the recommendations of the Governor’s Advisory Council on Revenue Estimates (GACRE). The revenue forecast was subsequently reduced by \$49.8 million, reflecting a \$47.3 million shortfall in the revenues anticipated to have been generated by the recently completed Tax Amnesty program and a reduction of \$2.5 million resulting from conformity with federal tax changes which increase the deductions for charitable contributions to encourage support for hurricane relief efforts. The net result is a 3.4 percent adjusted growth rate in FY 2018, with the majority of the adjustments attributable to the higher than anticipated FY 2017 base, and little change to the underlying economic assumptions.

Adjustments to the revenue forecast contained in Chapter 1 yield additional general fund revenues of \$134.9 million in FY 2018, representing growth of 3.4 percent. Year-to-date revenue growth through May was 6.1 percent, with both individual withholding and nonwithholding income tax collections exceeding the forecast.

## **Changes in Transfers**

Net transfer adjustments reduce total transfers by \$15.5 million and include a \$4.8 million increase in the estimated sales tax transfer for K-12 education based on an overall increase in the sales tax forecast; offset by reductions of \$24.0 million, the majority of which reflects the early receipt of funds from the Volkswagen and Kia-Hyundai settlements which were received in FY 2017 and were therefore, already included in the FY 2018 beginning balance. Other adjustments include an increase of \$500,000 to the amounts the Office of the Attorney General may retain from the Regulatory, Consumer and Litigation Fund, and a reduction in the assumed transfer from the Court Debt Collection program of \$2.1 million.

## **Changes in Net Balance**

The general fund cash balance reported by the State Comptroller at the close of FY 2017 was \$1.4 billion. This includes an unexpended GF appropriated balance of \$354.8 million; a \$128.1 million carry-forward balance assumed in Chapter 836; revenue collections in excess of the forecast totaling \$134.9 million; and other nongeneral fund cash on deposit in the Treasury that is counted as general fund according to the Government Accounting Standards Board (GASB).

From these balances, the Comptroller set aside mandatory restrictions totaling \$557.1 million. The majority relates to the \$548.8 million balance in the Revenue Stabilization Fund as well as balances in the Lottery Proceeds Fund of \$11.8 million and \$4.3 million of Water Supply Assistance Grant Funds. After adjusting the balance for these liabilities, and for payments awaiting disbursement, the unrestricted general fund cash balance totaled \$782.7 million, approximately \$654.7 million more than assumed in Chapter 836.

The new adjustments to the unrestricted balances are committed under statutory requirements, and distributions include the reappropriation of \$105.8 million in FY 2017 GF capital and capital planning funds, \$111.2 million in mandatory and discretionary GF agency balances. Also included is \$63.7 million from the Local Communications Sales and Use Tax and the Virginia Health Care Fund. A total of \$121.4 million is set aside for the revenue cash reserve established in Chapter 836 to provide additional liquidity to address potential revenue shortfalls.

An additional \$22.5 million will be used to satisfy the statutory requirement that 10 percent of year-end surpluses and uncommitted balances be appropriated to the Water Quality Improvement Fund in FY 2019.

Finally, after a number of technical amendments are made to reconcile the Comptroller's year-end balance with amounts already captured in the approved budget, and to remove NGF's that are reported as GF resources due to Governmental Accounting Standards Board requirements, the net balance change totals \$654.7 million.

## Judicial

- **Judicial Department Reversion Clearing Account**
  - *Criminal Fund Balance Reversion.* Reverts \$1.5 million in FY 2017 Criminal Fund balances to the general fund.

## Agriculture and Forestry

- **Department of Agriculture and Consumer Services**
  - *Wine Promotion Fund.* Provides an additional \$256,198 GF in the current year of funds deposited to the Virginia Wine Promotion Fund from the dedicated sales taxes generated by the wine liter taxes attributable to the sale of Virginia wine, bringing total deposits to \$2.3 million.

## Commerce and Trade

- **Economic Development Incentive Payments**
  - *Pulp, Paper, and Fertilizer Advanced Manufacturing Performance Grant Fund.* Eliminates the \$2.0 million GF deposit to the Pulp, Paper, and Fertilizer Advanced Manufacturing Grant Fund for Tranlin based on updated investment and job creation totals.

## Public Education

The adopted budget for Direct Aid to Public Education decreases the general fund amount by a net of \$67.1 million while increasing nongeneral funds by \$61.7 million in FY 2018, primarily reflecting additional Lottery Proceeds and savings from lower than projected enrollments.

- **Direct Aid to Public Education**

*GF Increases*

- Adds \$1.6 million GF increase for the actual English as a Second Language student membership count.
- Adds \$1.1 million GF to restore FY 2018 funds as a result of a FY 2017 shortfall. In FY 2017, an administrative adjustment was processed to transfer funds from FY 2018 to FY 2017 to avoid a proration of payments to school divisions.
  - Note that the Department of Planning and Budget (DPB) did report that DOE received a discretionary carryforward balance of \$271,300 GF that could be earmarked to offset a portion of the administrative adjustment.
- Increases funding by a net of \$728,263 GF that is based on the latest sales tax revenue projection, which increased the estimated forecast by \$1.7 million, and the corresponding decrease of \$929,938 in Basic Aid funding to offset the state’s share of about 55 percent of the savings.
- Adds \$442,039 GF to reflect an update to the K-3 Class Size Reduction Program for the inclusion of two additional schools.
- Adds a net amount of \$384,476 GF to adjust for an update to the erroneous source data that the City of Charlottesville used to calculate the city's 2016-2018 biennium composite index of local ability-to-pay.
  - A similar data error that would have resulted in a reduction of \$883,331 GF in funding for Roanoke County was also discovered. However, the budget includes a new language provision for a “holding harmless” exception and did not reflect the correction and adjustment to Roanoke County’s funding for the error.
- Adds \$285,000 GF, offset by a like amount of NGF decrease that is based on a projected reduction in Department of Motor Vehicle revenues available to fund the portion of Basic Aid that supports the costs for driver education courses offered in some high schools.
- Adds \$229,992 GF for the traditional school breakfast incentive payments based on the actual number of meals served during the 2016-2017 school year, for a revised total of \$5.7 million in FY 2018.

## *GF Decreases*

- Adjusts funding to reflect an increase of \$52.0 million in the revised forecast estimate of Lottery Proceeds for FY 2018 plus another \$10.0 million based on year-to-date performance, and the general fund revenue is offset by a like amount.
  - The additional \$52.0 million in lottery revenues is generated from revising the Lottery Proceeds Fund estimated forecast up by an additional \$40.2 million. In addition, the adopted budget increased expected Nongeneral Funds by another \$10.0 million based on year-to-date performance. The remaining \$11.8 million is attributed to unallocated lottery revenues collected in FY 2017 and carried forward into FY 2018.
- Captures \$5.0 million GF based on a projected decrease of 1,099 students compared to the projected 1,248,936 ADM reflected in Chapter 836 due to the updates for the actual March 31, 2017, ADM and fall membership counts for September 30, 2017. The revised projected FY 2018 ADM is estimated to be 4,737 students higher than the actual ADM reported for March 31, 2017, an increase of 0.38 percent over the prior year.
- Also captures: net of \$2.0 million GF to reflect actual enrollment in Remedial Summer School; \$1.1 million from Categorical accounts, primarily from special education homebound, a decrease of \$209,479, and state-operated programs, a decrease of \$881,727; \$1.0 million GF across nine Lottery-funded accounts; \$457,500 based on the actual number of national board certified teachers; \$99,291 GF from unspent balance in Foster Care payments; a net \$59,902 from Governor’s Schools update; \$51,336 GF to reflect a decrease in student enrollment for Governor’s Schools; \$50,000 GF unspent balance in the planning grant allocation within the Targeted Extended School Year Grant program; and \$30,000 GF unspent balance in the STEM Competition Team Grants.

## Finance

- **Department of Accounts Transfer Payments**
  - *Distribution of Rolling Stock Taxes to Localities.* Decreases the appropriation for the distribution of payments to localities for rolling stock taxes by \$570,000 GF.
  - *Adjust Funding for the TVA Payments in Lieu of Taxes.* Reduces by \$100,000 GF the distribution to the Tennessee Valley Authority (TVA) for payments in lieu of taxes to reflect current revenue projections.

- **Treasury Board**
  - *Debt Management Savings.* Captures net debt service savings of approximately \$24.3 million GF related to the refunding of General Obligation, Virginia Public Building Authority, and Virginia College Building Authority Bonds.

<b>Debt Service Savings</b> (GF in \$ millions)			
<u>Debt Type</u>	<u>FY 2018 Ch. 836</u>	<u>Caboose Ch. 1</u>	<u>\$ Change (Amended)</u>
General Obligation Bonds	\$70.2	\$ 70.2	\$ 0.0
Public Building Authority Bonds	287.3	279.9	(7.3)
College Building Authority Bonds	450.9	433.9	<u>(17.0)</u>
<b>Total Debt Service Savings (projected)</b>			<b>(\$24.3)</b>

## Health and Human Resources

- **Children’s Services Act (formerly Comprehensive Services for At-Risk Youth and Families)**
  - *Adjust Funding for Children’s Services Act (CSA).* Reduces \$1.4 million GF in FY 2018 to reflect the latest forecast of expenditures for the CSA program. Overall, the program continues to grow based on caseload and the cost of services for those cases. Factoring in this minor adjustment to program spending, expenditures are still projected to increase by 6.7 percent in FY 2018. Expenditure growth in FY 2017 was 5 percent.
- **Department of Medical Assistance Services (DMAS)**

*Forecast Changes*

  - *Medicaid Utilization and Inflation.* Adds \$86.7 million GF and \$198.3 million NGF in FY 2018 to fund increases in enrollment and medical costs for the Medicaid

program. Medicaid spending is expected to increase by 7.8 percent in FY 2018, well above the 4.1 percent growth projected in the November 2016 Official Medicaid Forecast. Spending growth in the program is largely due to enrollment and increased supplemental payments to hospitals (approximately \$180.0 million). Medicaid enrollment grew 2 percent in FY 2017 and so far in FY 2018 is up 2.7 percent.

- ***Adjust Appropriation for the Virginia Health Care Fund.*** Reduces the general fund appropriation by \$40.7 million GF and increases the nongeneral fund appropriation by \$40.7 million the second year to reflect changes in revenues to the Virginia Health Care Fund. Revenues from the Fund are used as a portion of the state's match for the Medicaid program; therefore, higher revenues result in a reduction of the general fund appropriation needed to maintain currently-funded Medicaid services. Conversely, lower revenues require additional general fund support. Total nongeneral fund revenues in the fund are expected to increase in FY 2018.

Virginia Health Care Fund revenues are derived from tobacco taxes, Medicaid recoveries and revenue maximization initiatives, and a portion of the Master Tobacco Settlement Agreement (41.5 percent of tobacco settlement revenues). Changes to the revenues available to the fund include:

- An increase of \$7.0 million in Medicaid recoveries,
- An increase of \$14.8 million in expected pharmacy rebates,
- An increase of \$28.1 million to reflect the cash balance carried over from FY 2017,
- A decrease of \$9.2 million projected reductions in tax collections from cigarettes and other tobacco products.

- ***Family Access to Medical Insurance Security (FAMIS) Utilization and Inflation.*** Increases spending by \$2.7 million GF and \$19.9 million NGF from federal matching funds in FY 2018 to reflect the forecast of expenditures for the FAMIS program. The higher forecast is mainly due to increasing caseload and managed care rate changes. FAMIS enrollment of children increased by 4.9 percent in FY 2017 and through December 1, 2017, average monthly enrollment for FY 2018 is up 8.6 percent for children. The federal match rate for FAMIS increased from 65 percent to 88 percent beginning October 1, 2015. The FAMIS program serves pregnant women and children under the age of 19 in families with income between 133 and 200 percent of poverty.

- ***Medicaid Children's Health Insurance Program (CHIP) Utilization and Inflation.*** The adopted budget adds \$654,928 GF and \$4.8 million NGF in FY 2018 to reflect

the forecast of expenditures in the Medicaid CHIP program. As with the FAMIS program, the growth is mainly due to increasing enrollment in the number of children served by the program and managed care rate changes. Enrollment in the Medicaid CHIP program increased by 5.3 percent in FY 2017 and through December 1, 2017, average monthly enrollment for FY 2018 is up 11.7 percent. The federal match rate for FAMIS increased from 65 percent to 88 percent beginning October 1, 2015. The Medicaid CHIP program provides services for Medicaid-eligible low-income children, aged 6 – 18, living in families with incomes between 100 and 133 percent of the federal poverty level.

- ***Adjust Funding for Involuntary Mental Commitments.*** Provides \$2.2 million GF in FY 2018 to fund expected expenditure growth in the program as a result of higher caseloads for hospital and physician services related to involuntary mental health commitment hearings. Legislation adopted by the 2014 General Assembly related to the duration of emergency custody and temporary detention orders have resulted in higher than anticipated additional costs for these medical services.

#### ***Other Amendments***

- ***Medicaid Transformation.*** The adopted budget adds language to provide authority for the Department of Medical Assistance Services (DMAS) to seek approval from the Centers for Medicare and Medicaid (CMS) to enhance Medicaid coverage to serve low income individuals with incomes up to 138 percent of the federal poverty level pursuant to the federal Patient Protection and Affordable Care Act (ACA), effective by January 1, 2019. Language creates a “dual track” for Medicaid transformation and key reforms by authorizing DMAS to seek federal approval for a State Plan amendment, while simultaneously seeking approval for a section 1115 Medicaid demonstration waiver to incorporate innovative reforms to promote health and well-being, personal responsibility, and fiscal sustainability.

Language detailed below provides the framework for coverage of newly eligible adults, the health care delivery system, the benefit package, cost sharing, health and wellness accounts, and requirements for able-bodied adults ages 18 to 65 to participate in the Training, Education, Employment and Opportunity Program (TEEOP).

- **Coverage:** Implements the ACA expansion by covering all adults up to 138% of the federal poverty level; estimated at 300,000 individuals.
- **Delivery System:** All newly eligible will be enrolled in private Medicaid managed care plans or employer sponsored plans, if cost effective.

- **Benefit Package:** Basic plan covers all ACA essential health benefits and current Medicaid covered mental health and addiction recovery and treatment services. The agency is authorized to develop supportive employment and supportive housing services for high risk individuals, which may be available at a future date.
- **Premiums:** Requires newly eligible adults with incomes between 100 and 138 percent of poverty to pay monthly premiums.
  - Premiums set on a sliding scale not to exceed two percent of income, nor less than \$1 per month.
  - Failure to pay premiums results in a “lock-out” period and allows for recovery of payments owed through debt set-of collection; however, there are provisions for a grace period prior to suspending participation in the program.
- **Coverage Effective Date:** Coverage is effective the first of the month following receipt of the premiums payment (limits retroactive eligibility).
- **Copayments:** Individuals with incomes up to 100 percent of poverty would be subject to existing Medicaid cost sharing requirements. Individuals with incomes between 100 and 138 percent of poverty would be subject to copayments to promote healthy behaviors and to encourage personal responsibility, such as the appropriate use of emergency room services.
- **Health and Wellness Accounts:** All premiums will be deposited to a health and wellness account to be used to fund health insurance premiums and cover out-of-pocket expenses for any deductible amounts.
- **Training, Education, and Employment Requirement:** Requires able-bodied adults ages 18 to 65 to participate in the Training, Education, Employment and Opportunity Program (TEEOP).
  - Exceptions to the requirement: (i) children under age 18 or under age 19 who are participating in secondary education; (ii) individuals age 65 years and older; (iii) individuals who qualify for Medicaid due to blindness or disability or who qualify for Medicaid home and community-based services; (iv) individuals residing in institutions; (v) medically frail individuals; (vi) individual with serious mental illness; (vii) pregnant and postpartum women; (viii) former foster children under the age of 26; (ix) individuals who are the primary caregiver of a dependent, including a dependent child or adult with a disability; and (x) individuals who already meet the work

- requirements of the Temporary Assistance to Needy Families (TANF) program or the Supplemental Nutrition and Assistance Program (SNAP).
- Required participation escalates from 20 to 80 hours per month after an initial three-month grace period from enrollment, with a lock-out period if individual fails to comply any 3 months out of a 12-month period from the time of enrollment. However, if an individual comes into compliance, he may re-enroll during this period.
  - Participation in the following activities: (i) job skills training; (ii) job search activities; (iii) education related to employment; (iv) general education, including participation in a program of preparation for the GED certification examination or community college courses leading to industry certifications or a STEM-H related degree or credential; (v) vocational education and training; (vi) subsidized or unsubsidized employment; (vii) community work experience, community service or public service that can reasonably improve work readiness; or (viii) caregiving services for a non-dependent relative or other person with a chronic, disabling health condition.
  - Waiver of the work requirement in areas of high unemployment as compared to the statewide average (150 percent of the statewide unemployment rate).
- ***Disenrollment Provision if Federal Funding is Reduced.*** Includes language directing the disenrollment of the expansion population if the federal government reduces their support of the overall Medicaid program.
  - ***Fund Administrative Costs Associated with Medicaid Expansion.*** The adopted budget provides \$4.1 million GF and \$4.6 million in matching federal Medicaid funds in FY 2018 for administrative costs related to the transformation of the Medicaid program to include coverage for individuals with income up to 138 percent of the federal poverty level pursuant to the Patient Protection and Affordable Care Act. Funding will provide for contractual costs such as actuarial services and staff to carry out activities that must take place prior to the date the program expansion takes place. Of this amount \$3.5 million GF and \$3.5 million NGF the second year is provided to contract for services to assist in the development and implementation of a Medicaid waiver application and related activities designed to prepare the agency for federal approval to serve newly eligible individuals. Language requires the agency to ensure vendors have prior experience in designing or assisting in the development and implementation of similar

activities and allows for the agency to carryover the funds into fiscal year 2019 for such purpose.

- ***Fund Mailings Related to the Launch of the New Medallion 4.0 Managed Care Program.*** Adds \$500,000 GF and \$500,000 in federal Medicaid matching funds in FY 2018 to fund mailings to Medicaid enrollees related to the start of the new Medallion 4.0 managed care program that will begin August 1, 2018. The programmatic changes as part of this new program will require an estimated six notices to be mailed to over 740,000 enrollees.
- ***Use Civil Money Penalty Funds to Improve Patient Care in Nursing Facilities.*** Adds \$700,000 NGF in FY 2018 to support quality improvement initiatives at nursing facilities. Civil Money penalties are collected from nursing facilities that are found out of compliance of federal standards. These funds provide an emergency source of funds in cases of sudden nursing facility closures when resources are necessary to relocated residents. The proposed funding uses only a portion of the revenue collected.
- ***Reduce Disproportionate Share Hospital Payments for Nonparticipating Hospitals.*** Captures \$136,425 in savings to the general fund and a like amount of matching federal Medicaid funds in fiscal year 2018 in Medicaid Disproportionate Share Hospital (DSH) payments because an out of state hospital has chosen not to participate in the program. The adopted budget adds language to clarify that these amounts will not be reallocated to other DSH-eligible hospitals in fiscal year 2018.

- **Department of Behavioral Health and Developmental Services**

- ***Fund Increasing Caseload for Part C Early Intervention Services.*** The adopted budget provides \$881,716 GF in FY 2018 to cover the costs of the increasing caseload for the program. The program has been growing on average by 5 percent a year over the past six years. The program provides early intervention services to children from birth to 2 years old with a developmental delay or at-risk of a developmental delay. This program is part of the federal Individuals with Disabilities Education Act.
- ***Fund Temporary Beds for Sexually Violent Predators with Significant Medical Needs.*** Adds \$213,847 GF and 20 positions the second year to staff and operate 22 temporary beds for VCBR residents with significant medical needs. The temporary beds will be located at Piedmont Geriatric Hospital. The census at the VCBR is projected to be over capacity in 2018. Funds, staff and residents will be transferred back to the VCBR once the planned expansion is complete in FY 2021.

- **Department of Social Services**

- ***Fund Projected Information Technology Costs.*** The adopted budget adds \$4.2 million GF and \$4.2 million NGF the second year for projected information systems operating costs through VITA and other systems costs related to the transition from the UNISYS system to the Virginia Case Management System. The agency is experiencing system redundancy costs as it terminates use of the UNISYS mainframe, which was not accounted for in VITA base budget adjustments that were proposed in Central Accounts.
- ***Backfill Loss of Nongeneral Fund Revenues for Child Support Enforcement Operations.*** Provides an addition of \$3.0 million GF and reduces \$3.5 million NGF the second year for child support enforcement operations. Nongeneral fund revenues come from allowable retained child support collections on behalf of TANF recipients. Federal law allows the program to retain any child support payments in excess of \$50 each month for operating costs if the family receives TANF assistance in addition to child support.

As the TANF caseload continues to decrease, the amount of child support collected on the families' behalf also declines. TANF collections declined by about 10 percent in FY 2017 and are estimated to decline by an additional 6 percent in FY 2018. These retained collections are used to provide the state match for federal child support enforcement funding, which are available at a two-to-one federal-to-state match rate. This action assumes that the Division of Child Support Enforcement will continue hold about 10 percent of its positions vacant as part of its efforts to increase efficiency.

- ***Foster Care and Adoption Forecast.*** Provides \$2.2 million GF and \$4.1 million NGF in FY 2018 for forecast changes to the foster care and adoption subsidy programs. Adoption subsidies are projected to increase by \$1.9 million GF and \$3.9 million in federal Title IV-E funds, however the general fund increase is offset by the projected decline in state adoption subsidies. Title IV-E foster care expenditures are expected to increase by \$2.2 million GF and \$2.2 million NGF.
- ***Fund Increase in TANF Unemployed Parents Program.*** Provides \$796,839 GF in FY 2018 to fund the forecast of costs in the unemployed parents' cash assistance program.
- ***Fund Rent Increases for Regional Offices.*** Adds funding of \$331,919 GF and \$417,041 NGF the second year to support increases in rent for regional offices whose leases are set to expire.

- ***Adjust Appropriation for Local Staff and Operations.*** Increases nongeneral funds by \$27.0 million in FY 2018 to reflect a projected increase in federal appropriations for local DSS staff and operations. Federal funding is provided based on an agreed upon cost allocation formula which captures workload of local staff for programs which have shared federal and state funding responsibility.
- ***Adjust Appropriation for Supplemental Nutrition Assistance Program (SNAP) Employment and Training Pilot Grant.*** Reduces nongeneral funds by \$3.9 million the second year for a SNAP employment and training pilot program. The purpose of this pilot program was to increase the number for SNAP recipients that obtain employment and increase the income of those employed with the ultimate goal of reducing reliance on SNAP benefits. The 3-year pilot program will be completed by December 31, 2018, and federal funding amounts will need to be adjusted downwards to reflect program spending.
- ***Add Federal Child Care And Development Fund (CCDF) Funds for Child Care Subsidies and Improvements.*** Adds \$1.1 million NGF in FY 2018 from the federal CCDF awarded to the agency for child care subsidies and child care quality improvement activities. Out of this funding, \$500,000 NGF will be used in underserved areas to increase the number of subsidies. The remaining funding will be used to address increased need for quality rating system (QRS) services to providers who are now required to participate in the QRS due to new federal program standards for the Head Start program.
- ***Increase Appropriation for Virginia Birth Father Registry Program.*** Provides an increase of \$100,000 NGF each year from the Virginia Birth Father Registry Program for increased marketing about the registry. The program was created by the 2006 General Assembly to allow putative fathers to register with the Commonwealth and entitles them to notice if a child is conceived and placed for adoption.
- ***Capture Surplus in Funding from the Auxiliary Grant Program.*** Reduces \$1.8 million GF the second year for the Auxiliary Grant program. Fewer individuals are expected to participate in the program. Expenditures in the program have declined steadily in recent years. Language is also added to capture an expected balance of \$250,000 GF in the program as of June 30, 2018.
- ***Capture Balance from Adoption Subsidy Payments.*** Adds language to capture an expected balance of \$490,000 GF in adoption subsidy payments as of June 30, 2018.
- ***Adjust TANF Funding to Account for Providing Mandated Benefits.*** Reduces nongeneral fund spending in the TANF program for mandated benefits by \$20.5 million due to the continued decline in the TANF caseload. The following table details the changes from Chapter 836.

## Natural Resources

- **Department of Game and Inland Fisheries**
  - *Increase Transfer of Watercraft Sales Taxes.* Decreases the transfer of watercraft sales tax revenues to the department by \$1,600,000. The amendment also corrects an embedded number in the budget to accurately reflect the transfers to DGIF which had been overstated by \$650,000.
- **Department of Marine Resources**
  - *Adjust Funding for Tangier Island Seawall.* Reduces the appropriation required to match federal Army Corps of Engineers grants for the Tangier Island seawall project from \$226,000 to \$50,000 to reflect available federal funding and shifts in the project schedule.

## Public Safety and Homeland Security

- **Department of Alcoholic Beverage Control**
  - *Estimated Net Profit Transfers.* Includes language in Part 3 to increase the FY 2018 net profit transfer by \$1.1 million over the amount assumed in Chapter 836 of the 2017 Acts of Assembly.
- **Department of Corrections**
  - *Medical Costs.* Provides an additional \$5.0 million GF in FY 2018 for increased inmate medical costs.
- **Department of Forensic Science**
  - *Overtime for Controlled Substances and Biology Scientists.* Includes \$125,000 GF in FY 2018 for the costs of mandatory overtime in the controlled substances and biology sections to address case backlogs in those sections. A companion amendment in Chapter 2 includes \$1.2 million for the biennium to increase staffing in the controlled substances section to address the section's backlog.

## Technology

- **Virginia Information Technologies Agency**
  - *Virginia Enterprise Applications Program.* Provides \$2.25 million GF to repay a working capital advance owed for costs incurred by the Virginia Enterprise Applications Program. The contract supporting the repayment ended before the working capital advance was fully repaid.
  - *Information Technology Shared Security Service Center.* Adjusts the Shared Security Center appropriation increasing the amount by \$722,000 NGF as a result of additional agencies signing up for the agency-provided service.

## Transportation

- **Department of Motor Vehicles**
  - *Increase Appropriation and Staffing Levels for Real ID Compliance Activities.* Increases the nongeneral fund appropriation to the department by \$1.5 million and authorizes an increase of 15.00 FTE positions to allow the agency to begin issuing federally compliant driver's licenses beginning October 1, 2018. Companion action in Part 3 of the caboose bill provides DMV a line of credit of \$10.5 million which is anticipated to be repaid by a one-time additional charge of \$10.00 for each federally-compliant credential issued. Additional language is included requiring the Secretaries of Finance and Transportation provide 10-days' notice to the Chairmen of the House Appropriations and Senate Finance committees prior to any draw-down of the line of credit.
  - *Access to Regional Motor Fuels Tax Data.* Includes language authorizing the Commissioner of Motor Vehicles to provide confidential fuels tax information, including prices and volume, to the executive directors of the regional transportation commissions located in Northern Virginia and Hampton Roads in order to facilitate compliance with collection of motor fuels taxes in the respective member jurisdictions. Companion language is also included in Chapter 2.
- **Department of Transportation**
  - *Toll Proceeds in Hampton Roads.* Includes language directing the Department of Transportation to dedicate any toll revenues, bond proceeds, or concession payments derived from the expansion of Hampton Roads express lanes towards

reducing the contributions of the Hampton Roads Transportation Accountability Commission for the construction of interstate capacity expansion projects within the Interstate 64 corridor between the interchange with Interstate 664 to the east and Interstate 564 to the west. Companion language is also included in Chapter 2.

- ***Allocation of Maintenance Payments to Localities.*** Directs the Commonwealth Transportation Board to increase the FY 2018 allocation of payments to Henrico County by \$363,706 and clarifies the legislative intent when calculating annual rates of payment for counties that have elected to withdraw from the secondary highway system. Companion language is also included in Chapter 2.
- ***Align Appropriations with Revenue Forecast.*** Provides an additional \$359.5 million NGF in the current year to align expenditures with the revised revenue forecast approved by the Commonwealth Transportation Board. The major appropriation changes are additional allocations to highway construction totaling \$355.9 million and increases in funding for toll facilities of \$22.1 million. These are offset by debt service savings of \$21.5 million.

# Central Appropriations

- **Central Appropriations**

- ***Provide Funding for Revenue Cash Reserve.*** Adds \$121.4 million GF to the Revenue Cash Reserve, bringing the FY18 amount to \$156.4 million. Included within the deposit is approximately \$42.2 million in one-time revenue resulting from the 2017 Tax Amnesty program. A companion action in Chapter 2 provides an additional \$91.0 million over the biennium.
- ***Provide Appropriation for the Slavery and Freedom Heritage Project.*** Provides \$1.2 million GF for expected project expenditures for the City of Richmond to develop the Slavery and Freedom Heritage site, and make improvements to Lumpkin’s Pavilion and the Slave Trail. Language is also modified in the item to direct the re-appropriation of unexpended general fund balances, as of June 30, 2018, that were appropriated for the purpose of supporting the City of Richmond in the development of the Slavery and Freedom Heritage site. Previously, those unexpended general fund amounts reverted to the general fund.
- ***Line of Duty Act Cost Adjustment.*** Reduces appropriation by \$198,774 GF to reflect the adjustment of funding provided to state agencies for the actual premiums charged for the line of duty act program. This amount reflects a savings from the line of duty act premiums provided by the Virginia Retirement System.
- ***Adjust Funding for Agency Information Technology Costs.*** Reduces by \$4.7 million the general fund share of cost for information technology and telecommunications usage by state agencies. The reduction is based on current agency utilization estimates provided by the Virginia Information Technologies Agency for 2018.
- ***Commonwealth Center for Advanced Manufacturing Operating Costs and Business Plan.*** Provides \$500,000 GF the second year for costs related to rent and operations. Language prohibits the use of funding for any compensation actions and requires that the Board and Executive Director submit to the chairmen of the House Appropriations and Senate Finance Committees, a business plan for the Center’s operations. Language also prohibits the issuance of bonds for the Center, prior to submission of a business plan.
- ***Additional Staff for Tax Audit Initiative.*** Provides \$176,688 GF the second year to hire 12 additional audit staff for a tax audit initiative. A companion action in Chapter 2 provides funding for the positions in each year of the biennium, and assumes general fund revenues of approximately \$14.6 million in each year related to the audit initiative.

- *Legislative Agency Balances (Language)*. Directs the Joint Rules Committee to authorize the reversion of \$526,952 in legislative agency balances to the general fund, which reflects savings generated by the agencies.
- *State Corporation Commission Year-End Balance Reversion (Language)*. Directs the Director of Planning and Budget to authorize the reversion of \$146,890 to the general fund, from the agency’s unexpended balances.

## Independent

- **State Corporation Commission**

- *Increase Staff to Address Regulatory Workload*. Adds \$242,807 NGF and 6.00 FTEs to address an increase in the agency’s regulatory workload. Of the six positions, four are provided for the Utility and Railroad Safety Division, one is provided for the Securities and Retail Franchising Division, and one is provided for the Bureau of Insurance.
- *Increase Funding for Performance Based Pay Plans*. Includes funding of \$1.7 million NGF to support compensation assessment recommendations. Pursuant to Item 475 of the Appropriation Act, the Commissioner of the State Corporation Commission has the authority to utilize centrally appropriated salary adjustment funding, or existing agency funding, to implement the provisions of new or existing performance-based pay plans. The adopted funding of \$1.7 million reflects appropriation to effectuate the 3 percent raise to state employees provided in Chapter 836 of the 2017 Acts of Assembly that was effective July 10, 2017.
- *Increase Funding for the Clerk’s Information System (CIS)*. Provides an additional \$1.5 million NGF for the Clerk’s Information System replacement project. Bringing the total funding available for the project in FY 2018 to \$4.5 million NGF.
- *Provide Funding for Information Technology Security Enhancements*. Includes \$1.5 million NGF in one-time funding to implement information technology and security features in accordance with the Commonwealth Information Security Standard, and to address findings included in the Auditor of Public Account’s 2016 report.
- *Enhance Bureau of Insurance’s Consumer Portal*. Authorizes \$1.0 million NGF to enhance the agency’s consumer portal, which allows for the electronic receipt and transmission of confidential consumer complaint documents, as well as enhance electronic payment functionality for consumers.

- **Virginia Retirement System**
  - *Implement Final Modernization Program Releases.* Provides \$1.8 million NGF to fund the implementation costs of the final three releases of the Modernization Program, which is expected to be completed in FY 2019. Funding of \$5.5 million NGF the first year is also included for program finalization. VRS expects total expenditures for the Program to total \$61.9 million through its completion in FY 2019.

**Part 4: General Provisions**

- **§ 4-6.01 Employee Compensation**
  - *Modifies Salaries in the Salary Table for Cabinet Level Appointees of the Governor.* Language is also included to allow incumbent appointees who are reappointed to earn a salary as high as his or her prior salary, notwithstanding the position salary amounts specified in Part 4.

# Overview of the 2018-20 Biennial Budget Chapter 2, 2018 Special Session I

The adopted budget for 2018-20 provides a net increase of \$1,924.0 million GF in the operating budget above the current base budget, plus \$0.1 million in cash funding for capital outlay. \$42,635.5 million in GF resources are available for appropriation. The adopted budget assumes an unappropriated balance of \$2.1 million.

## Revenues

The adopted 2018-20 budget includes \$42.6 billion in general fund resources available for appropriation. The budget, as adopted, includes \$212.4 million as a projected unspent balance at the end of the 2016-18 biennium, resulting primarily from the revised revenue forecast for FY 2018, as well as unexpended general fund appropriations and other balances from FY 2017.

The 2018-20 general fund revenue forecast assumes growth rates of 4.4 percent in FY 2019 and 4 percent in FY 2020, after taking into account the impacts of enacted legislation, tax compliance initiatives, and higher than expected tax collections. Changes include a reduction of \$3.3 million based on conformity with federal tax policy changes; an assumed increase of \$29.2 million from a planned expansion of tax audits; and, an increase of \$26.2 million from continuing limits on the Historic Rehabilitation Tax Credit and the Land Preservation Tax Credit. The forecast also includes an increase in net collections of \$60.0 million each year to reflect higher than expected collections, primarily in individual income tax withholding.

### **Spending Increases**

Major general fund spending initiatives in the 2018-20 biennial budget include:

- \$533.8 million GF to address the increased cost of Medicaid utilization and inflation;
- \$481.0 million GF for the cost of updating the state’s share of rebenchmarking the Standards of Quality for public schools;
- \$91.0 million GF for additional appropriation to the Revenue Cash Reserve established in Chapter 836 of the 2017 Acts of Assembly;
- \$118.2 million GF for the employer share of the state employee health insurance plan premium increases; and
- \$131.5 million GF for the state’s share of a 3 percent salary increase for teachers and support staff, and \$124.3 million for a 2 percent FY 2020 increase for state employees, faculty, and state-supported local employees as well as 2 percent for merit increases (state employees).

### **Budget Savings**

Major general fund savings include \$371.0 million from expansion of Medicaid, and \$47.9 million from capturing savings in Pre-K due to nonparticipation in the program, and \$27.6 million resulting from the closure of two Training Centers.

**Executive Offices.** The adopted budget for Executive Offices increases by a net \$3.4 million GF, and a net \$9.0 million NGF over the biennium. Of the total general fund increases, \$403,000 each year is to increase base operating appropriation in the Consumer Protection Section in-lieu-of nongeneral fund appropriation. In addition, \$280,000 is provided to fill the position of Special Assistant to the Governor for Coastal Adaptation and Protection, pursuant to Chapters 722 and 723 of the 2018 Acts of Assembly (HB345/SB265).

Of the total nongeneral fund increases, \$2.7 million the first year and \$3.0 million the second year in appropriation is for indirect cost recoveries, federal funds, and federal pass-through funds to execute associated programs.

**Administration.** The adopted budget for Administration results in a net increase of \$47.3 million GF for the biennium, compared to the base budget. The nongeneral fund appropriations to the Administration agencies are adjusted by over \$2.1 billion over the biennium, primarily driven by transferring appropriation and establishing the operational purpose and authority for the Virginia Information Technologies Agency (VITA) as an agency under the Administration Secretariat, due to the elimination of the Technology Secretariat. A portion of funding and administrative oversight responsibility for the state's information technology infrastructure was also transferred to the Commerce and Trade Secretariat.

In addition, \$1.0 billion in nongeneral fund appropriation over the biennium is provided, which is related to an optional statewide pooled health insurance program for employees of political subdivisions, pursuant to Chapter 512 of the 2016 Acts of Assembly. However, sufficient local participation in the program was not achieved, resulting in abandonment of the program,

and therefore the appropriation included in the adopted budget related to the program is not required. It is assumed that the appropriation will be properly adjusted administratively.

Additional general fund spending includes \$5.2 million and 12.00 FTEs each year in the Department of Elections to continue activities that were previously supported by Help America Vote Act (HAVA) federal grant funding, which was fully depleted in FY 2018.

***Agriculture and Forestry.*** The adopted general fund budget for the Agriculture and Forestry secretariat include net increases totaling \$5.7 million GF for the biennium. Increases include \$0.2 million GF each year for the expansion of the Industrial Hemp Research Program, \$0.1 million GF each year to the Beehive Grant Fund, and \$0.2 million the first year for enhancing nursery capacity at the Department of Forestry. Budget language authorizes the Virginia Racing Commission to regulate wagering on pre-recorded horse racing. Additional language amendments direct an assessment of funding options for the food safety and restaurant inspection programs and authorize the sale of the Eastern Shore Produce Market

***Commerce and Trade.*** The adopted FY 2018-20 budget includes a net increase of \$44.6 million GF over the biennium compared to the base budget. New general fund spending items include an increase of \$15.0 million GF over the biennium to fund grants through GO Virginia; \$7.5 million GF for the Virginia Economic Development Partnership to establish a customized workforce recruitment and training incentive program; and \$5.4 million GF to increase economic development marketing and site development activities. The budget also provides additional general fund spending of \$1.3 million in administrative support for GO Virginia, and transfers the Innovation and Entrepreneurship Investment Authority from the Technology secretariat to Commerce and Trade. In addition, the budget quadruples general fund support for broadband in the Department of Housing and Community Development from \$1.0 million GF to \$4.0 million GF each year.

New spending is partially offset by net reductions in the economic development incentives payments holding account of \$2.8 million GF the first year and \$8.4 million GF the second year. The budget includes decreases in deposits to grant funds for the Tranlin project in Chesterfield, the Rolls-Royce facility in Prince George County, the Advanced Shipbuilding Production Facility Grant Program, and the Virginia Jobs Investment Program.

***Public Education.*** The adopted FY 2018-20 general fund budget for Direct Aid to Public Education totals \$12.7 billion. This is a net increase of \$243.1 million GF in FY 2019 and \$421.3 million GF in FY 2020 when compared to FY 2018 in Chapter 836.

The adopted budget reflects biennial rebenchmarking of Direct Aid net costs of \$481.0 million GF. Rebenchmarking reflects updated salary and other cost data as of FY 2016; a projected additional 8,837 students, above the projections in Chapter 836, to 1,257,773 students by FY 2020, which represents an enrollment increase of 0.7 percent over two years; and updated Composite Index of Local Ability-to-Pay calculations (Tax Year 2015). The adopted budget also reflects projected increases in Sales Tax revenue and Lottery Proceeds for a revised grand total of \$2.9

billion and \$1.2 billion, respectively, over the biennium. The adopted budget adds \$80.0 million GF to backfill Literary Fund revenue that had previously been used to pay teacher retirement contribution costs. In addition, Virginia Preschool Initiative non-participation savings of \$47.9 million is reflected, based on the same 25.43 percent non-participation rate used in Chapter 836 for FY 2018.

The adopted budget reflects several policy changes including: 1) \$132.0 million GF in FY 2020 for the state's share of a 3 percent teacher and support staff salary increase; 2) \$91.5 million to increase the Supplemental Lottery Per Pupil Allocation to 40 percent of Lottery Proceeds; 3) \$7.1 million GF to increase the At-Risk Add-On funding increment from 1 to 13 percent instead to 1 to 14 percent; 4) \$6.1 million GF in FY 2019 for Small School Division Enrollment Loss funding; 5) \$4.6 million GF to increase the Virginia Preschool Initiative (VPI) per pupil amount plus \$4.6 million GF to support credentials of provisionally-licensed VPI teachers and several other items related to early childhood education; and 6) other individual actions totaling fewer than \$1.5 million each.

**Higher Education.** The budget provides about \$120.6 million GF of new initiative funding for the biennium for colleges and universities and other higher education entities and centers. Over the biennium, about \$28.4 million is included for degree production; \$5.7 million to support base operations; \$4.4 million for operations and maintenance funding for new facilities; \$29.3 million for undergraduate need-based aid; \$4.3 million for technology infrastructure and enhancements; and \$20.0 million for a new research initiative called Cyber-X with Virginia Tech serving as the lead institution.

In addition, the budget includes \$4.0 million GF over the biennium for the New Economy Workforce Credential Grant and another \$1.8 million in other workforce initiatives. Lastly, interest earnings and credit card rebates (incentives provided to higher education institutions for meeting performance measures under restructuring) have been restored at \$13.1 million over the biennium as appropriated under Central Appropriations.

**Finance.** Approved general fund amendments for the Finance Secretariat result in a net increase of \$145.3 million over the 2018-20 biennium. Significant general fund appropriation increases for the biennium include adding \$45.0 million each year toward a Revenue Cash Reserve. These amounts, combined with a proposed \$121.4 million added in FY 2018 contained within a separate action in Chapter 1 of the 2018 Special Session I Acts of Assembly (HB 5001), bring the total for the Revenue Cash Reserve to \$247.4 million GF. Language also directs 100 percent of fiscal year 2018 surplus revenues, less any necessary, statutory deposits to the Revenue Stabilization Fund and the Water Quality Improvement Fund, to the Revenue Cash Reserve.

**Health and Human Resources.** The adopted budget provides a net increase of \$594.7 million GF and \$4.9 billion NGF for the 2018-20 biennial budget. Spending of nearly \$1.1 billion GF is offset by \$497.7 million GF in proposed reductions. Similar to biennial budgets for HHR in previous years, the majority (53 percent) of proposed general fund increases are driven by

mandatory health and long-term care spending on Medicaid. The unusually high increase in nongeneral funds is primarily due to the expansion of Medicaid coverage to individuals with incomes up to 138 percent of the federal poverty level pursuant to the Patient Protection and Affordable Care Act (ACA) beginning January 1, 2019. In addition, a hospital provider assessment is imposed to generate the state match for expanded Medicaid coverage under the ACA along with an additional assessment to increase Medicaid hospital rates. The expansion of Medicaid along with the hospital provider assessment accounts for about \$3.9 billion, or 78 percent, of the net increase in nongeneral funds over the biennium.

Mandatory general fund spending of \$862.7 million GF (79 percent of new GF spending in HHR) is primarily related to spending for acute and long-term care services provided through Medicaid, increasing caseload of special education private day placements in the Children's Services Act, and funding related to fulfill the U.S. Department of Justice (DOJ) Settlement Agreement. In total, proposed spending on Medicaid requires the addition of \$575.8 million GF for the biennium to pay for health care services for low-income Virginians as well as long-term care costs for the elderly and disabled. The general fund share of the Medicaid forecast is partially offset by \$18.7 million in additional revenue to the Health Care Fund. Overall growth rates in Medicaid are expected to be below the long-term average level over the biennium.

The adopted budget includes \$139.8 million GF in discretionary spending in HHR. Out of this spending, 44 percent is related to increasing community-based behavioral health services, addressing census issues at state behavioral health facilities, and implementation of electronic health records at those facilities. Other expenditures include \$9.9 million to increase rates for agency and consumer directed attendants in the Medicaid program.

New spending in HHR is offset by proposed general fund budget reductions of \$513.5 million GF. About 75 percent of the reductions (\$370.6 million GF) are related to savings due to the expansion of the Medicaid program per the Affordable Care Act, which results in savings in indigent care, community-based behavioral health services, and other savings in publicly funded programs.

**Natural Resources.** The largest general fund increases in the adopted budget for Natural Resources is the appropriation of the statutorily required deposit to the Water Quality Improvement Fund (WQIF) of \$22.5 million and a \$20.0 million GF appropriation in the first year for the Stormwater Local Assistance Fund. Out of the WQIF deposit, \$2.0 million is set aside for the Reserve Fund, and \$19.8 million is designated for the agricultural best management practices and technical assistance through the soil and water conservation districts. Additional deposit to the WQIF of \$2.6 million GF each year are also appropriated. A series of nongeneral fund amendments at the Department of Conservation and Recreation and at the Department of Game and Inland Fisheries are supported by funds associated with two environmental mitigation settlements.

***Public Safety and Homeland Security.*** The adopted budget adds a total of \$208.3 million GF and \$204.7 million NGF for FY 2019-20 in technical and non-technical adjustments for public safety agencies. Major funding items include \$103.3 million NGF for staffing, merchandise, and systems upgrades at the Alcoholic Beverage Control Authority, as well as additional funding for civilian enforcement generated by projected revenues from fee increases. Due to the estimated savings for inpatient medical care resulting from Medicaid Expansion, the Department of Corrections' appropriation for inmate medical costs were reduced by \$38.4 million GF. This reduction is offset by an increase of \$38.3 million GF to account for projected medical increases. The funding also includes \$2.5 million GF for eight new analyst and research positions at the Department of Forensic Science, as well as financing for new testing equipment to address case backlogs in several sections. The Department of State Police is authorized a total of \$8.1 million GF in new funding, which includes an additional special operations team for the Sixth Division, the establishment of an electronic summons system pilot in the Seventh Division, and financing the procurement of two new helicopters.

***Veterans and Defense Affairs.*** The adopted budget includes \$2.1 million NGF and 29.0 positions for veterans care centers to reflect increases in anticipated workloads and Medicaid and Medicare revenues for the Roanoke and Richmond Centers, as well as \$12.3 million NGF and 240.0 positions in FY 2020 to reflect the opening of new veterans care centers in the City of Virginia Beach and Fauquier County. The budget also includes \$542,000 GF and five positions to open new benefits veterans benefits services offices in the City of Virginia Beach and Fairfax County. The budget also includes \$434,000 GF and to create two new positions focused on veteran entrepreneurship and programs for women veterans. Language in the budget extends the encroachment land acquisition program until 2020.

***Technology.*** The adopted budget eliminates the Office of Technology along with the role of the Secretary of Technology. Further action is taken to reassign the two agencies within the abolished Secretariat. The Innovation and Entrepreneurship Investment Authority is transferred to the Office of Commerce and Trade and the Virginia Information Technologies Agency is transferred to the Office of Administration.

***Transportation.*** The adopted 2018-20 budget for transportation includes a biennial increase of \$1,520.0 million NGF and 63.00 FTE positions. Major policy actions include the appropriation of regional transportation revenues to support capital improvements for the Washington Metropolitan Area Transit Authority. A capital outlay authorization of \$320.0 million is provided for the widening and dredging of the Norfolk Harbor and Elizabeth River channels. Additionally, \$20.0 million in debt is authorized for VDOT Capital Outlay needs to free up a like amount of Commonwealth Transportation Fund revenues to undertake design and preliminary engineering work related to the dredging project. At the Department of Motor Vehicles, the vehicle titling fee is increased from \$10 to \$15 which is expected to generate \$13.0 million in annual revenues for the Department. Finally, language authorizes the imposition of a \$10.00 one-time per credential fee for the issuance of federal REAL ID compliant credentials. A

\$20.7 million line of credit is included in Part 3 of the budget to fund the up-front costs of the project and 42.00 FTE positions are authorized to support the associated workload increases.

**Central Appropriations.** Adopted amendments in the Central Accounts result in a net decrease of \$129.9 million GF over the biennium compared to the base appropriations in FY 2018. The primary reasons for the net reduction are technical adjustments and the distribution to the line agencies of funding for salary actions and employee benefit programs provided in FY 2018.

Significant expenditures include the addition of \$118.3 million GF over the biennium to reflect the adjustment in the employers' share of state employee health plan premiums based on projected growth in health care costs, enrollment updates and actual 2017 health insurance expenditures. The rates reflect projected cost increases of approximately 6 percent the first year, and 8.5 percent the second year.

The adopted budget also includes \$173.6 million GF for salary adjustments, including \$124.3 million GF for a second year, full year 2 percent salary increase for state employees and state-supported local employees, effective June 10, 2019 (for the July 1, 2019 paycheck) and July 1, 2019, respectively, as well as an additional 2 percent merit-based salary increase for state employees with three or more years of continuous state service, effective June 10, 2019. Of the \$173.6 million GF, \$49.3 million GF is for several targeted compensation actions for various state employee groups, including select Department of Behavioral Health and Developmental Services staff, Department of Corrections and Department of Juvenile Justice correctional officers, and Marine Police, all effective January 10, 2019 (for the February 1, 2019 paycheck), and Deputy Sheriffs, effective February 1, 2019.

The figure of \$173.6 million GF does not include a 3 percent salary increase for SOQ funded K-12 school positions, which totals \$131.4 million GF, and assumes an effective date of July 1, 2019. The adopted salary supplement for K-12 SOQ funded positions is contained within the Direct Aid to Public Education portion of the budget. The total NGF amount included for base salary adjustments and targeted initiatives for state employees, state-supported local employees, and teachers over the biennium is \$305.0 million.

**Independent Agencies.** The adopted budget for the Independent Agencies reflects a small general fund decrease of approximately \$0.1 million over the biennium, and nongeneral fund increase of \$744.6 million over the biennium. The general fund decrease reflects a reduction in appropriation for the State Corporation Commission's management of the federal health benefit exchange to reflect actual expenditures, and is net of an increase in funding for the Virginia Retirement System's administration of the Volunteer Firefighters and Rescue Squad Workers' Service Award Fund. The increase in nongeneral funding is primarily related to adding \$350.0 million each year to establish appropriation for the Virginia Lottery for prizes awarded to lottery winners and commissions and incentives paid to lottery retailers.

**Capital Outlay.** The adopted capital outlay program for FY 2018-20 totals \$1.4 billion from all fund sources. Of this amount, \$120,000 is general fund cash and \$1.0 billion is from tax-

supported bonds. The budget also includes \$21.0 million in 9(c) revenue bonds and \$185.2 million in 9(d) revenue bonds. The balance of \$239.3 million is nongeneral fund cash from a variety of agency fund sources.

The tax-supported bonds include an allocation of \$257.1 million over the biennium for Central Maintenance Reserve; \$60.0 million in equipment supplements for capital projects expected to be completed during the biennium; \$216.5 million for a new 2018 Capital Construction Pool; \$90.3 million in previous pool supplements; \$350.0 million for Department of Transportation projects (this is part of a swap for cash that will be used to plan dredging related to the Port in the Hampton Roads area plus an additional \$330.0 million for the actual Port project); and \$28.0 million for four new stand-alone projects at agencies.

Official GF Revenue Estimate	41,149.8
Transfers	<u>1,252.0</u>
<b>GF Resources Available for Appropriation</b>	<b>\$42,635.5</b>

## Available Balance

The budget, as adopted, includes a projected beginning balance of \$212.2 million at the close of the 2016-18 biennium. This beginning balance results from the FY 2017 revenue surplus and the FY 2018 revenue forecast adjustment, and includes additional transfers and spending reductions included in Chapter 1 of the 2018 Special Session I Acts of Assembly (HB 5001).

The \$21.5 million adjustment to the balance reflects the appropriation of \$22.5 million from excess FY 2017 revenues set aside for the \$13.4 million "Part A" deposit to the Water Quality Improvement Fund (WQIF) generated by the FY 2017 revenue surplus, and \$9.1 million for the "Part B" deposit, generated by unexpended appropriations at the end of FY 2017. Both amounts are appropriated in FY 2019. These adjustments are offset by a reduction of \$500,000 each year pursuant to the Intergovernmental Cash Management Act.

## Economic Projections

The 2018-20 general fund revenue forecast assumes "economic" growth rates of approximately 3.7 percent for FY 2019 and 3.9 percent for FY 2020. Embedded in this forecast is the continuation of the "modified collar" on nonwithholding tax collections employed in FY 2016-18, which lowers forecasted revenues by \$201.0 million in FY 2019 and \$209.0 million in FY 2020. The forecast assumes that Virginia will underperform the nation slightly as the impact of federal budget actions continue to dampen the Virginia economy due to the large military presence and heavy reliance on federal procurement spending.

Projected collections total \$20,173.7 million in FY 2019 and \$20,976.2 million in FY 2020.

## **Changes in Revenue Forecast**

A total of \$176.8 million is added to the biennial revenue forecast based on enacted legislation, tax compliance initiatives, and higher than expected tax collections.

**Legislation.** The enactment of Chapters 14 and 15 of the 2018 Acts of Assembly (HB 154/SB 230) advances Virginia's fixed dated conformity with the federal tax code to December 31, 2017, and is anticipated to reduce revenues by \$3.3 million in FY 2019 based on the expansion of charitable deduction limits passed to encourage support for hurricane relief efforts. Chapters 838 and 840 of the 2018 Acts of Assembly (HB 1441/SB 249) provides that all-terrain vehicles, mopeds, and off-road vehicles shall be subject to the motor vehicle sales rather than the retail sales and use tax. That provision increases general fund revenues \$0.2 million each year. Chapter 296 of the 2018 Acts of Assembly (SB 966) provides an additional \$3.4 million in FY 2019 for rebate revenue accruing to the Commonwealth for utility payments on state facilities. Chapter 543 of the 2018 Acts of Assembly (HB 1249) expands the requirement for DNA analysis to individuals convicted of misdemeanor assault and battery and trespass. It is expected to increase general fund revenues \$0.1 million per year, as a portion of the fees charged to those individuals is paid to the general fund.

**Individual Historic Rehabilitation Tax Credit.** The adopted budget continues the policy limiting the amount that a taxpayer may claim to no more than \$5.0 million in Historic Rehabilitation Tax Credits. Virginia allows a credit equal to 25 percent of the eligible expenses incurred in the rehabilitation of a certified structure. This language does not limit the amount of credits that may be issued by the Department of Historic Resources, but it does impact the timing of when large credit amounts could be claimed (generates an estimated \$13.0 million in FY 2020).

**Land Preservation Tax Credit.** Continues the limit on the land preservation tax credit amount that can be claimed on each annual tax return to \$20,000 for a single filer and \$40,000 for joint filers (generates an estimated \$6.6 million in FY 2019 and \$6.6 million in FY 2020).

**Compliance Initiatives.** Tax compliance measures include an initiative at the Virginia Department of Taxation to expand audit efforts which is anticipated to produce \$14.7 million in additional revenue in FY 2019 and \$14.5 million in additional revenue in FY 2020. The effort will include hiring 12 additional personnel: ten auditors, a data scientist and a team leader to spearhead the efforts which focuses on expanded individual audits. Expanding notification of payroll system breaches to avert refund fraud is anticipated to generate \$300,000 in each year of the biennium.

**Revenue Reforecast.** The forecast was revised to include an additional \$60.0 million each year in anticipated tax collections. The reforecast is based primarily on actual withholding collections through the month of April 2018.

## Transfers

Transfers to the general fund total \$1,252.0 million over the biennium. Of this amount, \$781.9 million represents the 0.375 percent sales tax that is transferred from the Local Real Estate/SOQ Fund for public education.

Other customary transfers include ABC profits of \$225.3 million for the biennium, with an additional \$130.8 million of ABC profits and \$18.3 million of spirit taxes going to the Department of Behavioral Health and Developmental Services (DBHDS) for substance abuse programs.

Chapter 2 includes transfers of \$33.7 million over the biennium to the Game Protection Fund attributable to the watercraft sales and use tax and from the portion of the general sales tax dedicated to the Fund by Code. This reflects a biennial reduction of \$400,000 compared to Chapter 836 of the 2017 Acts of Assembly.

Additional transfers to the general fund include \$20.0 million in un-refunded marine fuels sales, \$4.0 million reflecting the decline in the cost of the telecommunications relay services program at the Department for the Deaf and Hard-of-Hearing, and \$1.0 million in revolving trust fund savings at the Office of the Attorney General.

Also reflected in Chapter 2 of the 2018 Special Session I Acts of Assembly (HB 5002) is a reduction in the transfer from the court debt collections program at the Department of Taxation of \$1.0 million each year, lowering the biennial transfer to \$8.2 million. Finally, the proposed budget restores the remaining interest earnings from higher education accounts that had been retained by the general fund, reducing those transfers by \$500,000 each year. The remaining actions are customary transfers and technical updates.

The budget, Chapter 2 of the 2018 Special Session I Acts of Assembly (HB 5002), includes several technical adjustments from Chapter 836 of the 2017 Acts of Assembly, including distributions from Central Appropriations to the various legislative agencies for health insurance costs; retirement rate changes; other post-employment benefit rate changes; worker’s compensation premium changes; salary adjustments for state employees working in the Legislative Department; and adjustments to reflect the cost of the Cardinal financial accounting system.

- **General Assembly**

- *Provide Funding for Operational Costs.* Provides \$2.25 million GF each year for the House and Senate Clerk’s offices to address additional costs incurred due to the transition to the Pocahontas Building and for increased government transparency initiatives.
- *Authorization to Fund the Virginia World War I and World War II Commemoration Commission.* Includes language authorizing the Director of the Division of Legislative Services to fund the Virginia World War I and World War II Commemoration Commission from the Division’s appropriations, and to provide

full reimbursement to the Division from the Commission's unexpended balances. Similar language was included in the budget for the 2016-18 biennium.

- **Auditor of Public Accounts**
  - *Increase NGF Positions.* Increases the staffing level at the Auditor of Public Accounts by 4.00 FTE, funded from an anticipated increase of \$259,500 NGF in revenues received from the Virginia Retirement System for conducting contract audits of all participating VRS employers in order to determine compliance with Governmental Accounting Standards Board (GASB) Statements 68 and 75.
- **Division of Capitol Police**
  - *Security Improvements to Capitol Square Complex.* Provides \$451,000 GF the first year for security improvements to the Capitol Square Complex, to include vehicle access controls, blast-resistant trash cans, and upgrades to 11 existing security cameras.
- **Division of Legislative Automated Systems**
  - *Replacement of Legacy Bill Tracking System.* Adds \$1.75 million GF each year to fund the ongoing replacement of the legacy legislative bill tracking system. The expenditure of funds is contingent on the Director of the Division of Legislative Automated Systems developing a detailed implementation plan, and subject to approval by the Committee on Joint Rules.
- **Virginia-Israel Advisory Board**
  - *Establish Virginia-Israel Advisory Board as Legislative Branch Entity.* Provides \$215,184 GF each year to reflect the transfer of funds for the Virginia-Israel Advisory Board from the Commerce and Trade Secretariat to the Legislative Department, pursuant to Chapter 697 of the 2018 Acts of Assembly (HB 1297), which establishes the Board as a legislative branch entity.
- **Joint Legislative Audit and Review Commission**
  - *Funding for Additional Operating Costs and Agency Oversight.* Adds \$374,000 GF the first year and \$375,000 GF the second year to reflect additional rent costs resulting from the move from the General Assembly Building, and additional consultant costs related to the newly acquired responsibility to provide annual oversight of the Virginia Economic Development Partnership.
  - *Review of Prepaid529 Payout Model.* Includes language directing the Commission to review the Virginia529 Plan's proposed weighted average tuition (WAT) payout model, and report on how the WAT payout model would change Prepaid529

relative to the existing payout model, with a report including any recommendations delivered to the Commission, and the Chairmen of the House Appropriations and Senate Finance Committees by November 30, 2018.

- ***Healthcare Program Oversight Unit.*** Provides \$350,000 GF and 4.00 FTEs the first year and \$700,000 GF and 4.00 FTEs the second year for the Commission to establish an ongoing Healthcare Program Oversight Unit to evaluate the agencies and programs under the Secretary of Health and Human Resources on a continuing basis.

- **Virginia Commission on Intergovernmental Cooperation**

- ***Funding for Increased Dues Paid to Legislative Organizations.*** Adds \$40,000 GF each year to reflect increased dues charged by legislative organizations, including the National Conference of State Legislatures, the Council of State Governments, Southern Regional Education Board, and the Education Commission of the States.

- **Legislative Department Reversion Clearing Account**

- ***Women’s Monument on Capitol Square.*** Provides \$250,000 GF each year to support the development and construction of the Women’s Monument on Capitol Square.

- **Supreme Court of Virginia**

- *Expansion of Mental Health Dockets.* Provides \$500,000 GF each year for the creation of new mental health dockets, or the expansion of existing mental health dockets experiencing large caseloads. There are currently nine mental health dockets operating in the Commonwealth, with two additional dockets in the planning stages. Mental health dockets had not previously received general fund appropriations, but had instead used a combination of asset forfeiture proceeds, federal grants, and local and non-profit funding.
- *Expansion of Drug Courts.* Increases the general fund appropriation for drug treatment court dockets by \$400,000 each year. The funding is provided in order to expand the number of drug treatment courts operating in the Commonwealth. The Supreme Court’s base budget currently includes \$4.2 million GF per year for drug treatment court programs. The adopted language provides that the new funding is to be allocated by the Drug Treatment Court Advisory Committee to jurisdictions with high drug-related caseloads.
- *Drug Court Evaluation and Monitoring.* Provides \$175,000 GF each year and two positions to monitor and evaluate drug court programs, and to support grant

applications activities. The Supreme Court currently has one position performing these functions.

- ***Criminal Fund Fee Waivers for Court-Appointed Counsel.*** Provides \$525,000 GF each year to meet projected costs for funding additional fee waivers approved by the Executive Secretary of the Supreme Court of Virginia for court-appointed counsel in criminal cases. Once all waiver funds have been exhausted for the fiscal year, the Office of the Executive Secretary is no longer able to reimburse court-appointed counsel for approved waiver expenses. Also, language authorizes the Director of the Department of Planning and Budget to transfer from the second year appropriation to the first year an amount equal to any anticipated shortfall, upon request of the Executive Secretary of the Supreme Court.
- ***Statewide Electronic Case Management System.*** Includes language directing the Executive Secretary of the Compensation Board to convene a working group to examine implementing a statewide electronic case filing system, and to report on the working groups findings the chairmen of the House Appropriations and Senate Finance Committees by November 30, 2018.

- **Circuit Courts**

- ***Fund Vacant Circuit Court Judgeships.*** Provides net funding of \$2.3 million GF over the biennium to fill five circuit court judgeships in the first year, whose service will commence on July 1, 2018, to reflect judicial elections made during the 2018 General Assembly Session, and funding sufficient to fill all remaining unfunded judgeships authorized by § 17.1-507, *Code of Virginia*, for a total of 170 circuit court judgeships, effective July 1, 2019. The funding includes a reduction of (\$288,822) GF in the first year, which reflects the addition of five elected judgeships, net of six funded circuit court judicial vacancies in FY 2018.
- ***Information Technology System Changes.*** Adds \$160,000 GF the second year to implement the information technology system changes pursuant to the provisions of Chapters 78 and 92 of the 2017 Acts of Assembly for both the General District and Circuit Courts. The funding approved during the 2017 General Assembly Session only covered the cost of implementation for the General District Courts.

- **General District Courts**

- ***Fund Vacant General District Court Judgeships.*** Provides \$528,668 GF the first year and \$2.9 million GF the second year to fill five general district court judgeships in the first year, whose service will commence on July 1, 2018, to reflect judicial elections made during the 2018 General Assembly Session, and funding sufficient to fill all remaining unfunded judgeships authorized by § 16.1-69.6:1, *Code of Virginia*, for a total of 130 judgeships, effective July 1, 2019.

- **Juvenile and Domestic Relations District Courts**
  - *Fund Vacant General District Court Judgeships.* Provides net funding of \$1.8 million GF over the biennium to fill six juvenile and domestic relations district court judgeships in the first year, whose service will commence on July 1, 2018, to reflect judicial elections made during the 2018 General Assembly Session, and funding sufficient to fill all remaining unfunded judgeships authorized by § 16.1-69.6:1, *Code of Virginia*, for a total of 135 juvenile and domestic relations district court judgeships, effective July 1, 2019. The funding includes a reduction of (\$1,057,336) GF in the first year, which reflects the addition of six elected judgeships, net of ten funded juvenile and domestic relations district court judicial vacancies in FY 2018.
- **Indigent Defense Commission**
  - *Replace Agency Computer Equipment.* Includes \$186,000 GF the first year and \$185,000 GF the second year for the replacement of outdated agency computer equipment. The equipment will be purchased through the Master Equipment Lease Program (MELP), and these amounts reflect the estimated payments for the first two years of a five-year repayment plan. The total cost of purchasing the equipment is \$926,000.
- **Virginia Criminal Sentencing Commission**
  - *Sharing of Circuit Court Case Information.* Includes a language amendment authorizing the agency to share aggregate case information from circuit court case management systems in order to provide information upon request from the legislature and executive branch staff. Language in the appropriation act currently prohibits the agency from doing so.

- **Secretary of Administration**

- *Reflect Transfer of Funding, Responsibility from Technology Secretariat.* Provides \$361,741 GF and 2.00 FTEs each year to reflect the transfer of a portion of the funding related to technology oversight functions from the eliminated Technology Secretariat to the Administration Secretariat, creating two new positions, a Deputy Secretary for Technology and a Chief Data Officer, as well as language directing the Secretary of Administration to assume a portion of the responsibilities previously afforded the Secretary of Technology, to be split between the Secretary of Administration and the Secretary of Commerce and Trade. There are companion actions in Commerce and Trade that reflect the apportionment of funding, positions, and responsibilities, consistent with its assumed role in technology related management and oversight.

- **Compensation Board**

- *Statewide Automated Victim Notification System (SAVIN) Enhancements.* Adds \$191,879 GF each year for costs associated with new technology and expanded features for the Statewide Automated Victim Notification (SAVIN) System that were implemented in 2017.

- *Multi-Jurisdictional Assistant Commonwealth’s Attorneys.* Provides an additional \$200,000 NGF each year from the Insurance Fraud Fund for a total of five multi-jurisdictional Assistant Commonwealth’s Attorney positions dedicated to prosecuting insurance fraud related criminal activities, effective July 1, 2018.
- *Streamline Medicaid Application and Enrollment Process.* Adds \$28,261 GF and \$254,352 NGF the first year and language directing the Executive Secretary of the Compensation Board to implement recommendations of the November 30, 2017 report by the Department of Medical Assistance Services that made several recommendations for streamlining the Medicaid application and enrollment process for incarcerated individuals. The funding included reflects the one-time costs associated with implementing the recommendations.
- *Law Enforcement Body-Worn Cameras Working Group.* Includes language directing the Executive Secretary of the Compensation Board to convene a working group of relevant stakeholders to examine the impact law enforcement officer body-worn cameras have on the workloads of Commonwealth’s Attorney’s Offices, and to generate a report on its findings, including budgetary and legislative recommendations for consideration, to be delivered to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2018.
- *Provide Operating Funding for Expanded Jail Capacity.* Adds \$1.5 million GF the second year for staffing costs associated with the expansion of the Prince William/Manassas Adult Detention Center.
- *Additional Funding for Per-Diem Payments to Local and Regional Jails.* Provides \$374,114 GF the first year and \$1.4 million GF the second year for per-diem payments to local and regional jails based on expected costs.
- *Revert Excess Funding from Sheriff Salary Compression Initiative.* Reverts excess funding of \$1.4 million GF each year related to the targeted salary initiative for Sheriffs’ office employees, based on a revised estimate of the number of local and regional jail office employee recipients. Funding of \$7.3 million GF was provided in Chapter 836 of the 2017 Acts of Assembly for a targeted salary initiative for sworn and non-sworn Sheriffs’ office employees, effective August 1, 2017.

- **Department of General Services**

- *Newborn Screening for Lysosomal Storage Disorders.* Includes funding of \$1.2 million NGF and 7.00 FTEs each year for the Division of Consolidated Laboratory Services to facilitate the expansion of newborn screening tests to include lysosomal storage disorders, the costs for which are recovered from a fee charged to medical providers, pursuant to Chapter 563 of the 2018 Acts of Assembly (SB 449).

- ***Expanded Availability of Newborn Screening for Time-Critical Disorders.*** Provides \$1.2 million NGF and 8.00 FTEs each year for the Division of Consolidated Laboratory Services to perform newborn screening tests for all time-critical disorders, seven days a week, the costs for which are recovered from a fee charged to medical providers, pursuant to Chapter 531 of the 2018 Acts of Assembly (HB 1362).
- ***Maintenance at the Carillon World War I Memorial.*** Provides \$120,000 GF each year for operations and maintenance support at the Carillon World War I Memorial.
- ***Tenant Occupancy Lists for Old City Hall and Patrick Henry Building.*** Language directs the Director of the Department of General Services, in collaboration with the Joint Rules Committee, to develop and approve tenant occupancy lists for Old City Hall and the Patrick Henry Building, to include both executive and legislative branch staff by September 30, 2018, and to immediately design and construct the space required to accommodate the identified tenants upon approval.
- ***Adjust ISF Appropriation for the Division of Real Estate Services.*** Adds \$757,869 NGF the first year and \$1.5 million NGF the second year to increase appropriation for the Division of Real Estate Services consistent with projected expenditures related to lease payment obligations and changes in fringe benefit costs.
- ***Adjust Appropriation for the Division of Consolidated Laboratory Services.*** Includes \$648,259 NGF each year in additional federal appropriation for the Division of Consolidated Laboratory Services consistent with projected federal grant expenditures.
- ***Adjust Internal Service Fund Appropriation for Fleet Management.*** Adds \$453,818 NGF the first year and \$841,153 NGF the second year to align appropriation for the Fleet Management internal service fund with projected expenditures related with the replacement of aging vehicles and changes in fringe benefit rates.
- ***Provide Appropriation for Parking Deck Maintenance.*** Adds \$462,155 NGF the first year and \$553,765 NGF the second year for Parking Facilities Management to conduct parking deck maintenance and repairs. The appropriation represents funds currently retained by Parking Facilities Management and would not require an adjustment to the parking rate charged to users.
- ***Add Funding and Position for Retention of Physical Evidence Recovery Kits.*** Provides \$106,120 GF and one position the first year and \$84,640 GF and one position the second year for the Division of Consolidated Laboratory Services for one-time and ongoing costs related to storage space and tracking software to track and retain Physical Evidence Recovery Kits (PERK), as well as a new evidence

custodian position. The approved funding and position is in response to an increase in the volume of kits and legislative change that allows an additional 10-year storage period for PERK's at the victim's request.

- *Remove Appropriation for One-Time Costs to Assess the Central Virginia Training Center Property.* Reduces by \$260,000 GF each year appropriation provided to the Division of Real Estate Services to assess the Central Virginia Training Center (CVTC) property. A companion amendment in the capital outlay portion of the budget provides \$570,000 NGF the first year designated to begin the environmental remediation recommended in the initial environmental site assessment at the CVTC.
- *Provide Funding to Replace Drinking Water Testing Equipment.* Adds \$278,035 GF the first year and \$410,861 GF the second year to replace drinking water testing equipment that is 10 years or older through the Master Equipment Leasing Program and maintenance service agreements to maintain the equipment.

- **Department of Human Resource Management**

- *Contractor Productivity Pilot Program.* Language requires the Department of Human Resource Management, in consultation with the Virginia Information Technologies Agency, to develop a pilot program, to become effective July 1, 2019, to track select executive branch agencies' contract teleworking staff's productivity, using currently available software platforms.
- *Implement Shared-Savings Incentive Program.* Language directs the Department of Human Resource Management to incorporate a shared-savings incentive program as part of the health care programs it administers for public employees, consistent with the recommendations of the agency's review of such programs, which was completed in November 2017, and report on the progress of implementing the program to the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2018.
- *Adjust Appropriation for Administration of The Local Choice Health Insurance Program.* Reduces the nongeneral fund appropriation for The Local Choice health insurance program by \$500,000 each year to align appropriation with projected expenditures.
- *Adjust Appropriation for Administration of the State Health Insurance Program.* Reduces the nongeneral fund appropriation for the state health insurance program by \$500,000 each year to align appropriation with projected expenditures.
- *Increase Appropriation to Administer Line of Duty Act (LODA) Health Benefits Program.* Increases nongeneral fund appropriation by \$64,369 each year to cover

the administrative costs of the LODA Health Benefits Program, established pursuant to Chapter 667 of the 2016 Acts of Assembly, which transferred the administration of the health benefits program to the Department of Human Resource Management effective July 1, 2017.

- ***Establish Appropriation for Workers' Compensation Claims and Program Expenses.*** Provides \$85.0 million NGF the first year and \$90.0 million NGF the second year to establish an appropriation for risk management claims and administrative costs, in accordance with federal Department of Health and Human Services' guidelines for recording internal service funds. The appropriation is required to reflect estimated claims in relation to revenues received to satisfy claims and administrative costs in accordance with federally prescribed guidelines and to avoid a potential rebate to the federal government for non-compliance.
- ***Provide Funding to Administer New Local Health Insurance Program.*** Provides \$1.1 million NGF each year to administer the optional local health insurance program COVA Local, pursuant to Chapter 512 of the 2016 Acts of Assembly. The health insurance program is similar to the state employee health insurance program, and is provided for localities, local school divisions, and other political subdivisions.
- ***Add Appropriation for Position to Support Local Health Insurance Program.*** Adds \$139,826 NGF for appropriation for an existing position in the Office of Health Benefits that will provide support for the new COVA Local health insurance program.
- ***Provide Funding for Information Technology Security Position.*** Provides \$70,385 GF and \$70,383 NGF and one position, each year, for a data security position. The position would be responsible for overseeing the implementation of information technology policies and procedures identified by the Commonwealth's Information Security Standards.
- ***Increase Appropriation for Commonwealth of Virginia Campaign (CVC) Pledge Processing System.*** Adds \$20,000 NGF each year to support ongoing licensing costs of the CVC pledge processing system, which will electronically store and recall pledge cards.
- ***Reduce General Fund Appropriation and Convert FTEs to Nongeneral Funded Positions.*** Reduces general fund appropriation by \$303,220 the first year and \$606,439 the second year, and converts 4.00 FTEs previously supported by general funds to nongeneral funded positions. The funding and positions are associated with the Time, Attendance, and Leave (TAL) system, which will be

decommissioned. The FTEs will be re-deployed to support the state personnel information system and its subsystems after TAL has been decommissioned.

- **Administration of Health Insurance**

- *Adjust Appropriation of State Health Insurance Program.* Reduces by \$100.0 million NGF the first year of the appropriation to support claims and administrative costs of the state employee health insurance program, based on recent projections by the agency's actuary.
- *Establish Appropriation for New Local Health Insurance Program.* Adds \$500.0 million NGF each year to establish appropriation for the claims and administrative costs of the local health insurance program, COVA Local, pursuant to Chapter 512 of the 2016 Acts of Assembly. The health insurance program is similar to the state employee health insurance program, and is provided for localities, local school divisions, and other political subdivisions.
- *Increase Appropriation for Line of Duty Act (LODA) Health Benefits Program.* Increases nongeneral fund appropriation by \$23.4 million each year to cover the claims and administrative costs of the LODA Health Benefits Program, established pursuant to Chapter 667 of the 2016 Acts of Assembly, which transferred the administration of the health benefits program to the Department of Human Resource Management effective July 1, 2017.
- *Increase Appropriation for The Local Choice Health Insurance Program.* Increases by \$74.8 million NGF each year the appropriation for The Local Choice (TLC) health benefits program to support anticipated claims and administrative costs. The TLC program is an optional program that offers health benefit coverage to employees and retirees, and their dependents, of localities, local school divisions, and other political subdivisions.

- **Department of Elections**

- *Remove Nongeneral Fund Appropriation for Help America Vote Act.* Removes \$7.1 million NGF and 12.00 FTEs each year related to the federal Help America Vote Act (HAVA), the funding for which will be fully depleted in FY 2018. There is a companion action that adds \$5.2 million GF and 12.00 FTEs to continue elections activities that have been supported with HAVA funds.
- *Continue HAVA Related Elections Activities with General Fund Support.* Adds \$5.2 million GF and 12.00 FTEs each year to continue the federal Help America Vote Act (HAVA) funded elections activities, the nongeneral fund support for which will be fully depleted in FY 2018. There is a companion action that removes

the nongeneral fund appropriation and 12.00 FTEs due to the depletion of funding.

- *Provide Funding for Elections Inquiry Call Center.* Provides \$105,000 GF each year to fund call a center to respond to elections related inquiries such as voting locations, voter registration status, voter eligibility, and other aspects of the voting process, prior to November elections each year.
- *Fund Costs to Continue Military and Overseas Ballot Delivery System.* Adds \$100,000 GF each year to cover ongoing costs of the online ballot delivery system that is used to provide ballots electronically to military and other overseas voters. One time funding of \$570,000 GF the second year was provided in Chapter 836 to continue support for the electronic ballot delivery system, due to the expiration of the Department of Defense’s Federal Voting Assistance Program grant funding on October 31, 2016.
- *Funding to Advertise Constitutional Amendments.* Provides \$220,000 GF the first year to fund informational advertising for two voter referendums, which will be on the ballot box in November 2018, and are related to proposals for real property tax exemptions for spouses of disabled veterans, and for flooding remediation.

- **Virginia Information Technologies Agency**

- *Transfer of VITA to Administration Secretariat.* Provides \$412.9 million NGF the first year and \$410.7 million NGF the second year and 240.00 FTEs each year, as well as \$425,164 GF each year, and language establishing the Virginia Information Technologies Agency’s (VITA) operational purpose and authority as an agency under the Administration Secretariat, due to the abolishment of the Technology Secretariat and subsequent transfer to Administration. A series of companion actions reflects the transfer from the Technology Secretariat.

- **Economic Development Incentive Payments (EDIP)**
  - ***Incentive Payments Holding Account.*** Provides a total of \$43.8 million GF and \$6.3 million NGF in FY 2019, and \$38.1 million GF and \$5.9 million NGF in FY 2020 for economic development programs.
    - ***Commonwealth's Development Opportunity Fund.*** Provides \$19.8 million GF each year for grants or loans to localities to assist in the creation of new jobs and investment in accordance with criteria established by the *Code of Virginia*. This amount represents level funding of the program compared to the FY 2018 appropriation.
    - ***Virginia Investment Partnership Grants.*** Includes \$4.9 million GF the first year and \$5.4 million GF the second year for the Virginia Investment Partnership Grant Program. The payments are based on negotiated grants awarded to select projects that invest in Virginia and promote stable or growing employment opportunities. The two-year appropriation represents an increase of \$5.9 million over the base.
    - ***Major Eligible Employer Performance Grants.*** Provides \$1.8 million GF the first year for performance-based grants due to major employers who have met investment and job creation requirements.
    - ***Governor's Motion Picture Opportunity Fund.*** Continues level funding of \$3.0 million GF the first year and \$3.0 million GF the second year, and \$150,000 NGF each year to attract film industry production activity to the Commonwealth.
    - ***Aerospace Engine Facility Incentive Payments.*** Provides \$5.5 million NGF each year from the Aerospace Manufacturing Performance Grant Fund and \$630,000 NGF the first year and \$261,000 NGF the second year from the Aerospace Manufacturer Workforce Training Grant Fund to fund anticipated payments required in the *Code of Virginia* for the Rolls-Royce facility in Prince George County. These amounts were previously appropriated from the general fund and deposited into the respective funds but were not paid out because of delays in meeting performance targets.
    - ***Virginia Economic Development Incentive Grant (VEDIG) Program.*** Provides \$4.4 million GF the first year and \$3.0 million GF the second year for payments due to companies that have met investment and job creation criteria required by VEDIG performance agreements. The two-year total is \$4.2 million higher than the FY 2018 appropriation. Language authorizes the Governor to award additional grants up to a total of \$8.0 million between July 1, 2017, and June 30, 2019, to eligible companies.

- ***Life Sciences Consortium.*** Continues level funding of \$3.8 million GF each year for the Virginia Biosciences Health Research Corporation, a non-stock corporation research consortium that contracts with private entities, foundations and other government sources for research in the biosciences.

  - ***Increase Administrative Support for GO Virginia.*** Includes an increase in general fund spending of \$637,000 GF each year for the Department of Housing and Community Development to provide additional administrative support for GO Virginia.
  - ***Increase Virginia Growth and Opportunity Fund.*** Deposits to the Virginia Growth and Opportunity Fund are \$29.5 million GF the first year and \$34.5 million GF the second year, compared to the FY 2018 appropriation of \$24.5 million. Funds are distributed as follows:

- \$3.3 million GF the first year and \$2.3 million GF the second year to be allocated to qualifying regions to support organizational and capacity building activities. Funding generally requires a local match, however, the GO Virginia Board may waive the local match requirement.
  - \$13.9 million GF the first year and \$16.9 million the second year to be allocated to qualifying regions based on each region's share of the state population. If sufficient demand exists, the Board may reallocate monies between distributions up to \$1.0 million in order to increase funding to regional councils that would otherwise receive less than that amount based on population.
  - \$12.3 million GF the first year and \$15.3 million GF the second year to be awarded to regional councils on a competitive basis.
- ***GO Virginia Broadband Language.*** Directs the GO Virginia Board to form a workgroup for the purpose of developing a statewide policy framework to facilitate the allocation of grants to qualifying regions for broadband assessments, planning and implementation projects.
  - ***Increase Support for Rapid Re-Housing.*** Provides an increase of \$100,000 GF each year for rapid re-housing efforts, bringing the total to \$1.1 million GF each year. The increase doubles from \$100,000 to \$200,000 GF the amount specifically dedicated to addressing veteran homelessness.
  - ***Match Funding for National Disaster Resilience Grant.*** Provides \$1.7 million GF the second year to fund the Commonwealth's required match as part of the National Disaster Resilience Grant. The total required match is \$5.0 million, which is anticipated to be appropriated over a three-year period ending in FY 2022.
- **Department of Labor and Industry**
    - ***Reduce Federal Appropriation.*** Reduces by \$350,000 NGF each year the nongeneral fund appropriation for the Virginia Occupational Safety and Health Program to reflect anticipated federal funding.
  - **Department of Mines, Minerals and Energy**
    - ***New Spending for Solar Energy Study.*** Includes new spending of \$100,000 GF to conduct a two-year study to determine what regulatory reforms and market incentives are necessary to increase the use of energy storage devices in the Commonwealth.

- **Department of Small Business and Supplier Diversity**
  - *Small Business Jobs Grant Fund.* Reduces the NGF appropriation by \$175,000 NGF the first year and \$500,000 NGF the second year to align with the fund’s anticipated cash balance. With no additional general fund deposits planned, it is expected that by FY 2020, the fund balance will be zero.
  - *Upgrade Expenditure Dashboard.* Increases spending by \$250,000 GF the first year to upgrade the agency’s expenditure dashboard application used to track and report spending by state agencies with small businesses.
  - *Reporting Requirement.* Requires the Director of the Department of Small Business and Supplier Diversity to report quarterly to the Secretary of Commerce and Trade and the Chairmen of the House Appropriations and Senate Finance Committees on certain metrics intended to measure the agency's efforts to maximize job creation and retention among the Commonwealth's small businesses.
  
- **Fort Monroe Authority**
  - *Support for Loss of Federal Grant.* Provides \$628,000 GF each year for the Fort Monroe Authority to supplant the loss of federal funding.
  - *Additional Operating Support.* Provides an additional \$128,691 GF the first year and \$236,330 GF the second year. Funding will support a portion of the additional operating costs associated with the U.S. Army's transfer of approximately 70 acres of land to the Commonwealth of Virginia and support additional staffing costs in the second year for the Fort Monroe Visitor and Education Center.
  - *Maintenance Reserve.* Out of bond proceeds for capital costs of maintenance reserve projects, \$2.0 million each year is designated for building and utility repairs at Fort Monroe.
  
- **Virginia Economic Development Partnership**
  - *Establish a Customized Workforce Recruitment and Training Program.* Provides new spending of \$2.5 million GF the first year and \$5.0 million GF the second year to create a customized workforce recruitment and training program for eligible new or expanding companies in the Commonwealth.
  - *Additional Funding for Marketing.* Provides an additional \$2.2 million GF the first year and \$3.2 million GF the second year for economic development marketing and business-ready site development initiatives.
  - *Funding for Incentives Management.* Includes an increase of \$364,035 GF each year to provide support for the Division of Incentives. Legislation enacted by the 2017

General Assembly required the creation of the division responsible for reviewing, vetting, tracking, and coordinating economic development incentives.

- **Virginia Employment Commission**

- *Reduce Federal Appropriation.* Reduces the agency's nongeneral fund appropriation by \$53.5 million NGF the first year and \$58.7 million NGF the second year based on anticipated federal revenue.
- *Retain NGF for Operations and IT Upgrades.* Language redirects up to \$600,000 NGF in proceeds from the sale of the Norfolk office to support service levels in the agency's local offices, and provides for the retention of up to \$2.2 million NGF for information technology upgrades.

- **Virginia Tourism Authority**

- *Increase Advertising and Marketing Funds.* Provides an increase of \$200,000 GF each year to expand tourism marketing.
- *Increase Asian Market Tourism Promotion.* Includes an increase of \$50,000 GF the second year. Funding over the biennium for this initiative is \$400,000 GF the first year and \$450,000 GF the second year, representing the second and third payments in a three-year agreement with Air India to establish nonstop air service between Delhi, India and Washington Dulles International Airport.
- *Richmond Tourism Initiative.* Provides new funding of \$150,000 GF each year to support a multi-year tourism development initiative in partnership with the Richmond Raceway.
- *Increase Support for Spearhead Trails.* Increases funding from \$300,000 to \$550,000 GF each year. Spearhead Trails is an initiative of the Southwest Virginia Recreation Authority.
- *Coalfield Regional Tourism Authority.* Provides funding of \$100,000 GF each year for the Coalfield Regional Tourism Authority to secure matching funding from the Coalfield Economic Development Authority.
- *Carver Price Legacy Museum.* Provides \$25,000 GF the first year to support the Carver Price Legacy Museum in Appomattox County.
- *Infrastructure Improvements at Great Meadow.* Provides \$250,000 GF the first year to support infrastructure improvements at Great Meadow, The Plains, an equestrian sports venue, in order to host the FEI Nations Cup of Eventing. The improvements will allow the facility to bid on additional events which will draw additional tourism and create tourism-related jobs.

- **Innovation and Entrepreneurship Investment Authority (IEIA)**
  - *Move Innovation and Entrepreneurship Investment Authority (IEIA) to Commerce and Trade.* Includes \$11.0 million GF the first year and \$11.3 million GF the second year in funding for the IEIA, also known as the Center for Innovative Technology (CIT). This represents a transfer from the Technology Secretariat to the Commerce and Trade Secretariat and also includes an increase in funding of \$1.3 million GF over the biennium.

- **State’s Share of Biennial Rebenchmarking.** Preliminary rebenchmarking calculations by the Department of Education as of September 2017 were \$235.1 million GF in FY 2019 and \$256.8 million GF in FY 2020, which totaled \$491.9 million GF for the biennium.

The 2018 Special Session I introduced budget for FY 2018-20 included updating the remaining rebenchmarking data steps, which resulted in a net rebenchmarking amount of \$481.1 million GF for the biennium.

- **Projected Enrollments.** Reflects student enrollment projections estimated to total 1,252,434 in the unadjusted ADM in FY 2019, and 1,257,773 students in FY 2020, up from 1,248,936 for FY 2018 in Chapter 836 of the 2017 Acts of Assembly (the updated projection for FY 2018 in the caboose bill, Chapter 1 of the 2018 Special Session I Acts of Assembly (HB 5001,) is now 1,247,837).
- **Funded Instructional Salaries.** Reflects updated funded salary levels from 2016-18 to 2018-20 due to base year (FY 2016) prevailing salaries adjustments and reflects the statewide prevailing average salaries and the state’s 2 percent salary incentive supplement for FY 2018.

<b>Instructional Positions</b>	<b>2016-18</b>	<b>2018-20</b>	<b>Percent Change</b>
<b>Elementary Level:</b>			
Teachers	\$47,185	\$48,298	2.4%
Assistant Principals	67,119	68,545	2.1%
Principals	82,846	85,115	2.7%
<b>Secondary Level:</b>			
Teachers	\$49,744	\$51,167	2.9%
Assistant Principals	72,057	74,535	3.4%
Principals	92,041	93,695	1.8%
Instructional Aides	17,108	17,738	3.7%

- **Health Care Premiums.** Reflects prevailing costs associated with the health care premium rate of \$5,086 per funded position (adjusted for actual participation and inflation), up from \$4,604 per funded position in the current FY 2018 amount.
- **Funded VRS Fringe Benefit Rates.** The employer rates changed for teacher retirement from 16.32 percent to 15.68 percent, retiree health care credit from 1.23 percent to 1.20 percent, and no change to the group life rate of 0.52 percent. The rate adjustment also reflects a reduction in the funded employer rate for retirement contributions paid on behalf of non-professional support positions from 7.11 percent to 6.28 percent (actual rates vary by school division).
- **Base Year Expenditures.** Reflects various adjustments including base year (FY 2016) expenditure data; updating of school-level enrollment configurations; and updated data for the federal revenue deduction.
- **Transportation Costs.** Reflects updated base year transportation cost data.
- **Textbook Per Pupil Amount.** Reflects per pupil prevailing textbook costs, as reported by localities, is calculated at \$100.69, compared with the previously reported and funded amount of \$109.78 for FY 2018 in Chapter 836.
- **Incentive, Categorical, and Lottery Accounts.** Reflects various adjustments to incentive, categorical, and Lottery-funded accounts that are linked to SOQ funding factors, such as ADM enrollment or Basic Aid per pupil cost and student program participation totals.

In addition, a projected increase in Lottery Proceeds of \$40.2 million NGF each year for total proceeds of \$586.7 million NGF each year is reflected in the budget: the additional lottery revenues are budgeted to offset and save a like amount of general fund expenditures each year.

- ***Update Local Composite Index of Ability to Pay (LCI).*** The elements used to calculate each school division's local composite index of ability-to-pay are updated from 2013 to 2015, which are the most current available at the time the LCI updates are calculated. The composite index measures local wealth through true value of real property (50 percent), adjusted gross income (40 percent) and retail sales tax collection (10 percent). The index is weighted two-thirds by ADM and one-third by total population for each locality.

Beginning in FY 2020, the 15-year period for the Local Composite Index for Allegheny due to its consolidation with Clifton Forge in FY 2005 will be complete, resulting in resuming the use of the routine calculation for the Local Composite Index, rather than the more favorable of the two. For FY 2019, Allegheny's consolidated LCI is 0.2423, and then for FY 2020, its routine calculated LCI will be 0.2899.

- ***Projected Sales Tax Revenue.*** The sales tax revenues from the one cent portion along with the additional one-eighth cent sales tax from the Public Education SOQ / Real Estate Property Tax Relief Fund that are dedicated for public education and distributed based on school-aged population are projected to increase from \$1,377.9 million GF in Chapter 836 for FY 2018 to \$1,410.8 million GF in FY 2019 and \$1,441.8 million GF in FY 2020. The sales tax revenue increases generate offsetting savings in the state's share of SOQ Basic Aid funding of \$18.3 million GF FY 2019 and \$35.7 million GF in FY 2020. When combined, the net impact of the updated sales tax revenue estimates and the SOQ Basic Aid offsets, the total funding to school divisions increases by \$14.5 million GF in FY 2019 and \$28.2 million GF in FY 2020.
- ***Update Sales Tax Distribution for School Age Population.*** Adds \$2.6 million GF in both years to reflect the updates to the sales tax distribution to local school divisions that are now based on the July 1, 2016, estimate of school age population.
- ***GF Supplant of Literary Fund Support for School Employee Retirement Contributions.*** Adds \$35.0 million GF in FY 2019 and \$45.0 million GF in FY 2020 to backfill Literary Fund revenues that previously had been used to pay for teacher retirement costs. According to the Department of Treasury, total receipts are forecasted to decline, primarily due to a reduction in transfers from Unclaimed Property, which has completed its catch-up on stock

liquidation, and a diminishing revenue stream from school construction loan repayments.

- ***GF Supplants Driver's Education Funding.*** Adds \$285,000 GF each year to backfill the same amount of revenue decline projected from the Department of Motor Vehicles for driver's education cost reimbursements in high schools that offer driver education course.
- ***Special Education Regional Tuition Reimbursement - Technical Update.*** Saves \$1.9 million GF the first year and \$2.5 million GF the second year for a data correction to the Special Education - Regional Tuition Reimbursement initiative that occurred after the routine rebenchmarking updates were finalized.

– ***Policy Changes and Program / Initiative Changes***

- ***State Share of 3 Percent Salary Incentive Increase.*** Adds \$131.5 million GF in FY 2020 for the state's share of a 3 percent salary incentive increase for all

instructional and support positions recognized and funded by the Standards of Quality (SOQ) funding model. The funding is calculated based on an effective date of July 1, 2019, but school divisions have the flexibility to provide the total of 3 percent salary increase over the biennium.

This allocation includes \$568,499 GF in FY 2020 for a 3 percent compensation incentive, also with an effective date of July 1, 2019, for the Academic Year Governor's Schools. The adopted Governor's Schools' budget equals \$17.8 million GF in FY 2019 and \$18.6 million GF in FY 2020. The Governor's Schools allocations are in addition to the state's Direct Aid money provided to the 'home residence' school divisions for these same students.

Further, new budget language in Item 474, S.2. (Compensation and Benefit Adjustments) reflects a revenue contingency provision for the salary incentive funding allocated for school and state employees.

- ***Supplemental Lottery Per Pupil Allocation.*** Provides \$37.5 million GF in FY 2019 and \$36.4 million GF in FY 2020 to pay for several programs' cost that were moved out of Lottery-funded program account and funded with general fund dollars to free-up Lottery revenues that are now allocated to the Supplemental Lottery Allocation initiative. In addition, adjustments reflect an increase of \$5.8 million NGF in FY 2019 and \$11.7 million NGF in FY 2020 from projected increases in the Lottery Proceeds Fund revenue collections.

The net total amounts of \$43.4 million NGF the first year and \$48.1 million BGF the second year in available Lottery revenues are added into the Supplemental Lottery Per Pupil Allocation (PPA) account. The additional funds increase the percentage of total lottery revenues allocated directed to the school divisions from 32.6 percent to 40 percent in the second year. The revised total amount of the Supplemental Lottery PPA account equals \$234.7 million NGF the first year and \$239.4 million NGF the second year. The per pupil amount increased from \$274.29 in FY 2018 (Chapter 836) to \$336.08 in FY 2019 and \$341.96 in FY 2020.

- ***Expand At-Risk Add-On Supplemental Funding.*** Provides additional funding of \$7.1 million GF in FY 2020 for the At-Risk Add-on initiative, which provides extra funding as an add-on percentage that is based on the SOQ Basic Aid amount to support any additional costs of educating economically disadvantaged at-risk students. The top-end of the range for the add-on increases from 13 percent to 14 percent. The add-on percentage is based on the percentage of students eligible for free lunch in each school division. The revised amounts budgeted for this initiative are \$100.3 million GF in FY 2019 and \$107.1 million GF in FY 2020.

In addition, new language adds flexibility by expanding the available options for school divisions to spend the funding from the At-Risk Add-On supplement to include now teacher recruitment programs and incentives, and hiring of additional school guidance counselors. The new language also requires school divisions to report on how all of the funds are spend each year and requires DOE to report that information to the Chairmen of the House Appropriations and Senate Finance Committees no later than the first day of each Regular General Assembly Session.

- ***Small School Division Enrollment Loss.*** Provides a one-time supplement of \$6.1 million GF in FY 2019 to those eligible small school divisions with than less 10,000 students in membership that have realized at least a 5 percent or more decline in their average daily membership from 2013 to 2018. The enrollment loss funding provides about 15 percent of what these divisions would have received in the SOQ Basic Aid account if there had been no decline in student membership.
- ***Virginia Preschool Initiative (VPI) Per Pupil Amount.*** Provides \$2.3 million GF each year to increase the formula allocation for the VPI program's per pupil amount from \$6,125 to \$6,326 for full-day programs and from \$3,062 to \$3,163 for half-day programs. The revised VPI budget equals \$72.3 million NGF each year.
- ***Virginia Preschool Initiative (VPI) Provisionally Licensed VPI Teachers.*** Adds \$2.3 million GF each year for the Department of Education to provide grants of up to \$30,000 each to school divisions that have applied for the purpose of providing financial incentives to provisionally licensed VPI teachers who are actively engaged in coursework and professional development, toward achieving the required degree and license that satisfy the licensure requirements reflected in § 22.1-299, *Code of Virginia*. Priority for awarding grants must be given to hard-to-staff schools and schools with the highest number of provisionally licensed teachers teaching students enrolled in the Virginia Preschool Initiative. The Department of Education shall develop the application process to be provided to school divisions.
- ***Virginia Preschool Initiative (VPI) Plan for Classroom Observation, Professional Development, and Curriculum.*** Provides \$75,000 GF the first year and directs the Department of Education to develop a detailed plan to ensure that high quality instruction is provided in the Virginia Preschool Initiative program's individual preschool classrooms by November 1, 2018. The plan must detail how the Department will (i) monitor and assess the quality of teacher-child interactions within each preschool classroom at least once every two years, (ii) ensure the use of evidence-based curricula is

implemented in each preschool classroom and take necessary corrective action if evidence-based curriculum is not used or effective by the following school year, (iii) facilitate and provide individualized professional development for Virginia Preschool Initiative classroom teachers to ensure the necessary teaching skills are aligned for the pedagogy of high quality preschool classroom experiences, and (iv) provide informative and complete information about how Virginia Preschool Initiative funding, from all sources, supports quality preschool experiences for children enrolled in the local public school divisions in Virginia.

- ***Virginia Preschool Initiative (VPI) Classroom Observation Instrument.*** Provides \$350,000 GF each year through DOE to the University of Virginia (UVA) to ensure that all Virginia Preschool Initiative classroom programs have the quality of their teacher-child interactions assessed at least once every two years using the CLASS observational instrument. All classrooms must be observed no later than June 30, 2020. UVA, with input from the Department of Education and the use of its detailed plan for such assessments, shall establish a statewide minimum acceptable threshold for the quality of teacher-child interactions for Virginia Preschool Initiative classroom programs, and classrooms that are assessed below the threshold will receive additional technical assistance from the Department of Education and UVA. The threshold should be established with the assistance of UVA's Center for Advanced Study of Teaching and Learning (CASTL), using a rigorous and research-based classroom observational instrument. The threshold shall be established no later than the beginning of the 2018-2019 school year and the classroom assessments shall begin no later than spring 2019. CASTL shall submit a progress report on such classroom observations to the Chairmen of House Appropriations and Senate Finance Committees no later than June 30, 2019, and annually thereafter.
- ***Virginia Preschool Initiative (VPI) Professional Development and CASTL CLASS Training.*** Provides \$300,000 GF in FY 2019 and \$700,000 GF in FY 2020 through DOE to the University of Virginia's Center for Advanced Study of Teaching and Learning (CASTL) to provide individualized professional development training to VPI classroom teachers. On-going assistance and training would be prioritized to support those teachers with Classroom Assessment Scoring System (CLASS) observation scores that did not meet the statewide minimum standard.
- ***Virginia Preschool Initiative (VPI) Nonparticipation.*** Captures savings of \$24.2 million NGF in FY 2019 and \$24.2 million NGF in FY 2020 in the Virginia Preschool Initiative based on a nonparticipation rate of 25.69 percent and saves a like amount of general fund revenue each year.

- ***Teacher Residency Program.*** Provides an additional \$1.0 million GF in FY 2019 and \$500,000 GF in FY 2020 to increase the number of grant opportunities for teacher residency partnerships between university teacher preparation programs to include the existing school divisions of Petersburg, Norfolk, and Richmond City school divisions, as well as expands the Teacher Residency Partnership opportunity to other school divisions and Virginia colleges and universities that credential teachers. In total, the revised budget equals \$2.0 million GF in FY 2019 and \$1.5 million GF in FY 2020.
- ***Career and Technical Education Regional Centers.*** Adds \$720,000 GF each year to provide \$60,000 to each of the existing ten regional career and technical education (CTE) centers, as well as to the proposed new CTE school in Winchester, the Emil and Grace Shihadeh Innovation Center and to the existing Technical Center in Norfolk. The funds are provided to expand the workforce readiness education and industry-based skills offered to the students.
- ***Career and Technical Emil and Grace Shihadeh Innovation Center.*** Provides \$250,000 GF each year to match private donations for the renovation of Winchester's former John Kerr Elementary School, to become the Emil and Grace Shihadeh Innovation Center. Once the old elementary school is renovated and opens at some point in the future, the center would offer career and technical education in the skilled trades and STEM-H fields.
- ***Positive Behavioral Interventions and Supports (PBIS).*** Increases the Positive Behavioral Interventions and Supports Program by \$500,000 GF each year to expand the number of schools implementing the Positive Behavioral Interventions and Supports program, which provides research-based models for schools that have significant rates of suspension or expulsion to improve school climate and reduce disruptive classroom behavior in support of the Classrooms Not Courtrooms initiative. In FY 2018, 44 school divisions received PBIS funding.
- ***Vision Screening Grants.*** Adds \$391,000 GF each year to provide grants to school divisions to pay for a portion of the vision screening of students in kindergarten, grade two or three and grades seven and ten, pursuant to Chapter 312 of the 2017 Acts of Assembly. Eligible school divisions may receive the state's share of \$7.00 for each student in kindergarten, grades three, seven and ten and who has received such vision screening test.
- ***Virginia Reading Corps Program.*** Increases funding for the Virginia Reading Corps program by \$300,000 GF each year, from \$300,000 GF to \$600,000 GF, and new language directs that the implementation partner shall determine

and select partner school divisions. New language requires an annual report to the school divisions and the Department of Education on the outcomes of the program.

- ***Power Scholar Summer Academy.*** Provides \$250,000 GF each year for the YMCA's Power Scholar Summer Academy to expand the number of sites and students served by the program during the summer months. This program helps to prevent the 'summer learning losses' that some students experience while they are not actively engaged in the classroom over an extended period of time.
- ***Project Discovery.*** Increases funding for Project Discovery initiative by \$300,000 GF each year of the biennium, from \$662,500 GF to \$962,500 GF.
- ***National Board Certification Bonuses.*** Increases funding for National Board Certification for eligible teachers by \$191,787 GF in FY 2019 and by \$397,358 GF in FY 2020, for revised totals of \$5.3 million GF and \$5.5 million GF respectively.
- ***Early Learning STEM Teacher Training.*** Provides \$125,000 GF each year for the early STEM/Arts model teacher training program delivered by Wolf Trap. The new language adds three school divisions (Albemarle, Henrico and Suffolk) to the nine school divisions (Accomack, Arlington, Chesterfield, Fairfax County, Loudoun, Norfolk, Petersburg, Richmond City, and Wythe) that currently participate in the STEM model program for kindergarten and preschool students.
- ***STEM Teacher Incentives.*** Adds \$192,000 GF in FY 2019 to increase the amount of funding available in the Department of Education's STEM Program to attract, recruit, and retain high quality diverse individuals to teach science, technology, engineering, or mathematics in Virginia's middle and high schools experiencing difficulty in recruiting qualified teachers. Currently, \$808,000 GF is appropriated for this program. Eligible teachers can receive a \$5,000 incentive award for up to 3 years, and must continue to teach at the same school for the following fourth year. The additional funding allow expansion of the program into more hard-to-staff schools.
- ***Praxis Assistance for Provisionally Licensed Minority Teachers.*** Adds \$50,000 GF each year to provide Praxis assistance for provisionally licensed minority teachers. This new funding will support test fees and tutoring for provisionally licensed minority teachers seeking full licensure in Virginia. Through a request for proposal process, grants of up to \$10,000 will be

awarded to school divisions, teacher preparation programs, or nonprofit institutions in Northern Virginia, Central Virginia, and Hampton Roads.

- ***Free Lunch Percentage Calculation Methodology for Community Eligible Program (CEP) Schools and Divisions.*** Saves \$167,303 GF the first year and \$178,147 GF the second year from changing the funding methodology related to school divisions that participate in the federal CEP program. The new language indicates that for schools that participate in the Community Eligibility Program, most recent data will be used for those programs that include Free Lunch as a component of its funding formula. Prior to school divisions electing to participate in this federal program, the rebenchmarking process used an average of the three most current years of free lunch percentages reported by the school divisions for a number of funding formula calculations. (Upon participation in CEP, schools and divisions are prohibited from directly collecting income eligibility data from families of students attending one of the participating schools. The federal CEP program provides 100 percent reimbursement for the cost of breakfast and lunch meals served to the percentage of eligible students.)

New language indicates that the free lunch rate for schools that participate in the Community Eligibility Provision (CEP) program will be based upon the most recent data available prior to that school's enrollment in the program, for the purpose of funding entitlements that are based on school level or division-level free lunch eligibility percentages.

Three-year average division-level free lunch rates used in the Prevention, Intervention, and Remediation Program and school-level free lunch rates used in the K-3 Primary Class Size Reduction Program vary depending on when the division or individual school entered the CEP program.

- ***Transfer Funding for Teacher Computer Science Training to VCCS.*** To align to legislation passed at the 2017 General Assembly Session, transfers the \$550,000 GF each year in funding to the Virginia Community College System (VCCS) to administer this program. The legislation directs VCCS to work with CodeVA to provide the teacher training in computer science related skills needed to teach students computer coding skills.
- ***Transfer Funding for Summer Food Service and After School At-Risk Programs from DSS.*** Adds \$14.3 million NGF each year for two federal grant award programs that were transferred from the Department of Health to the Direct Aid budget.

In addition, the Department of Education budget also reflects five transferred positions and \$749,176 NGF each year from the Department of Health to administer these two food programs.

- *New Federal Grant Awards.* Adds \$165.2 million NGF each year to reflect adjustments to 18 existing federal grant awards and the addition of eight new federal program awards. The following tables reflects the federal awards in more detail:

– *Language Changes*

- *Virginia Preschool Initiative (VPI).* New language allows available previous year-end balances for the Virginia Preschool Initiative to be carried forward into the next fiscal year and may be available for those eligible school divisions that have reported using 100 percent of their calculated slots for the previous and current school years and have also reported having a waiting list of at-risk four-year-olds for the previous and current school years. These school divisions may request one-time waiting list slots and offer them to eligible at-risk four-year-old children that (i) family income at or below 200 percent of federal poverty guidelines, (ii) family income is above 200 percent but at or below 350 percent of federal poverty guidelines in the case of students with special needs or disabilities, (iii) homelessness, or (iv) student's parents or guardians are school dropouts.
- *Virginia Preschool Initiative (VPI) Local Match Requirement.* New language clarifies that local philanthropy, non-profit, or corporate support can satisfy the required local match rather than the school division.
- *Joint Subcommittee for the Virginia Preschool Initiative (VPI).* New language (in Item 1, under Legislative Department) directs the Joint Subcommittee on the Virginia Preschool Initiative to study further enhancements to the Quality Ratings System; other recommendations and options included in the 2017 JLARC report on Improving Virginia's Early Childhood Development Programs; opportunities for the state to leverage improvements in federal Head Start programs; an integrated early childhood fund to pool and leverage funds for maximum performance and efficiency; and mandating a minimum percentage of VPI slots be in private settings. In addition, a report of any findings and recommendations must be submitted by October 1, 2018.
- *Early Childhood Public-Private Mixed Delivery Preschool Grant Award for Richmond City.* Language directs the Virginia Early Childhood Foundation to offer an award to a private-provider that has submitted application applicable to a partnership with Richmond City for a mixed delivery pre-kindergarten program, provided that the application is of high quality and is competitive with other submitted applications received.
- *Breakfast After the Bell Reimbursements.* Includes new language that expands the program eligibility by allowing middle and high schools to participate without a minimum of 45 percent student eligibility for free lunch as is the current requirement for elementary schools, and changes the date

for the required annual report on the educational impact of the program from school divisions to DOE to August 31st instead of June 30th.

Other language changes clarify the types of data that school divisions must submit in the annual report to DOE and that divisions may not be eligible for funding in the following year if the August 31st reporting deadline is missed.

The elementary reimbursement rate is held at \$0.05 per meal, but the established rate for middle and high schools is \$0.10. State funding for the program remains unchanged at \$1.1 million GF each year – fewer elementary schools will be able to serve students due to the inclusion of all middle and high school students.

Lastly, DOE is required to establish criteria for funding priority if the number of applications from eligible schools exceeds the available funding.

- ***Expands Models for the Targeted Extended School Year Grants.*** Includes adjustments to the “Targeted Extended School Year” program to specifically include “Enriched School Year and Year-round School” models. Also changes the reporting date for the Department of Education to submit the annual progress reports from the participating school divisions and its executive summary of the program’s overall status and levels of measured success to two of the money committee chairmen from October to November.
- ***Early Reading Specialists Initiative.*** Includes changes to the eligibility criteria for the Early Reading Specialist Initiative. Schools with a third grade that rank lowest on the reading Standards of Learning assessments will be given priority for the state share of funding for a reading specialist in such schools.

Schools receiving state funds in FY 2018 under this initiative are no longer automatically eligible to receive funding in FY 2019 or FY 2020. The proposed language also allows DOE to award any unallocated funds from this initiative to schools eligible for funding under the Math/Reading Instructional Specialists Initiative. This action distributes state funds to school divisions in a different manner in the 2018-20 biennium than in fiscal year 2018, but total state funding for the program remains constant at \$1.5 million GF each year.

- ***Math/Reading Instructional Specialists Initiative.*** Includes changes to the eligibility criteria for the Math/Reading Specialist Initiative. The Chapter 836 language used accreditation as the mechanism for determining program eligibility. The newly adopted revised language assigns eligibility based on the schools that rank lowest on the Spring 2017 SOL math or reading

assessment. The state share of funding for a reading or math specialist is available to eligible schools for both years of the biennium.

The new language also allows DOE to award any unallocated funds from this initiative to schools eligible for funding under the Early Reading Specialists Initiative. This action distributes state funds to school divisions in a different manner in the 2018-20 biennium than in fiscal year 2018, but total state funding for the program remains constant at \$1.8 million GF each year.

- ***Virginia Teacher Scholarship Loan Program.*** Adopted language changes the Virginia Teacher Scholarship Loan Program intended to incentivize students in teacher education programs to fill vacancies in high-need schools. Students with an undergraduate grade point average of at least 2.7 will be now be eligible for up the annual scholarship of \$10,000 if they teach for two years in a top five critical shortage subject and in a school with a free and reduced lunch population of 50 percent or greater. Minority students may be enrolled in any content area for teacher preparation. Recipients who only complete one year of the two-year teaching obligation will be forgiven for one-half of the scholarship loan amount.
- ***STEM Teacher Recruitment and Retention Incentive.*** Includes changes to the STEM recruitment and retention program to attract qualified teachers to middle and high schools experiencing difficulty in recruitment and retention. Teachers employed full-time in a STEM subject area in a hard-to staff school are eligible for a \$5,000 incentive per year for up to three years. The criterion limiting teacher eligibility to those with up to three years of teaching experience is eliminated. Eligibility for incentive payments will be based on an application process managed by the Department of Education. Language directs DOE to prioritize distributions based on school divisions experiencing the most acute difficulties in recruiting qualified teachers.
- ***Communities in Schools.*** Language directs Communities in Schools to assist the Community School organization with the developing opportunities to establish a Community School program in interested school divisions.
- ***CodeRVA Regional High School.*** Language authorizes the CodeRVA Regional High School to receive an annual \$26,000 NGF technology grant allocation through the Virginia Public School Authority Technology Grant Fund as is the current allocation for other high schools.
- ***Joint Subcommittee on Local Fiscal Stress.*** New language (in Item 1, under Legislative Department) directs the Joint Subcommittee Local Fiscal Stress to

include reviewing savings opportunities from increased regional cooperation and consolidation of services, including by jointly operating or merging small school divisions.

- **Department of Education**

- ***Social Studies Assessments.*** Provides \$300,000 GF each year for a verified credit in high school in history and social science. New language directs the State Board of Education, in establishing graduation requirements, to require students to earn one verified credit in history and social science. Such verified credit shall be earned only by (i) the successful completion of a Board-developed end-of-course Standards of Learning assessment which is not a performance-based assessment; (ii) achievement of a passing score on a Board-approved standardized test administered on a statewide, multistate, or international basis that measures content that incorporates or exceeds the Standards of Learning content in the course for which the verified credit is given; or (iii) achievement of criteria for the receipt of a locally awarded verified credit from the local school board in accordance with criteria established in Board guidelines.
- ***Multisensory Structured Literacy Teacher Training.*** Provides \$290,000 GF each year to provide funding in order to triple from 90 teachers to 270 teachers that can be served annually by the 30-hour literacy teacher professional development in the Orton-Gillingham instructional method, which is a direct systematic approach to teaching language structure for reading remediation. This method is designed to address the needs of struggling readers who have difficulty with reading, spelling, and writing, including those with a specific learning disability such as dyslexia.
- ***Virginia Kindergarten Readiness Assessment Program (VKRP).*** Adds \$275,000 GF each year for the Department of Education to coordinate with UVA's Center for Advanced Study of Teaching and Learning (CASTL) to implement a statewide rollout for assessment of all kindergarten students using the VKRP assessment model by the end of the 2019-20 school year and to provide appropriate annual training and professional development to kindergarten teachers. New language requires all school divisions to have all kindergartners participate in the assessments. New language also directs the Department of Education to report annually, beginning October 1, 2019, on the results of the assessments and the impact of the Virginia Preschool Initiative on promoting readiness in the four developmental domains (literacy, math, social-emotional and self-regulation) to the Chairmen of House Appropriations and Senate Finance Committees.
- ***Virginia Kindergarten Readiness Post-K Assessment.*** Includes an additional \$275,000 GF each year for the Virginia Kindergarten Readiness Program to develop and implement a post-kindergarten assessment that will measure student growth

at the conclusion of kindergarten for those schools that are currently participating in the program.

- ***Virginia's Tiered Systems of Support.*** Adds \$250,000 GF each year to Virginia's Tiered Systems of Support (VTSS) for teachers, administrators, and Specialized Instructional Support Personnel. The current appropriation enables the Department of Education to provide training, technical assistance, and on-site coaching to public school teachers and administrators on implementation of a positive behavioral interventions and supports program. This programming addresses both the academic and behavioral needs of students; including students impacted by trauma, improves school climate; and reduces disruptive behavior in the classroom. The additional funding will be focused on supporting Title I and Accreditation Denied Schools. The VTSS initiative is designed to complement the Positive Behavioral Interventions and Supports initiative that is currently in the Department and implemented in a number of school divisions.
- ***Enhance eMediaVA Funding.*** Adds \$200,000 GF each year for statewide digital content development, online learning, and related support services through eMediaVA.
- ***Educator Misconduct Research Database Membership Fees.*** Adds \$93,084 GF each year for the state's membership fees into the National Association of State Directors of Teacher Education and Certification (NASDTEC) Clearinghouse to research teacher misconduct.
- ***Virginia Preschool Initiative Site Visits.*** Adds \$50,000 GF each year for DOE to resume site visits to Virginia Preschool Initiative (VPI) programs. Site visits will help ensure compliance with state guidelines and provide technical assistance to localities for best practices for implementing high-quality preschool programs. These funds will provide increased technical assistance and professional development opportunities for VPI local coordinators through regional annual VPI coordinator meetings.
- ***Integrated Early Childhood Fund.*** Language directs DOE, in cooperation with the Departments of Health, Social Services, and Planning & Budget, to convene a workgroup facilitated by the Virginia Early Childhood Foundation, to examine opportunities including, but not limited to, leveraging existing funds targeted to early childhood development with the goal of identifying strategies and mechanisms for developing an Integrated Early Childhood Fund. The findings of the workgroup shall be provided by October 15, 2018, to the Joint Subcommittee on the Virginia Preschool Initiative, and shall articulate the potential for existing but underutilized appropriations including, but not limited to, unused Virginia Preschool Initiative funds and Temporary Assistance for Needy Families (TANF),

and other funds to support administrative costs that would assist with more fully drawing down federal Child and Adult Care Food Program (CACFP) funds.

- ***Student Growth Model Development.*** Reflects language modifications that directs the Department to develop a growth scale for the existing Standards of Learning mathematics and reading assessments, which facilitate data-driven school improvement efforts and support the state’s accountability and accreditation systems. In Chapter 836, the \$500,000 GF in funding was directed toward a pilot program to provide personalized instructional and academic planning.
  - ***School Personnel Survey.*** Directs the Department to develop and administer a school personnel survey to evaluate school-level teaching conditions and the impact such conditions have on teacher retention and student achievement.
  - ***Transfer of Summer Food Service Program & At-Risk Afterschool Meals.*** Reflects the transfer of the Summer Food Service Program and the At-Risk Afterschool Meals component of the Child and Adult Care Food Program (CACFP) from the Department of Health to the Department of Education to administer. The transfer includes five full-time positions and \$749,176 NGF each year. There is also a companion amendment in the Direct Aid to Public Education budget that reflects the transfer of \$14.3 million NGF each year in pass-through funding to school divisions participating in these programs.
  - ***New Federal Grant Awards.*** Adds \$432,203 NGF each year to reflect adjustments to federal grant awards received by the Department.
  - ***Reduce Funding for Computer Adaptive Test Revisions.*** Captures \$780,584 GF each year, which represents a portion of the funding provided to DOE in the 2016-18 biennium to transition Standards of Learning tests to a computer adaptive test format. The remaining appropriation will support revisions to the current computer adaptive tests to incorporate the Board of Education’s revisions to the mathematics and English Standards of Learning.
  - ***Technical Adjustments.*** Reflects technical adjustments distributing dollars to the agency for items that were centrally funded in Chapter 836.
- **Virginia School for the Deaf and Blind**
    - ***Technical Adjustments.*** Reflects technical adjustments distributing dollars to the agency for items that were centrally funded in Chapter 836.

<b>Note:</b> Higher Education Research Initiative includes \$8.0 million GF each year for grants to promote research and development in accordance with criteria established in Chapter 775 of the 2017 Acts of Assembly. This amount represents level funding of the program compared to the FY 2018 appropriation.		

- **Higher Education Institution Spending**

- ***Degree Production.*** Provides funding of \$28.4 million GF in FY 2020 to increase degree production in the fields of data science & technology, science & engineering, healthcare, and education. The initiative allocates this funding in order to increase degrees in these fields by 880 degrees over the biennium above 2017 levels or equal to roughly 4 percent growth.
- ***Base Operations.*** Includes funding of \$1.7 million GF the first year and \$4.0 million GF the second year for base adequacy for three institutions (Eastern Virginia Medical School, Virginia Military Institute, and Richard Bland College). Base adequacy is a formula, driven by student enrollment and average faculty salaries, which identifies amounts needed to support the operations and academic mission of public colleges and universities. This funding increases these three colleges and universities that are currently below 100 percent to 100 percent of the guidelines by the end of the biennium (Eastern Virginia Medical School at \$1.7 million the first year and \$3.4 million the second year; Virginia Military Institute at \$539,422 the second year; and Richard Bland College at \$128,143 the second year). Other institutions that are below 100 percent may alternatively benefit from the degree production funding or operation and maintenance funding.

- **Operation and Maintenance.** Allocates funding of \$1.1 million GF the first year and \$3.3 million GF the second year for new facilities or buildings coming on-line over the biennium.

- **Financial Aid.** Includes \$10.4 million GF the first year and \$18.9 million GF the second year for additional need-based financial assistance for in-state undergraduates. The distribution of funding for undergraduate aid is based on the partnership model with greater emphasis on certain institutions and/or students with higher needs. Language adopted in Chapter 2 of the 2018 Special Session I Acts of Assembly (HB 5002) allows up to 15 percent of funding to be used to support Virginia Guaranteed Assistance Program (VGAP) eligible students in the previously identified degree production degrees or that participate in a newly created internship program under the State Council of Higher Education for Virginia.

- **Other Higher Education Spending**

- *Support Local Update of Census Addresses - University of Virginia.* Includes \$115,000 GF the first year to support the Weldon Cooper Center’s participation in the federal Local Update of Census Addresses.
- *Transfer Funding to Weldon Cooper Center for Population Estimates - University of Virginia.* Provides for the transfer of \$175,000 GF each year from the Department of Planning and Budget to the University’s Weldon Cooper Center to support the cost of the production of population estimates at least every other year in between census years.
- *Foundation for Humanities – University of Virginia.* Includes \$100,000 GF the second year to support community-based educational programs.

- ***Enhance Academic Programs at the University of Virginia-Wise.*** Provides \$1.8 million GF the second year at the University for the enhancement of academic programs and to aid in attracting additional students.
- ***Fill Positions to Address Audit Findings at Richard Bland College.*** Includes \$556,070 GF the first year and \$579,350 GF the second year to support three vacant positions in order to address concerns identified by the Auditor of Public Accounts.
- ***Establish Specialized Programs for Counseling Veterans at the College of William and Mary.*** Provides \$287,850 GF the second year to develop a specialization in military and veterans counseling within the institution’s mental health counseling degree program and a post-graduate certificate for professionals that already have a degree.
- ***Develop a Master of Public Policy for the Whole of Government at the College of William and Mary.*** Includes \$250,000 GF the second year for creation of a Master of Public Policy program for the Whole of Government Program. This program will provide a hybrid Master of Public Policy degree that will allow the first year to be completed online.
- ***Transfer Teacher Computer Science Training Funding from Direct Aid.*** Transfers \$1.1 million GF over the biennium from Direct Aid to the VCCS for computer science training funding for teachers that is provided at Northern Virginia Community College.
- ***Develop a Statewide College Transfer Portal at the Virginia Community College System.*** Provides \$480,000 the second year to develop a statewide college transfer portal at Richard Bland College and the Virginia Community College System in response to Chapters 832 and 845 of the 2018 Acts of Assembly (HB 919/SB 631).
- ***Partnership with the Distance Learning Service Center – Blue Ridge Community College.*** Includes \$100,000 GF per year for Blue Ridge Community College to partner with the City of Waynesboro to build and sustain educational access through a distance learning services center.
- ***Pilot Career Technical Dual Track Program.*** Provides \$300,000 GF the second year to implement a pilot program between Virginia Western Community College, Roanoke City Public Schools and local industry partners to create a Career Technical dual track program to allow high school students the opportunity to complete high school with both a diploma and a workforce credential/certificate.
- ***Advising Report – Virginia Community College System.*** Directs the VCCS to evaluate and report on how its 23 community colleges can increase their academic advising capacity. This was a recommendation issued in the 2017 JLARC report "Operations and Performance of the Virginia Community College System".

- **Technology Infrastructure.** Includes almost \$2.5 million GF the first year and almost \$1.8 million GF the second year for various technology enhancements or upgrades at the University of Virginia-Wise, Virginia State University, and the Virginia Institute for Marine Science (see the table below for details).

<b>Infrastructure Initiatives FY 2018-20</b>

	Upgrade Police Radio System	<u>259,243</u>	<u>104,022</u>
<b>Total</b>		<b>\$2,494,396</b>	<b>\$1,756,136</b>

- **Virginia Institute of Marine Science: Chesapeake Bay Water Quality Monitoring and Elizabeth River Scorecard.** Provides \$490,753 GF the second year and 2.70 FTE the second year to provide support for enhanced water quality monitoring and modeling for the Chesapeake Bay. An additional \$403,000 GF the second year is included for a scorecard for the Elizabeth River.
- **Workforce.** Includes \$2.8 million GF in FY 2019 and almost \$3.0 million GF in FY 2020. The following table summarizes the various initiatives:

<b>Workforce Funding Initiatives – FY 2018-20</b>			
(GF \$ in millions)

<b>Total</b>		<b>\$2,802,497</b>	<b>\$2,977,180</b>

- ***New College Institute – Restore Previous Planning Funds and Grant Additional Funding for Academic Programs.*** Restores the recommended removal of \$100,000 GF per year that had been allocated for additional operating support and as part of completing a five-year plan in the base for the previous biennium. Provides an additional \$500,000 GF in each year of the biennium for academic programs and technology needs in advanced manufacturing, cybersecurity, healthcare and education.
- ***Jefferson Lab Center for Nuclear Femtography.*** Includes \$500,000 GF the first year for one-time seed funding to establish the Center for Nuclear Femtography. This would be in partnership with the Commonwealth’s public and private research universities. Nuclear Femtography is expected to be the next generation of nanotechnology. This funding is in addition to the nearly \$7.0 million allocated since FY 2016 to expand Jefferson Labs in order to compete for federal funding.
- ***Research: Base.*** Under the Higher Education Research Initiative (HERI), the introduced budget contained \$16.0 million GF over the biennium in order to offer incentive packages to attract high-performing researchers with a history of commercialization and to create centers of excellence which would allow collaboration and support of research (i.e. biosciences and cyber security). The amount per year matches what was provided in FY 2018.
- ***Research: Commonwealth Cyber-X Initiative.*** Under the Higher Education Research Initiative (HERI), provides \$20.0 million GF the second year for the Commonwealth Cyber-X Initiative, a collaboration of Virginia public universities and anchored by Virginia Tech to partner with industry. An additional \$5.0 million of bond financing is provided over the biennium for lab and facility development (from a previous research authorization). This consortium of universities and industry will establish the Commonwealth as a leader in cyber-physical systems and security and provide access to research ecosystems and educational programs focused on cybersecurity throughout Virginia.
- ***Research: University of Virginia’s Focused Ultrasound Center.*** Includes \$1.0 million GF in the first year to further support research conducted at the Focused Ultrasound Center at the University of Virginia.
- ***State Council of Higher Education for Virginia (SCHEV): Increased Funding for Tuition Assistance Grant (TAG) Program.*** Provides almost \$1.6 million GF in FY 2020 to increase the TAG award to \$3,350 from \$3,300 per student. An additional amount of \$225,000 GF the second year is included to provide an enhanced \$500 award to TAG participants that are seniors and that are going to be school teachers.

- ***State Council of Higher Education for Virginia (SCHEV): Increased Funding for the Two-Year Transfer Grant.*** Allocates \$335,589 in FY 2020 to address anticipated enrollment growth in the program.
- ***State Council of Higher Education for Virginia (SCHEV): Establish a Student Loan Ombudsman Position.*** Includes \$115,333 GF the first year and \$124,000 GF the second year and one position to allow for a student loan ombudsman to assist borrowers of education loan programs.
- ***State Council of Higher Education for Virginia (SCHEV): Funding for the Virtual Library of Virginia (VIVA).*** Provides \$945,000 GF the first year and \$1.3 million GF the second year to sustain the current level of subscriptions that benefit Virginia’s higher education institutions, provide support for private institutions, and enable an open textbook network pilot.
- ***State Council of Higher Education for Virginia (SCHEV): Provide Additional Funding for the Virginia Research Investment Committee.*** Allocates \$232,647 GF the first year and \$252,652 GF the second year to fill a vacant position in order to help develop the Research and Technology Roadmap and to provide meeting support for the VRIC.
- ***State Council of Higher Education for Virginia (SCHEV): Change Funding for Cybersecurity Public Service Scholarships.*** Includes \$500,000 GF each year to change the scholarship program to a student loan repayment program. Previously, the General Assembly proposed to eliminate the funding and authorizing language for the program and the Governor vetoed the action during the 2017 Session. The change to a repayment program allows funds to reduce student loan amounts for college graduates working for state agencies or state contracted companies. The program requires dollar-to-dollar matching funds from agencies or companies.
- ***State Council of Higher Education for Virginia (SCHEV): Internship Pilot Program.*** Provides \$200,000 GF each year for an internship pilot program to be administered by SCHEV. The internship program would require public institutions of higher education to apply for a grant to demonstrate the pilot and would also require one-one matching funds from a non-state source.
- ***State Council of Higher Education for Virginia (SCHEV): Virginia Space Grant Consortium Pilot Scholarships.*** Includes \$100,000 GF each year to provide 30 scholarships to high school students interested in becoming pilots. In conjunction with Averett University and Liberty University, this program would provide students the first ten hours of flight training toward a private pilot license, the solo experience and accompanying ground training. This is intended to address a critical pilot shortage.

- ***State Council of Higher Education for Virginia (SCHEV): Language to Increase Stipend under Virginia Military Survivors and Dependents Program.*** Provides for a language change, but no new funding, to allow the stipend under the program to increase from \$1,800 to \$2,200 to offset for the costs of room, board, books, and supplies for qualified survivors and dependents of military service members.
- ***Online Virginia Network Authority: Add Virginia Community College System.*** Includes \$1.0 million GF each year of the biennium in order to support the inclusion of the Virginia Community College System in the Online Virginia Network Authority. Existing members include George Mason University and Old Dominion University.
- ***George Mason University: Joint Ventures Language.*** This language amendment allows George Mason University to participate in or create a joint venture or innovation agreement with an individual, corporation, governmental body or agency, partnership, association, or other entity to develop and deliver new, collaborative distance learning and technology-based instruction programs for traditional and non-traditional students, including veterans and military personnel. However, the University, prior to the execution of any joint venture or innovation agreement, must formally seek and receive approval from the majority of the members of the Joint Subcommittee on the Future Competitiveness of Virginia Higher Education.
- ***George Mason University: Student Transition Employment Program (STEP).*** Includes \$150,000 GF the second year to expand the STEP program for first generation college students by an additional 20 students.
- ***Old Dominion University: Digital Shipbuilding.*** Provides \$1.0 million GF each year of the biennium to support the Virginia Modeling, Analysis, and Simulation Center's partnership with the regional shipbuilding and ship repair industry for the Virginia Digital Shipbuilding Workforce Program.
- ***University of Mary Washington: Career and Professional Development Center.*** Includes \$375,000 GF the second year to support the implementation of the Career and Professional Development Center.
- ***Virginia Military Institute: Unique Military Activities Uniforms.*** Provides \$1.4 million GF the second year to the Unique Military Activities (UMA) budget at Virginia Military Institute to outfit the Corps of Cadets, Faculty, and staff in the U.S. Army's new Operational Combat Pattern (OCP) uniform.
- ***Virginia Tech – Unique Military Activities.*** Includes \$300,000 GF the second year for additional support for the Unique Military Activities at Virginia Tech for the Corps of Cadets.

- *Virginia Tech Extension: Soil Scientist Assistance Program.* Provides \$200,000 GF each year of the biennium to grant additional support to the Soil Scientist Assistance Program at the Virginia Tech Extension.

- **Other Higher Education Actions**

- *Fund Higher Education Equipment Trust Fund.* Includes an allocation of \$83.0 million each year in bond proceeds to support the replacement of computers and specialized research equipment (these amounts are identical to the FY 2018 allocation).
- *Faculty Salary Increase.* Provides a 2 percent salary increase in December of FY 2020, the share for faculty is approximately \$29.2 million GF. Amounts appropriated for the salary increase are contained under Central Appropriations.
- *Restore Interest Earnings and Credit Card Rebates as Part of Restructuring Incentives.* Includes \$6.7 million GF over the biennium for interest earnings and \$6.3 million GF over the biennium for credit card rebates as part of the incentives that higher education institutions are supposed to retain if they meet their performance measures under restructuring. These amounts are appropriated under Central Appropriations.
- *Reserve Fund Language.* Includes language that would allow for institutional reserve funds to be supported by unexpended educational and general appropriation of the institution at the end of the fiscal year. The reserve fund shall not exceed three percent of the general fund appropriation for the educational and general programs in the most recently completed fiscal year. Use of the reserve fund must be approved by the Boards of Visitors and a detailed plan on the use of the fund must be reported immediately to the Governor, Secretary of Finance, Secretary of Education, and the Chairmen of the House Appropriations and Senate Finance Committees.
- *Mandatory Fee Increases Language Change.* Provides a change to the limit on mandatory fees for other than educational and general programs from 5 to 3 percent. The change would not eliminate current exemptions.
- *Performance Measure Language Change.* Eliminates the additional educational measure required of Level II institutions from being used by the State Council of Higher Education for Virginia for certification of meeting performance measures.
- *Optional Retirement Plans Language and Surcharge.* Language amendment that authorizes the Virginia Retirement System to adjust the contribution rate charged for university employees in positions that were transitioned from the defined benefit VRS program to an optional defined contribution retirement plan in order to recover stranded unfunded liability costs.

- *Evaluation of Rural Virginia Language.* Language amendment that directs the President of the University of Virginia to lead a collaborative evaluation between the University of Virginia, Virginia Tech, and Virginia State University, with assistance from other institutions of higher education and organizations with expertise in the area, to analyze the problems facing rural Virginia and develop strategic recommendations for improvement. The recommendations shall be reported to the Governor and the Chairmen of the Senate Finance and House Appropriations Committees by October 1, 2018.

The budget, Chapter 2 of the 2018 Special Session I Acts of Assembly (HB 5002), for the 2018-20 biennium includes several technical adjustments from Chapter 836 of the 2017 Acts of Assembly, including distributions from Central Appropriations to the various agencies for prior year agency savings, health insurance costs, retirement rate changes, other post-employment benefit rate changes, adjustments to reflect the cost of the Cardinal financial accounting system, and other adjustments to reflect the cost of workers' compensation premiums.

- **Office of the Secretary of Finance**
  - *Provide Additional Operating Funding.* Provides \$160,000 GF each year in additional base operating funding for the Office of the Secretary of Finance.
- **Department of Accounts**
  - *Adjust Rates and Appropriation for Payroll Service Bureau.* Reduces the nongeneral fund appropriation by \$233,986 the first year and \$154,010 the second year to account for an adjustment in rates for the Payroll Service Bureau internal service fund consistent with projected operating costs. The rates account for workload differences in processing different types of payroll and leave accounting.

- *Adjust Appropriation for the Cardinal Financial System.* Reduces the nongeneral fund appropriation by \$6.6 million the first year and \$5.7 million the second year to account for a reduction in the base attributable to the prior inclusion of funding for working capital advance repayments, for which appropriation is no longer needed.
- *Adjust Appropriation for the Performance Budgeting System.* Reduces the nongeneral fund appropriation by \$1.5 million each year to account for a reduction in the base attributable to the prior inclusion of funding for working capital advance repayments, for which appropriation is no longer needed.
- *Establish Rates and Appropriation for New Cardinal Payroll System.* Adds \$5.0 million NGF the first year and \$14.2 million NGF the second year to establish internal service fund rates and appropriation for the new Cardinal Payroll System, which is expected to be fully implemented by April 2018.
- *Add Position to Support Treasury Offset Program.* Provides 1.00 FTE each year to help implement the Treasury Offset Program in the Cardinal Financial System. Funding for the position will be supported with existing nongeneral fund resources from the Cardinal Financial System.

- **Department of Accounts Transfer Payments**

- *Provide Additional Funding for the Revenue Cash Reserve.* Adds \$45.5 million GF each year toward the Revenue Cash Reserve, established pursuant to Chapter 827 of the 2018 Acts of Assembly (HB 763), as well as language governing the deposits to, and calculations for, the Fund. These amounts, combined with \$121.4 million GF in FY 2018 contained within a separate amendment to Chapter 1 of the 2018 Special Session I Acts of Assembly (HB 5001), as well as the \$35.0 million GF carryforward from Chapter 836, bring the total appropriated amount for the Revenue Cash Reserve to \$247.4 million GF. Language also directs 100 percent of fiscal year 2018 surplus revenues, less any necessary, statutory deposits to the Revenue Stabilization Fund and the Water Quality Improvement Fund, to the Revenue Cash Reserve.
- *Increase Appropriation for Enhanced Emergency Communication Services.* Adds \$1.0 million NGF each year in additional appropriation for distributions to Public Safety Answering Points from the Wireless E-911 Fund, consistent with projected revenues.
- *Increase Appropriation for Commonwealth Health Research Fund.* Adds \$223,527 NGF the first year and \$254,562 NGF the second year in additional appropriation for the Commonwealth Health Research Fund to accommodate an increase in grant awards, scientific consultants and administrative expenses. Revenue to

support the appropriation comes from investment earnings of the Commonwealth Health Research Fund.

- ***Distribution of Rolling Stock Taxes to Localities.*** Decreases the appropriation for the distribution of payments to localities for rolling stock taxes by \$570,000 GF each year.
- ***Adjust Funding for the TVA Payments in Lieu of Taxes.*** Reduces by \$100,000 GF each year the distribution to the Tennessee Valley Authority (TVA) for payments in lieu of taxes to reflect current revenue projections.

- **Department of Planning and Budget**

- ***Regulatory Reduction Pilot Program.*** Provides \$330,000 GF and 3.00 FTEs the first year and \$381,600 GF and 3.00 FTEs the second year for the Department to establish a Regulatory Reduction Pilot Program, pursuant to Chapters 444 and 445 of the 2018 Acts of Assembly (HB 883/SB 20).
- ***Eliminate NGF Funding for School Efficiency Reviews.*** Reduces \$300,000 NGF each year to reflect the elimination of nongeneral fund appropriation provided for payments collected in conducting school efficiency reviews.
- ***Transfer Funding for Population Projections.*** Reduces by \$150,000 GF each year the funding for population projections, reflecting the transfer of these funds to the Weldon Cooper Center at the University of Virginia.

- **Department of Taxation**

- ***Add Tax Auditor Positions to Expand Audit Initiative.*** Provides \$825,142 GF the first year and 12.00 FTEs, and \$916,032 GF and 12.00 FTEs the second year to increase the number of tax auditors for an expanded initiative to identify instances where taxpayers have either under-reported income, or claimed tax credits or deductions for which they were ineligible. The adopted budget assumes general fund resources of \$14.7 million GF the first year and \$14.6 million GF the second year resulting from the tax audit initiative.
- ***Increase Appropriation for State Land Evaluation Advisory Committee.*** Adds \$44,300 GF each year to increase the appropriation provided for the State Land Evaluation Advisory Committee.
- ***Provide One-Time Funding to Move Image Storage and Retrieval to Cloud-Based Solution.*** Provides \$583,500 GF and \$32,160 NGF the first year for one-time costs associated with moving the agency's file image storage and retrieval system to a cloud-based solution, which is expected to generate long-term savings, beginning the second year.

- *Funding for Breach Monitoring Service and Security Training.* Includes \$187,768 GF and \$12,232 NGF the first year and \$67,306 GF and \$12,694 NGF the second year to implement a breach monitoring service and begin role-based security training for department staff.
- *Provide Funding and Staff for Identity Access Management Program.* Provides \$662,781 GF and \$36,529 NGF and 2.00 FTEs the first year, and \$450,070 GF and \$24,805 NGF and 2.00 FTEs the second year to design, develop and administer an Identity and Access Management Program.

- **Department of the Treasury**

- *Establish Appropriation for State Insurance Trust Funds.* Adds \$24.8 million NGF each year to establish appropriation for risk management claims and administrative costs, in accordance with federal Department of Health and Human Services' guidelines for recording internal service fund expenditures.
- *Provide Funding for 1.00 FTE in the Accounting and Trust Services Unit.* Adds \$75,006 GF and \$50,003 NGF the first year and \$81,642 GF and \$54,429 NGF the second year to support the cost of 1.00 FTE in the Accounting and Trust Services Unit, which is responsible for providing year-end financial reports used by the Department of Accounts to prepare the Comprehensive Annual Financial Report.
- *One-Time Funding for Relief for Wrongful Incarceration (Robert Paul Davis).* Provides one-time support of \$582,313 GF the first year for relief for Robert Paul Davis for wrongful incarceration, pursuant to Chapter 638 of the 2018 Acts of Assembly (HB 1010).
- *One-Time Funding for Relief for Wrongful Incarceration (Norfolk Four).* Provides one-time support of \$3.5 million GF the first year for relief for Daniel J. Williams, Joseph Jesse Dick, Jr., Eric Cameron Wilson, and Derek Elliot Tice, also known as the Norfolk Four, for wrongful incarceration, pursuant to Chapters 502 and 503 of the 2018 Acts of Assembly (HB 762/SB 772).

- **Treasury Board**

- *Adjust Funding for Debt Service.* In the first year, reflects \$48.0 million GF in new debt service requirements for previously authorized bonds offset by \$52.7 million GF savings from the refunding of College Building Authority Bonds and a delay in issuance of Public Building Authority Bonds for a net savings of \$4.7 million GF. In the second year, reflects \$43.9 million GF to support debt service for previously authorized bonds as well as new approved projects.

- **Secretary of Health and Human Resources**

- *Increase Funding for the Secretary’s Office.* Adds \$75,000 GF each year (a 10 percent increase) to fund the operations of the Secretary of Health and Human Resources. Three other cabinet secretaries also received increases to reflect increased operating costs. This funding reduces the need to make administrative transfers between cabinet offices.
- *Establish a Workgroup for Trauma-Informed Care.* Includes language directing the Secretary of Health and Human Resources to create a trauma-informed care workgroup. The workgroup shall include appropriate state agencies and other stakeholders. The purpose of the workgroup is to develop a shared vision and definition of trauma-informed care. The Secretary shall report on the workgroup's activities to the chairmen of the money committees and the Virginia Commission on Youth by December 15 of each year.
- *Create an Interagency Workgroup for Development of a Statewide Electronic Health Records System.* Adds language directing the Secretary of Health and Human Resources, along with the Secretary of Administration and the Secretary of Public Safety and Homeland Security, to convene an interagency workgroup to oversee the development of a statewide integrated electronic health record (EHR)

system. The workgroup will include the departments of Behavioral Health and Developmental Services, Health, Corrections, and Planning and Budget, and other agencies as deemed appropriate. The purpose of the workgroup is to evaluate common business requirements for electronic health records to ensure consistency and interoperability with other partner state and local agencies and public and private health care entities. The workgroup shall report on its activities and any recommendations to the Joint Subcommittee for Health and Human Resources Oversight by October 15, 2018.

- ***Establish a Workgroup to Evaluate Options to Stabilize the Individual Insurance Market.*** Adds language directing the Secretary of Health and Human Resources to convene a workgroup to examine recent trends in the individual insurance market, state options for stabilizing that market, and resources needed to fund any proposed options. The secretary must report back to the Governor and the Chairmen of the money committees by November 1, 2018.
- ***Provide Authority to Submit a State Innovation Waiver.*** Includes language authorizing the Secretary of Health and Human Resources to develop and apply for a state innovation waiver under Section 1332 of the federal Patient Protection and Affordable Care Act to implement innovative solutions to help stabilize the individual insurance market. The State Corporation Commission Bureau of Insurance will provide technical assistance as requested. The Secretary is required to report on the waiver to the House Appropriations and Senate Finance Committees and the House and Senate Committees on Labor and Commerce prior to its submission to the Federal government.

- **Children’s Services Act (Formerly Comprehensive Services for At-Risk Youth and Families)**

- ***Mandatory Caseload and Cost Increases.*** Adds \$16.9 million GF in FY 2019 and \$27.0 million GF in FY 2020 to fund the anticipated growth in the CSA program. Caseload grew 1.4 percent in FY 2017 to 15,740 from 15,518 in FY 2016. While total census growth is low, expenditures in FY 2017 were up 5 percent over FY 2016. Most of this growth was due to an increasing number of children placed in private day treatment through federally mandated Individualized Education Program (IEP) plans. In FY 2017, 231 additional children were provided private day treatment, a 6.4 percent increase over FY 2016. Expenditures for private day increased by \$17.9 million, which is a 12.9 percent increase over FY 2016. The annual cost of a private day treatment placement was \$41,088 in FY 2017 compared with the average annual cost of \$24,274 for all CSA services.

Language is included limiting rates in FY 2020 to no more than two percent growth over the prior fiscal year for private day education services. This action reduces the

anticipated growth for the CSA program in FY 2020 from \$37.3 million GF to \$27 million GF.

- *Fund a Rate Study for Private Day Placement Services.* Provides \$250,000 GF in FY 2019 for the Office of Children’s Services to contract for a study to determine the adequacy of the current rates paid by localities to special education private day programs. In addition to determining adequacy, the study will also develop recommendations for the implementation of a rate-setting structure. An interim report is due to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2018, and a final report is due by July 1, 2019.
- *Establish a Workgroup to Develop Outcome Measures for Private Day Placements.* Includes language directing the Office of Children's Services, in coordination with the Department of Education, to facilitate a workgroup to include private providers and other stakeholders in order to identify and define outcome measures to assess students' progress in private day placements. The Office of Children's Services and the Department of Education will report recommendations to the Chairmen of the House Education and Appropriations Committees and the Senate Education and Health and Finance Committees by November 1, 2018.

- **Department for the Deaf and Hard-of-Hearing**

- *Adjust NGF Appropriation for the Relay Services Contract and Technology Assistance Program.* Reduces the special fund appropriation by \$2.8 million each year to reflect a reduction in the cost of the telecommunications relay services contract of \$2.8 million a year as more individuals use services made available through the Internet. In addition, the appropriation for the Technology Assistance Program is increased by \$65,930 to cover higher costs in the program resulting in a net decrease of \$2.7 million a year in the agency’s budget. The source of the special fund for these programs is the Communications Sales and Use Tax.

- **Department of Health**

*General Fund Increases*

- *Add Funds for an Electronic Health Records System.* Provides \$4.2 million GF in FY 2020 and one position each year to design and implement an electronic health records system for the 119 local health departments. The system will handle over 332,000 individual client records annually.
- *Increase Funds for Additional Staff in the Office of the Chief Medical Examiner.* Adds \$1.5 million GF each year to fund 12 additional positions to address rising caseloads and continue meeting national standards for autopsy examinations. In

the period from 2012 to 2016, deaths from drug overdoses were up nearly 79 percent and all other deaths, under the jurisdiction of the office, were up 47 percent during that same time period.

- ***Provide Funding for the Hampton University Proton Therapy Foundation.*** Provides \$2.0 million GF the first year for the Hampton University Proton Therapy Foundation for cancer research and therapy. The funding will be used for applied research efforts through the establishment of the nation's first Multi-Ions Therapy (Hadron) facility, continued research and study of tissue specific radiation, biological effectiveness of proton therapy, proton activated atomic medicine, and to improve access to advanced cancer treatment modalities.
- ***Increase the Decedent Transport Fee.*** Adds \$700,000 GF each year to increase the rate the Office of the Chief Medical Examiner pays to funeral homes and transport companies to transport decedents, typically due to traffic accidents. The adopted budget increases the current fee of \$100 to \$250 for removals with 25 miles. There is no change to the \$1.50 per mile rate for distances greater than 25 miles. The fee was last increased in 2001 from \$50 to the current fee of \$100.
- ***Fund Staff to Actively Supervise a Health System Merger Cooperative Agreement.*** Provides \$624,518 NGF each year and six positions to actively monitor a cooperative agreement in Southwest Virginia related to the merger of Wellmont Health System and Mountain States Health Alliance. This merger creates one health system for all of Southwest Virginia and Northeast Tennessee. The cooperative agreement between the health systems, as approved by the State Health Commissioner, allows for the merger to be insulated from anti-trust considerations of the Federal Trade Commission. Prior to the passage of legislation during the 2018 Regular Session, state law only allowed the State Health Commissioner to collect up to \$75,000 a year to supervise the cooperative agreement. Chapter 371 of the 2018 Acts of Assembly (HB 663) allows for greater reimbursement from the health systems to fund the required supervision. This funding provides the State Health Commissioner with the staff necessary to oversee this complex cooperative agreement.
- ***Add GF Support for Free Clinics.*** Provides \$500,000 GF each year to support free and charitable clinics. This additional funding increases total general fund support for the clinics to \$6.8 million annually.
- ***Add Funds for Increased Rents at Local Health Departments.*** Provides \$345,304 GF and \$230,959 NGF each year to address higher lease costs for 18 local health departments that have moved into new facilities or experienced higher costs in current leased space. While lease arrangements are negotiated by the Department of General Services, the cost of new leases is the responsibility of local health departments, which are funded jointly by the state and local governments.

- ***Fund Contract Costs for Virginia Environmental Information System.*** Adds \$165,000 GF the first year and \$223,000 GF the second year to cover the increase in costs associated with a new contract for the Virginia Environmental Information System (VENIS). The VENIS data system supports the Office of Environmental Health and the 35 health districts for on-site sewage systems, food establishment inspections, bedding and upholstered furniture inspections, and various other Environmental Health functions.
- ***Fund Cost Increase in Autopsy Services for Sudden Infant Deaths.*** Provides \$102,923 GF each year to fund the costs of laboratory services provided by the Division of Consolidated Laboratory Services (DCLS), which tests autopsy specimens from the Office of the Chief Medical Examiner for infant deaths due to Sudden Infant Death Syndrome. According to DCLS, federal grant funding to support this testing has been reduced and costs are higher due to newer laboratory technology.
- ***Increase Support for the Health Wagon in Southwest Virginia.*** Provides \$100,000 GF each year to increase support for the Health Wagon in Southwest Virginia, increasing total funding to \$402,712 GF each year.
- ***Provide Additional Funding to Support the Hampton University Proton Beam Therapy Institute.*** Adds \$100,000 GF each year to support the operations of the institute, increasing annual funding to \$571,750 GF.
- ***Fund a Study and Testing of Biosolids Health Effects.*** Provides \$50,000 GF the first year to direct the Virginia Department of Health to review health risks from the land application of biosolids. In addition, another \$50,000 GF is provided the first year to test Class B biosolids that are applied in Virginia for pathogen content.
- ***Add Funds to Support the Mission of Mercy Dental Project.*** Adds \$25,000 GF each year to support the Virginia Dental Health Foundation Mission of Mercy (M.O.M.) dental project. The M.O.M. dental project provides no cost dental services in underserved areas of the Commonwealth through the use of volunteer dentists and hygienists.
- ***Provide Funds to Develop a Plan for Services for Substance-Exposed Infants.*** Provides \$47,000 GF each year for the fiscal impact of Chapters 695 and 696 of the 2018 Acts of Assembly (HB 1157/SB 389). This new law requires the Department of Health to serve as the lead agency with responsibility for the development, coordination, and implementation of a plan for services for substance-exposed infants in the Commonwealth.

### *Nongeneral Fund Increases*

- ***Increase NGF Appropriation for the Federal Ryan White Program.*** Adds \$12.5 million NGF each year to reflect larger federal grant funds for the program due to an increase in the number of clients in the AIDS Drug Assistance Program (ADAP). This action eliminates the need for annual administrative appropriation increases by the Department of Planning and Budget.
- ***Provide Funds for Pilot Program to Increase Education and Access for Women’s Reproductive Health.*** The adopted budget provides \$3.0 million NGF each year from the federal Temporary Assistance to Needy Families (TANF) block grant for a two-year pilot program to increase education and expanded access to contraceptives, particularly hormonal Long Acting Reversible Contraceptives (LARC). The LARCs will be provided to patients that meet the Title X family planning program income requirement. Medical providers will be reimbursed for insertion or removal of the LARCS at Medicaid rates. One position is added for the initiative. Language is also added requiring a report on metrics to assess effectiveness of the program along with other information with the preliminary results due July 1, 2019, and then a final report by June 30, 2020. The report is to be submitted to the Governor, chairmen of the money committees, and the Department of Planning and Budget.
- ***Increase NGF Appropriation for the Drinking Water State Revolving Fund.*** Adds \$2.5 million NGF each year to match the current federal share of funding for waterworks construction projects. The fund is supported by a grant from the U.S. Environmental Protection Agency. This action eliminates the need for annual administrative appropriation increases by the Department of Planning and Budget.
- ***Increase NGF Appropriation for the Trauma Center Fund.*** Provides \$1.5 million NGF each year to match recent expenditures from the Emergency Medical Services Trauma Center Fund. This fund provides funding to hospital trauma centers to offset higher costs necessary for maintaining around the clock availability of trauma care. Revenue for the fund is derived from a \$100 fee for driver’s license reinstatements related to convictions for driving under the influence.
- ***Fund Position for Coordination and Education Related to Newborn Screenings for Time-Critical Disorders.*** Provides \$90,000 NGF each year and one position to fund the fiscal impact of Chapter 531 of the 2018 Acts of Assembly (HB 1362). The new law requires newborn screening tests for time-critical disorders identified by the U.S. Department of Health and Human Services and the Secretary's Advisory Committee on Heritable Disorders in Newborns and Children to be performed seven days per week. Funding is provided to the Department of Health for one nurse position to provide coordination and education services related to the test

results provided by the Department of General Services (DGS) Division of Consolidated Laboratory Services. A companion amendment in DGS provides funds for laboratory operation seven days per week. The nongeneral funds are provided from a fee charged to medical providers for each newborn screening test. The current fee of \$78 per infant will be adjusted to \$90.20 per infant to cover the estimated additional costs to expand testing availability to seven days per week.

*Language*

- ***Establish New Fees for Onsite Sewage Systems.*** The adopted budget establishes new fees for onsite sewage system repairs, voluntary upgrades, and requests for written authorization, for which the department does not currently charge fees. Legislation requires the department to transition evaluation and design services for onsite sewage systems and wells to the private sector. These new fees are proposed to offset the loss of revenue from the transition of those services. The new fees are illustrated in the following table below.

<u>New Permit Type</u>	<u>Proposed Fee \$</u>
Onsite Sewage System Repair (Non-Certified Work) < 1000 Gallons	425
Onsite Sewage System Repair (Certified Work) < 1000 Gallons	225
Written Authorizations (Non-Certified Work)	150
Written Authorizations (Certified Work)	100
Onsite Sewage System Repair > 1000 Gallons	1,400

- ***Determine Feasibility of Implementing a Pay for Success Home Visiting Pilot Program.*** Includes language directing the Department of Health to assess the feasibility of developing a home visiting Pay for Success pilot program. The department will establish a workgroup with Virginia home visiting organizations and early childhood education organizations to examine the issue. The department will determine if the recent provisions of the federal Bipartisan Budget Act of 2018 allow for the department to access federal funding to develop a pilot Pay for Success program for home visiting. The department will report on the feasibility analysis, the availability of federal funding and the steps necessary to proceed with a pilot program to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2018.
- ***Authorize Study of Food Safety and Restaurant Inspection Fees.*** Includes budget language that requires the Department of Health and Department of Agriculture and Consumer Services to develop a long-term plan for funding the food safety and restaurant inspection programs that shall include consideration for merging the two

programs. The report is due to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by October 1, 2018.

### *Nongeneral Fund Decreases*

– *Transfer Appropriation and Positions for Food Programs to the Department of Education.* Transfers \$15.0 million NGF each year and five positions related to the transfer of responsibility for the Child and Adult Care Feeding Program and Summer Food Services Program to the Department of Education. This transfer was authorized in Chapter 836 of the 2017 Acts of Assembly.

- **Department of Health Professions**

– *Increase NGF Appropriation to Cover Additional Costs for Authorized Positions.* Adds \$1.2 million NGF each year to support the costs of 12 positions authorized in the 2017 Session to address increases in workload. No appropriation for these positions was provided in the fiscal year 2018 budget. The source of the nongeneral funds is generated from fees charged to regulated health professionals.

– *Add Funding to Enhance the Prescription Monitoring Program.* Adds \$300,000 NGF each year to enhance the Prescription Monitoring Program to provide significantly better reporting capabilities for all users and less expensive access for integrated prescribing and dispensing systems.

– *Increase NGF to Reflect Costs for Telephone Services.* Provides \$84,000 NGF in appropriation for an update of the agency's phone system. Support for the previous system was ended by the vendor and the resulting change to a new system incurred additional expenses in Virginia Information Technology Agency charges, long distance charges, and equipment rental costs.

– *Add Five Positions to Reflect an Increase in Workload.* Increases the agency's authorized position level by 5.00 NGF to manage the increase in workload across the Health Regulatory Boards that license health professionals, enforce standards of practice, and provide information to health care practitioners and the public. Funding for all five positions is provided through nongeneral funds included in budget for the agency.

- **Department of Medical Assistance Services**

### *Forecast Changes*

– *Medicaid Utilization and Inflation.* Adds \$177.0 million GF and \$312.0 million NGF in FY 2019 and \$398.8 million GF and \$512.5 million NGF in FY 2020 to fund expected increases in enrollment and medical costs for the Medicaid program.

Medicaid spending is expected to increase by 2.1 percent and 4.2 percent, respectively, in FY 2019 and FY 2020, well below the average annual growth rate of 7.1 percent over the past 10 years. Spending growth in the program is largely due to enrollment growth, inflation in certain provider rates, and increased supplemental payments to hospitals.

Spending growth is typically impacted by managed care rate increases, however the Medicaid Forecast is impacted by the transfer of expenditures from the fee-for-service system to the managed care system. The Commonwealth Coordinated Care Plus (CCC Plus) program includes both long-term care and behavioral health services and the new Medallion 4.0 program includes behavioral health services which were previously only provided through fee-for-service. The resulting shift in expenditures reflects assumed savings in fee-for-service costs and the rates for the two managed care programs reflects savings that combined, have a significant impact on Medicaid expenditures for FY 2019 and FY 2020. The CCC Plus program began August 1, 2017 and Medallion 4.0 launches August 1, 2018. The savings assumed is the primary reason for the lower expenditure growth rates for Medicaid.

The November 2017 Medicaid Forecast assumes that managed care rates for CCC Plus will increase by 2.4 percent the first year and 3.5 percent the second year. For the Medallion 4.0 program managed care rates are assumed to increase 28.2 percent (the rate is high due to the new services being moved into the program) the first year and 3.8 percent the second year. Enrollment is expected to grow around 3 percent per year. The forecast does not assume any additional “woodwork” effect from current Affordable Care Act enrollment.

The Medicaid forecast also contains additional funding for inflation adjustments of certain provider rates required by law or regulation. Funding is included for inflation adjustments for hospitals (\$70.2 million GF) and nursing homes (\$34.2 million GF).

The funding amounts noted above are adjusted to reflect a correction to the Official 2017 Medicaid Forecast to reflect two errors in the forecast. The introduced budget included the amount of these two errors as a separate action, but for this document they are included here as part of the Medicaid Forecast. In addition, The General Assembly reduced by \$42.0 million GF and \$42.0 million NGF the second year funding contained in the Medicaid forecast that was included to pay the health insurance fee on managed care contracts as required by the federal Patient Protection and Affordable Care Act. Passage of U.S. Public Law No 115-120 suspended this fee for calendar year 2019, which results in a savings in the amount paid by the Department of Medical Assistance Services in fiscal year 2020.

- ***Adjust Appropriation for the Virginia Health Care Fund.*** Reduces the appropriation in the Medicaid program by \$12.2 million GF in FY 2019 and \$6.5 million GF in FY 2020 and adds a like amount of nongeneral funds each year to reflect changes in revenues to the Virginia Health Care Fund. Revenues from the Fund are used as a portion of the state’s match for the Medicaid program; therefore, higher revenues result in a reduction of the general fund appropriation needed to maintain currently-funded Medicaid services. Conversely, lower revenues require additional general fund support. Revenues in the fund are derived from tobacco taxes, Medicaid recoveries and revenue maximization initiatives, and a portion of the Master Tobacco Settlement Agreement (41.5 percent of tobacco settlement revenues). Changes to the fund include:
  - An increase of \$5.8 million each year in Medicaid recoveries,
  - An increase of \$15.5 million in FY 2019 and \$10.5 million in FY 2020 in expected pharmacy rebates,
  - A decrease of \$10.1 million in FY 2019 and \$10.8 million in FY 2020 from projected reductions in tax collections from cigarettes and other tobacco products.
  
- ***Family Access to Medical Insurance Security (FAMIS) Utilization and Inflation.*** Adds \$3.8 million GF and \$28.2 million NGF in FY 2019 and \$23.4 million GF and \$19.3 million NGF in FY 2020 to reflect the forecast of expenditures in the FAMIS program. The increase in the program costs is due to higher growth in the number of children served by the program, managed care rate increases, and the transition to a lower federal match rate. The federal match rate under the Affordable Care Act was increased temporarily from 65 percent to 88 percent beginning October 1, 2015 through October 1, 2019. However, federal reauthorization of the Children’s Health Insurance program provides a one year transition rate of 76.5 percent from October 1, 2019 through September 30, 2020 when the rate is lowered back to 65 percent. Therefore, in FY 2020, the federal match rate decreases to 76.5 percent for three-quarters of the state fiscal year.
 

FAMIS enrollment of children increased by 4.9 percent in FY 2017 and 12.4 percent in FY 2018. The FAMIS program serves pregnant women and children under the age of 19 in families with income between 133 and 200 percent of poverty.
  
- ***Medicaid Children’s Health Insurance Program (CHIP) Utilization and Inflation.*** The adopted budget adds \$1.9 million GF and \$14.1 million NGF in FY 2019 and \$16.6 million GF and \$4.6 million NGF in FY 2020 to reflect the forecast of expenditures in the Medicaid CHIP program. As with the FAMIS program, the growth is due to increasing enrollment in the number of children served by the program, managed care rate increases, and the transition to a lower federal match

rate. The federal match rate under the Affordable Care Act was increased temporarily from 65 percent to 88 percent beginning October 1, 2015 through October 1, 2019. However, federal reauthorization of the Children's Health Insurance program provides a one year transition rate of 76.5 percent from October 1, 2019 through September 30, 2020 when the rate is lowered back to 65 percent. Therefore, in FY 2020, the federal match rate decreases to 76.5 percent for three-quarters of the state fiscal year.

Enrollment in the Medicaid CHIP program has increased by 5.3 percent in FY 2017 and 15.9 percent in FY 2018. The Medicaid CHIP program provides services for Medicaid-eligible low-income children, aged 6 – 18, living in families with incomes between 100 and 133 percent of the federal poverty level.

- ***Adjust Funding for Involuntary Mental Commitments.*** Provides \$3.0 million GF in FY 2019 and \$3.9 million in FY 2020 for expected expenditure growth as a result of higher caseload for hospital and physician services related to involuntary mental health commitment hearings. Legislation adopted by the 2014 General Assembly related to the duration of emergency custody and temporary detention orders have resulted in higher than anticipated additional costs for these medical services.

### ***Policy Changes***

- ***Medicaid Expansion for Low-Income Individuals and Medicaid Transformation.*** Reduces funding by \$74.4 million GF in FY 2019 and \$202.5 million GF in FY 2020 and increases funding of \$941.3 million NGF in FY 2019 and \$2.1 billion NGF in FY 2020 to reflect the net impact of expanding Medicaid to individuals with income up to 138 percent of the federal poverty level pursuant to the Patient Protection and Affordable Care Act (ACA) by January 1, 2019. The fiscal impact assumes that 300,000 individuals will be enrolled.

The adopted budget reduces general fund spending for Medicaid related expenditures and increases federal Medicaid matching funds to reflect the impact of Medicaid expansion on the agency's budget. Companion budget actions also reduce spending in the Department of Behavioral Health and Developmental Services and the Department of Corrections to capture anticipated savings in those agencies. In addition, 15 positions are proposed to be added in the department to support Medicaid expansion.

The estimated state cost of the coverage expansion, to be funded from a provider assessment on hospitals, is \$80.8 million in FY 2019 and \$226.1 million in FY 2020. The estimated general fund costs and savings are illustrated in a table at the end of this narrative section.

The adopted budget adds language to provide authority for the Department of Medical Assistance Services (DMAS) to seek approval from the Centers for Medicare and Medicaid (CMS) to enhance Medicaid coverage to serve low income individuals with incomes up to 138 percent of the federal poverty level pursuant to the federal Patient Protection and Affordable Care Act (ACA), effective by January 1, 2019. Language creates a “dual track” for Medicaid transformation and key reforms by authorizing DMAS to seek federal approval for a State Plan amendment, while simultaneously applying for and seeking approval for a section 1115 Medicaid demonstration waiver to incorporate innovative reforms to promote health and well-being, personal responsibility, and fiscal sustainability.

Language detailed below provides the framework for coverage of newly eligible adults, the health care delivery system, the benefit package, cost sharing, health and wellness accounts, and requirements for able-bodied adults ages 18 to 65 to participate in the Training, Education, Employment and Opportunity Program (TEEOP).

- **Coverage:** Implements the ACA expansion by covering all adults up to 138% of the federal poverty level, estimated at 300,000 individuals.
- **Delivery System:** All newly eligible will be enrolled in private Medicaid managed care plans or employer sponsored plans, if cost effective.
- **Benefit Package:** Basic plan covers all ACA essential health benefits and current Medicaid covered mental health and addiction recovery and treatment services. The agency is authorized to develop supportive employment and supportive housing services for high risk individuals, which may be available at a future date.
- **Premiums:** Requires newly eligible adults with incomes between 100 and 138 percent of poverty to pay monthly premiums.
  - Premiums set on a sliding scale not to exceed two percent of income, nor less than \$1 per month.
  - Failure to pay premiums results in a “lock-out” period and allows for recovery of payments owed through debt set-of collection; however, there are provisions for a grace period prior to suspending participation in the program.
- **Coverage Effective Date:** Coverage is effective the first of the month following receipt of the premiums payment (limits retroactive eligibility).

- **Copayments:** Individuals with incomes up to 100% of poverty would be subject to existing Medicaid cost sharing requirements. Individuals with incomes between 100 and 138 percent of poverty would be subject to copayments to promote healthy behaviors and to encourage personal responsibility, such as the appropriate use of emergency room services.
- **Health and Wellness Accounts:** All premiums will be deposited to a health and wellness account to be used to fund health insurance premiums and cover out-of-pocket expenses for any deductible amounts.
- **Training, Education, and Employment Requirement:** Requires able-bodied adults ages 18 to 65 to participate in the Training, Education, Employment and Opportunity Program (TEEOP). The adopted budget includes \$6.6 million GF in FY 2019 and \$18.9 million GF in FY 2020 to implement the TEEOP program.
  - Exceptions to the requirement: (i) children under age 18 or under age 19 who are participating in secondary education; (ii) individuals age 65 years and older; (iii) individuals who qualify for Medicaid due to blindness or disability or who qualify for Medicaid home and community-based services; (iv) individuals residing in institutions; (v) medically frail individuals; (vi) individual with serious mental illness; (vii) pregnant and postpartum women; (viii) former foster children under the age of 26; (ix) individuals who are the primary caregiver of a dependent, including a dependent child or adult with a disability; and (x) individuals who already meet the work requirements of the Temporary Assistance to Needy Families (TANF) program or the Supplemental Nutrition and Assistance Program (SNAP).
  - Required participation escalates from 20 to 80 hours per month after an initial three-month grace period from enrollment, with a lock-out period if individual fails to comply any 3 months out of a 12-month period from the time of enrollment. However, if an individual comes into compliance, he may re-enroll during this period.
  - Participation in the following activities: (i) job skills training; (ii) job search activities; (iii) education related to employment; (iv) general education, including participation in a program of preparation for the GED certification examination or community college courses leading to industry certifications or a STEM-H related degree or credential; (iv) vocational education and training; (v) subsidized or unsubsidized employment; (vi) community work experience, community service or

public service that can reasonably improve work readiness; or (vii) caregiving services for a non-dependent relative or other person with a chronic, disabling health condition.

- Waiver of the work requirement in areas of high unemployment as compared to the statewide average (150 percent of the statewide unemployment rate).
- **Disenrollment Provision if Federal Funding is Reduced:** Includes language directing the disenrollment of the expansion population if the federal government reduces their support of the overall Medicaid program.

- *Hospital Provider Assessments for State Share of ACA Medicaid Coverage Expansion and Enhancement of Medicaid Rates for Private Acute Care Hospitals.* Includes \$300.0 million NGF the first year and \$479.0 million NGF the second year, along with the authority, to impose two provider assessments on private acute care

hospitals in the Commonwealth. The assessments will be on or after October 1, 2018, dependent on federal approval.

The first assessment is the coverage assessment, which is intended to pay the non-federal share of the full cost of expanding Medicaid coverage pursuant to the Affordable Care Act. The hospital provider coverage assessment (authorized on Part 3 of the budget) will apply to only private acute care hospitals (excludes public, freestanding psychiatric and rehabilitation, children's, long stay, long-term acute care and critical access hospitals). The coverage assessment will be calculated annually by May 1. Each hospital's assessment will be based on the assessment percentage times net patient service revenue. The coverage assessment percentage for each hospital is calculated by taking 1.08 times the non-federal share of the full cost of expanded Medicaid coverage divided by hospital net patient service revenue. The coverage assessment amount is estimated to be 0.5 percent in FY 2019 and 1.4 percent in FY 2020 of net patient revenue. All proceeds from the assessment will be deposited in a separate Health Care Coverage Assessment Fund.

The second assessment will enhance the Medicaid rates for private acute care hospitals in the Commonwealth. The hospital provider payment rate assessment will cover the state share of costs to increase Medicaid fee-for-services rates to the federal upper payment limit and close the managed care organization hospital payment gap for both inpatient and outpatient services. This payment rate assessment applies to the same group of hospitals as the coverage assessment and will be administered in a similar manner. The payment rate assessment amount is estimated to be 1.2 percent in FY 2019 and 1.9 percent in FY 2020 on net patient revenue.

#### *Adopted Spending for Department of Justice (DOJ) Related Items*

- ***DOJ: Add Funding for Required Community Living (CL) and Family and Individual Supports (FIS) Waiver Slots.*** Provides \$14.5 million GF in FY 2019 and \$30.5 million GF in FY 2020 and an equal amount of federal Medicaid matching funds to add 1,319 new CL, FIS and Building Independence (BI) waiver slots over the biennium to meet the requirements of the DOJ settlement agreement, which only required the creation of 825 CL and FIS slots. However, due to the redesign of the waivers and the concurrence of the U.S. Department of Justice, the allocation of slots between each waiver is modified to reflect the needs of individuals with developmental disability. Funding will be used to add 384 new CL waiver slots for individuals either transitioning from state intellectual disability training centers to the community or for individuals residing in the community on the waiting list, and 895 new FIS waiver slots along with 40 BI slots for individuals residing in the community during the 2018-20 biennium.

- ***DOJ: Reduce Funding for State Intellectual Disability (ID) Training Centers.*** The adopted budget includes net general fund savings of \$10.5 million in FY 2018 and \$17.0 million in FY 2020 and an equal amount of federal Medicaid matching funds each year reflecting the ongoing closure of operations at state ID training centers. The Department of Justice settlement agreement requires that individuals be transitioned into more integrated settings in the community. Savings this biennium reflect the closure of Southwestern Virginia Training Center in June of 2018 and the estimated impact of discharges from Central Virginia Training Center, which is expected to close by the end of FY 2020. A companion budget action within DBHDS provides funds for closure costs not reimbursable through the Medicaid program.

### ***Other New or Reduced Spending***

- ***Increase Personal Care Rates.*** Provides \$9.9 million GF and \$9.9 million NGF in FY 2020 to increase Medicaid rates for agency and consumer-directed personal care and respite care services by two percent in FY 2020 in the home and community-based waiver programs and the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) program.
- ***Add 326 Family and Individual Support Waiver Slots.*** Provides \$5.0 million GF and a like amount of federal matching funds in the second year to create 326 new Family and Individual Support Waiver slots to further reduce the waiting list for services. These slots are created in addition to those required pursuant to the settlement agreement with the U.S. Department of Justice.
- ***Fund the Medicaid Costs of Full Implementation of Same Day Access at Community Services Boards.*** The adopted budget provides \$1.6 million GF in FY 2019 and \$1.6 million GF in FY 2020 and a like amount of matching federal Medicaid funds each year, to fund the Medicaid costs of same day access to services at 22 Community Services Boards (CSBs). Chapter 836 provided funding for the first 18 CSBs. This service is the first part of the STEP-VA initiative to improve access and uniformity of services across the Community Services Board System. Chapters 683 and 607 of the 2017 Acts of Assembly mandate all Community Services Boards provide same day access to services by July 1, 2019.
- ***Add 50 Reserve Waiver Slots.*** Adds \$937,238 GF and \$937,238 NGF in FY 2019 and \$1.9 million GF and \$1.9 million NGF in FY 2020 to fund 50 reserve waiver slots in the Community Living Medicaid waiver serving individuals with developmental disability. The reserve slots will be used for emergencies, individuals transferring between the three waiver programs, or for individuals transitioning from an intermediate care facility or nursing facility to the community.
- ***Modify Funding for Medicaid-Supported Graduate Medical Residencies in Hospitals.*** Adds \$200,000 GF the first year and \$1.5 million GF the second year and

a like amount of federal matching funds each year to fund supplemental payments to provide for the second and third years of graduate medical education for 15 funded slots for residents who began their residencies in July 2017; the first and second years of graduate medical education of 14 funded slots for residents beginning their residencies in July 2018; and the first year of graduate medical education of 25 funded slots for residents beginning their residencies in July 2019. This amendment also provides supplemental payments of \$50,000 to any residency program at a facility whose Medicaid payments are capped by the Centers for Medicare and Medicaid Services.

- ***Modify Supplemental Payments for the State's Teaching Hospitals.*** Provides \$10.1 million NGF the first year and \$10.5 million NGF the second year from federal Medicaid matching funding and allows the Department of Medical Assistance Services to adjust Medicaid funding sources for the Commonwealth's two state teaching hospitals, VCU Health System and UVA Medical System and their qualifying partners. In order to maintain federal supplemental funding, language is added to modify the payment methodology to address the move of the state's Medicaid program from fee-for-service to a managed care delivery system. The teaching hospitals will provide the state share of funding to draw down matching federal Medicaid funds.
- ***Implement Supplemental Payment for Government-Owned Chesapeake Regional Medical Hospital.*** Provides \$3.0 million NGF the first year and \$3.1 million NGF the second year to increase Medicaid payments to Chesapeake Regional Medical Hospital, which is owned by a local government. Federal law permits states to make Medicaid payments up to the upper payment limit to government-owned hospitals. The state share of the Medicaid payment will be provided by the hospital through an intergovernmental transfer with the state.
- ***Use Civil Money Penalty Funds to Improve Patient Care in Nursing Facilities.*** Increases the nongeneral fund appropriation by \$1.4 million each year from the fund in which civil monetary penalties assessed on nursing homes are deposited to support quality improvement initiatives at nursing facilities. Civil monetary penalties are collected from nursing facilities that are found out of compliance of federal standards. These funds provide an emergency source of funds in cases of sudden nursing facility closures which may require resources to relocate residents. The prior appropriation for quality initiatives was limited to \$325,000 per year, although the revenue in the fund was significantly higher. The additional appropriation will allow for expansion of quality improvement initiatives while still maintaining a sufficient cash balance in the fund for emergencies.
- ***Fund Eye Care Services for Low-Income Children Not Eligible for Medicaid or FAMIS.*** Provides \$336,096 NGF each year from federal Children's Health Insurance

Program administrative allotment for the Department of Medical Assistance Services to contract with Vision to Learn, a non-profit organization, to fund eye exams and provide corrective lenses, if necessary, for children in Title I schools. Only those schools with 51 percent or higher of the student body receiving free or reduced lunch would qualify. It is estimated that 2,700 children each year with incomes above the FAMIS eligibility of 200 percent of the federal poverty level would qualify under the program. The state share of costs would be matched by the Virginia Health Care Foundation.

### ***Administrative Funding***

- ***Streamline Medicaid Application and Enrollment Process for Inmates.*** Provides \$372,043 GF and \$2.4 million NGF the first year and \$527,793 GF and \$1.4 million NGF the second year, along with two positions, to streamline the Medicaid application and enrollment process for adult and juvenile inmates pursuant to Chapter 198 of the 2017 Acts of Assembly study recommendations. The improvements to the process will save state money on managed care contracts by identifying inmates upon incarceration, automate data exchange between the Department of Medical Assistance Services, the Compensation Board, the Department of Corrections and the Department of Juvenile Justice, centralize inmate medical applications; and allow for seamless enrollment upon reentry.
- ***Fund External Quality Review Activities for Managed Care Oversight.*** Adds \$301,755 GF and \$905,266 NGF in FY 2019 and \$570,449 GF and \$1.7 million NGF in FY 2020 to fund a contract with an External Quality Review Organization (EQRO). An EQRO analyzes and evaluates data from the managed care companies related to quality, timeliness, and access to care for Medicaid enrollees as required by federal regulation. The funding would also support an audit of the managed care companies' provider networks.
- ***Add Two Positions to Strengthen Agency Data Security and Processes.*** The adopted budget adds \$138,087 GF and \$138,087 in matching federal Medicaid funds each year of the biennium to fund two positions to address data security weaknesses. These positions will enhance risk management, encryption key management, intrusion protection and detection, and vulnerability scanning to ensure the agency's systems are secure and fully compliant with federal standards.
- ***Backfill a Reduction in Federal Support for Information Technology Staff.*** Provides an increase of \$250,000 GF and a decrease of \$250,000 NGF in FY 2020 to backfill funds due to a reduction in the federal match rate for certain information technology positions involved in the Medicaid Enterprise System (MES) replacement. A prior savings action reduced the GF for these positions because federal rules permit a 90 percent federal match for certain activities related to the

re-procurement of the MES. The period of time the higher match rate can be claimed ends by FY 2020.

- ***Fund Increase in Costs for Third Party Liability Verifications.*** Provides \$104,175 GF and \$104,175 in matching federal Medicaid funds each year to fund the increase in costs associated with performing 28,000 Third Party Liability (TPL) verifications each year. In addition, this funding would also support 2,000 additional TPL verifications each year along with 675 Medicare verifications, which are currently not conducted at all.
- ***Evaluation of the GAP Waiver.*** Adds \$85,000 GF and \$85,000 NGF each year to pay for an independent evaluation of the GAP waiver. The GAP waiver provides a limited Medicaid benefit to seriously mentally ill individuals with incomes up to 100 percent of the federal poverty level that are otherwise not eligible for the regular Medicaid program. The federal government requires an evaluation of waivers.
- ***Increase Funding for FAMIS Outreach and Enrollment.*** Adds \$11,280 GF and \$82,720 NGF in FY 2019 and \$19,388 GF and \$74,612 NGF in FY 2020 to provide additional funding for a contract with the Virginia Health Care Foundation to increase support for outreach and enrollment efforts for the FAMIS program.

### ***Language***

- ***Establish an Annual Spending Target for Medicaid.*** Establishes an annual state spending target for the Medicaid program to increase monitoring, transparency, and accountability over Medicaid spending. The target shall be established by the Joint Subcommittee for Health and Human Resources Oversight and the Governor shall abide by the target in proposing Medicaid spending in the budget. The target shall be in effect for the budget beginning in the 2020-22 biennium.
- ***Examine Options to Increase Community Hospital Participation for Providing Care for Individuals Subject to Temporary Detention Orders (TDO).*** Includes language directing the Department of Medical Assistance Services, in cooperation with the Department of Behavioral Health and Developmental Services, to examine options for increasing participation of community hospitals in providing care to individuals subject to temporary detention orders and to report findings to the General Assembly by September 30, 2018. Community hospital services for individuals subject to TDOs has declined since 2014, consequently increasing the demand on the state mental health hospitals to provide such services.
- ***Create an Interagency Workgroup for Call Center Consolidation.*** Directs the Secretary of Health and Human Resources to establish a workgroup, to include the Department of Medical Assistance Services (DMAS), Department of Social Services (DSS), the Department of Planning and Budget (DPB), and representatives of the

Virginia League of Social Services Executives to assess the programmatic, operational and fiscal impact of consolidating the Cover Virginia call center with the call center operated by DSS to determine if more efficient and cost effective services can be achieved, prior to the reprocurement of DMAS Cover Virginia call center contract.

- ***Explore Private Options for Service Delivery of Consumer-Directed Services.*** Directs the Department of Medical Assistance Services to explore private sector technology based platforms and service delivery options to allow qualified, licensed providers to deliver the Consumer-Directed Agency with Choice model in the Commonwealth of Virginia in order to improve quality outcomes, reduce potential for fraud, waste and abuse, and increase efficiency. The department is required to examine the model with stakeholders and to submit a report to the General Assembly by December 1, 2018.
- ***Clarify Requirements for Implementation of Electronic Visit Verification for Personal Care Services.*** Clarifies language directing the implementation of electronic visit verification for personal care, companion and respite services. This language clarifies that electronic visit verification is intended for services rendered in an individual's home and not for services rendered at a provider's setting (i.e. respite care in a group home).
- ***Modify Requirements for Private Duty Nursing Services.*** Includes language directing the Department of Medical Assistance Services to review and adjust the medical necessity criteria, services covered, provider qualifications and rates for private duty nursing services to ensure appropriate utilization and ensure cost-effectiveness of services. No changes to this service shall take effect until July 1, 2019.
- ***Sunset New Supplemental Payments to Private Hospitals.*** Adds language that sunsets supplemental payments for private acute care hospitals after the new hospital provider assessment to enhance hospital rates takes effect. In the 2017 Session, the General Assembly authorized Medicaid supplemental payments to Sentara Health System and Carilion Hospital based upon their affiliations with Eastern Virginia Medical School and the Virginia Tech / Carillion School of Medicine, respectively. In the 2018 Special Session I, the General Assembly authorized a provider assessment to enhance Medicaid payment to all private acute care hospital, therefore eliminating the need for the other supplemental payments.
- ***Modify Supplemental Payments for Children's National Medical Center.*** Includes language directing the Department of Medical Assistance Services to make Indirect Medical Education (IME) payments in lieu of Disproportionate Share Hospital (DSH) payments in order to make supplemental payments to the hospital. The

hospital has reached their federal DSH cap so this language allows Medicaid to otherwise pay the amount the hospital what it would have received from DSH with an IME payment.

- ***Submit Annual Report on Supplemental Payments to Hospitals.*** Requires the Department of Medical Assistance Services to submit by September 1 of each year a report to the General Assembly on supplemental payments to hospitals through Medicaid. The report must include every type supplemental payment and describe the purpose of the payments.
- ***Modify Medicaid Expenditure Forecasting and Reporting Requirements.*** Requires additional information to be included in the annual November 1 forecast of Medicaid expenditures. In addition, an unnecessary quarterly report is replaced with a report on managed care expenditures in Medicaid to improve reporting on program spending. The department is also required to create an annual report to track the costs or savings of changes to services and eligibility made to the Medicaid and FAMIS programs for at least five years in order to provide better data on how those changes impact expenditure trends over time.
- ***Improve Tracking and Reporting of Pharmacy Rebates.*** Requires quarterly accounting of pharmacy rebates and a separate revenue account to track rebates in order to improve monitoring of overall Medicaid expenditures during the year.
- ***Review Rates for Residential Psychiatric Treatment Facilities.*** Adds language directing the Department of Medical Assistance Services to review the rates paid to residential psychiatric treatment facilities and determine if the current rates are appropriate for those facilities. The department must report any findings by December 1, 2018.
- ***Allow Extension of Requirement for Informal Appeals Decisions.*** Includes language allowing for a provider and the Department of Medical Assistance Services to jointly stay the deadline for an informal appeal decision for up to 60 days in order to facilitate early settlement decisions between providers and the department. This language is a recommendation of the department's appeals workgroup created by language in the 2017 Session.
- ***Allow Hold Harmless from Audits for Developmental Disability (DD) Waiver Services Providers until all State Requirements are in Place.*** Includes language holding Medicaid DD waiver service providers harmless from audits if the audit points are not supported by legal requirements in effect at the time of the audit. After the redesign of the waivers, which took effect September 1, 2016, and until 180 days after publication of the Developmental Disability Waivers provider manual, providers have been unclear about the rules in certain cases. This language limits

audit findings to only those that were known to the providers at the time and not to a provider manual that had not yet been published.

- ***Modify Language for the Graduate Medical Residency Program.*** Includes language specifying the hospitals that have been awarded the remaining ten graduate medical residency slots. This program uses Medicaid funding to fund up to 25 slots for medical residents at Virginia hospitals. Last year only 15 of the 25 slots were filled and this language reflects the award of the remaining 10 slots.
- ***Require Data Reporting on Managed Care Payments for Services under the Children’s Services Act (CSA).*** Adds language requiring the Department of Medical Assistance Services (DMAS) to collect from Medicaid managed care companies all data and information necessary to be provided to the Office of Children’s Services (OCS) in order to ensure the collection of the local matching share of Medicaid eligible services under CSA. Services provided through the CSA program require a local matching share. DMAS is transitioning these services from a fee-for-service payment to a capitated payment model, but OCS still needs to receive the data on services provided, on a monthly basis, in order to calculate and collect the local share.
- ***Require Notice of Changes to the State Plan or Medicaid Waivers.*** Adds language requiring that the Department of Medical Assistance Services provide notice to the Department of Planning and Budget 30 days prior to the submission of a state plan or waiver amendment for Medicaid. The notice would state the purpose of the change and if any future regulatory action or additional funding would be needed.
- ***Update the Eligibility Performance Management Program.*** Requires the Department of Medical Assistance Services and the Department of Social Services to report data on the functioning of the eligibility system for Medicaid and the Children’s Health Insurance Program. Based on the data collected, the agencies are required to develop meaningful performance metrics that shall be publicly reported to demonstrate the performance of the eligibility system including the performance of local departments of social services and the centralized processing unit.

- **Department of Behavioral Health and Developmental Services (DBHDS)**

- ***Community Mental Health and Substance Use Disorder Treatment Services***

- ***Add Funds for STEP-VA Assessment Services at Community Services Boards (CSBs).*** The adopted budget adds \$7.5 million GF and \$1.6 million NGF each year over the biennium to complete the implementation of same-day access to assessment services at 22 remaining CSBs. Of this amount, \$5.9 million GF each year is provided in the budget for DBHDS and \$1.6 million GF and \$1.6 million in matching federal Medicaid matching funds each year is provided in the budget for

the Department of Medical Assistance Services (DMAS) for those services provided on behalf of Medicaid recipients. Funding will be used for additional staffing to provide intake and increase mental health evaluations.

- ***Add Funds for STEP-VA Primary Care Screening Services at CSBs.*** Adds \$3.7 million GF the first year and \$7.4 million GF the second year to implement primary care screening services at all 40 CSBs. Chapters 607 and 683 of the 2017 Acts of Assembly expanded the core of services to be provided by CSBs and behavioral health authorities to include primary care screening and monitoring for physical health indicators and health risks beginning in FY 2020. In addition, funding will support follow-up services for individuals identified as being in need of assistance with overcoming barriers to accessing primary health services.
- ***Add Funds for STEP-VA Outpatient Services at CSBs.*** Provides \$15.0 million GF the second year to begin phasing in a statewide expansion of outpatient services at CSBs and Behavioral Health Authorities. Chapters 607 and 683 of the 2017 Acts of Assembly expanded the core of services to be provided by CSBs and behavioral health authorities to include outpatient services for individuals with mental health or substance use disorders, effective July 1, 2021. This funding would accelerate the phasing in of these services to assist preventing crisis oriented care and addressing capacity issues at state hospitals. These services were identified as a critical need through the agency's System Transformation, Excellence and Performance in Virginia (STEP-VA) process.
- ***Add Funds for STEP-VA Detoxification Services at CSBs.*** Provides \$2.0 million GF the second year to provide detoxification services at CSBs and Behavioral Health Authorities, in accordance with Chapters 607 and 683 of the 2017 Acts of Assembly to expand the core of services. This funding would accelerate the provision of these services which are required to be provided by July 1, 2021. These services were identified as a critical need through the agency's System Transformation, Excellence and Performance in Virginia (STEP-VA) process.
- ***Continue Funds for Medication Assisted Treatment Services.*** Provides \$5.0 million the first year from the federal State Targeted Response to the Opioid Crisis Grant and \$5.0 million the second year from the general fund to continue for opioid medication assisted treatment services to approximately 700 individuals. The 2017 General Assembly appropriated available federal grant funding for this purpose in FY 2018 and through federal fiscal year 2019. Recent federal action extended the federal grant through federal fiscal year 2020.
- ***Add Funds for Discharge Assistance Plans to Reduce Census at State Facilities.*** The adopted budget adds \$2.3 million GF the first year and \$4.6 million GF the second year to transition 92 individuals from state facilities who face extraordinary

barriers to discharge into the community. Funding will help to reduce census pressures at state mental health facilities.

- ***Expand Permanent Supportive Housing for Mentally Ill.*** The adopted budget includes the following actions to expand permanent supportive housing and program oversight for individuals with serious mental illness and substance use disorders:
  - \$1.5 million GF the first year and \$3.1 million GF the second year to expand permanent supportive housing for up to 200 individuals with serious mental illness with priority for those who are currently residing in state facilities and are ready for discharge;
  - \$826,260 GF the first year and \$1.7 million GF the second year for pregnant women or women with children with substance use disorders; and
  - a transfer of \$200,000 GF from the funds for permanent supportive housing for individuals in the community to the central office to fund two additional positions to provide program oversight. The 2017 actions by the General Assembly provided \$100,000 and one position to oversee the program.
- ***Develop Housing Options to Increase Community Capacity for Facility Discharges.*** Adds \$700,000 GF the first year and \$1.7 million GF and 10 positions the second year for the development of housing options for individuals with serious mental illness transitioning from state facilities to communities. The target population will be individuals in state hospitals who have the most complex and resource intensive needs to provide them with the potential for transitioning to more integrated settings. Housing options could range from supervised apartments, group home, assisted living facility services or other supportive housing services.
- ***Fund Community Support Teams to Assist with Community Integration.*** Adds \$1.1 million GF each year for community support teams to develop and oversee a continuum of integrated community settings for individuals leaving state hospitals. Out of this amount, \$250,000 the second year will be used for a team to provide nursing, case management and staff support for high risk individuals discharged from state hospitals to more intensive housing options. The remaining funding would fund a specialized community integration team with psychiatric, clinical/behavioral, nursing and geriatric expertise to work with an array of providers to ensure individuals discharged from state behavioral health hospitals have access to a continuum of community-based services including behavioral, nursing, case management support, and permanent supportive housing.

- *Alternative Transportation Services for Individuals Subject to TDOs.* Provides \$2.5 million the first year and \$4.5 million the second year from the general fund to phase-in an alternative transportation system for adults and children subject to a temporary detention order. A pilot program implemented in Southwest Virginia in 2015 demonstrated that transportation by an alternative provider for individuals under a temporary detention order was a safe and effective means of delivering services while minimizing trauma to the individual in crisis. Funding will be used to implement a regionally based transportation service within each of the five primary DBHDS regions with state oversight and certification of providers, as recommended by the Joint Subcommittee to Study Mental Health Services in the Commonwealth in the 21st Century.
- *Discharge Planning at Local Jails.* Provides \$1.6 million from the general fund each year for Community Services Boards to provide discharge planning services at two jails with a high percentage of inmates with serious mental illness, as recommended by the Joint Subcommittee to Study Mental Health Services in the Commonwealth in the 21st Century. Discharge planning includes linking inmates with serious mental illness to community providers for treatment and housing and other needed services as they transition from jails to the community.
- *Telemental Health Pilot Program.* Adds \$1.1 million from the general fund each year to establish the Appalachian Telemental Health Initiative, a telemental health pilot program to increase the availability of telemental health services in emergency settings in Southwest Virginia, as recommended by the Joint Subcommittee to Study Mental Health Services in the Commonwealth in the 21st Century. Funding would be used to establish a telemental health provider directory, make training available for a broad spectrum of mental health providers, develop the technology infrastructure and support, and extend an evidence-based program focused on managing patients with addiction disorders.
- *CIT Training and Assessment Centers in Unserved Rural Communities.* The adopted budget provides \$657,648 from the general fund each year to establish CIT training programs in six rural communities and \$900,000 the first year and \$1.8 million the second year from the general fund to build on prior initiatives to establish an additional six assessment centers in unserved rural communities. Currently, there are 32 centers located across the Commonwealth. Expansion of these programs were recommended by the Joint Subcommittee to Study Mental Health Services in the Commonwealth in the 21st Century.
- *Intercept Two Diversion Programs.* The adopted budget provides \$708,663 from the general fund each year to establish an Intercept 2 diversion program in up to three rural communities, as recommended by the Joint Subcommittee to Study Mental Health Services in the Commonwealth in the 21st Century. The Intercept 2

model focuses on diverting individuals with behavioral health issues away from detention in jails, through prompt identification of individuals with behavioral health issues through initial screenings and by linking individuals to community-based treatment services through cross-agency partnerships.

- ***Savings for Community Behavioral Health Services.*** Reduces spending by \$11.1 million GF the first year and \$25.0 million GF the second year to reflect the impact of estimated savings from Medicaid expansion. The savings would come from state support to Community Services Boards for individuals receiving community behavioral health and substance use disorder treatment services, who would become eligible for Medicaid through the proposed expansion on January 1, 2019.

### ***Department of Justice (DOJ) Budget Actions***

- ***Summary of Budget Actions.*** The adopted budget includes a net addition of \$9.1 million GF the first year and \$23.3 million GF the second year to continue implementation of the settlement agreement with the U.S. Department of Justice related to the training centers and community integration of individuals with intellectual and developmental disabilities into the community. The budget actions are included in the budgets for the Department of Medical Assistance Services, and the Department of Behavioral Health and Developmental Services (DBHDS). The summary table below illustrates all DOJ related budget actions in the agencies. The individual descriptions of related budget actions in DBHDS follow.
- ***DOJ: Increase Funds for State Rental Assistance Program for Individuals with Developmental Disabilities to Live in Independent Settings.*** Provides \$1.6 million GF the first year and \$4.1 million the second year to support 343 individuals to live in their own housing with appropriate supports. This funding will allow the Commonwealth to achieve its goal to provide rental assistance to 847 individuals as agreed upon by the agency and the U.S. Department of Justice.
- ***DOJ: Expand Crisis Services.*** Adds \$2.4 million GF the first year and \$3.2 million GF the second year to improve crisis programs to comply with requirements of the settlement agreement. This funding will support staffing for a children’s crisis therapeutic home and an adult transition home located in the Northern Virginia catchment area. The 2017 General Assembly provided one-time funds from the Behavioral Health and Developmental Services Trust Fund to develop services in Northern Virginia for those with intensive behavioral or medical needs, including two eight-bed therapeutic homes. The settlement agreement requires the Commonwealth to implement a statewide crisis system to support individuals with developmental disabilities.

<b>Total DOJ Proposed GF Spending</b>	<b>\$9.1</b>	<b>\$23.3</b>

\*Additional nongeneral funds are also included for DOJ related activities through the federal Medicaid match for waiver slots and reserve slots totaling \$45.0 million over the biennium, as well as \$5.0 million in FY 2019 from the BHDS Trust Fund for increasing community capacity for individuals with medically complex support needs, provider training and compliance reviews, quality management and information technology.

- *DOJ: Fund a Developmental Disabilities Health Support Network in the Central Virginia Region.* Adds \$1.3 million GF and 8.75 FTE positions the second year to create a health support network in the central Virginia region of the Commonwealth to ensure that appropriate services are available for individuals in the community

that have transitioned from the training centers. The current budget of \$3.9 million GF supports three health support networks: one in Northern Virginia, one in the Richmond area, and one in Southwest Virginia. These networks provide health education, dental services and equipment repair. A network in Central Virginia is proposed to be developed to coincide with the planned closure of the Central Virginia Training Center in 2020.

- ***DOJ: Fund Community Services for Non-Medicaid Training Center Residents.*** Provides \$175,000 GF each year for the costs of community services for two individuals currently residing in state training centers that are not eligible for Medicaid. These individuals are expected to be transitioned from the training centers to the community in FY 2019.
- ***DOJ: Increase Funding for Independent Reviewer.*** Adds \$62,167 GF the first year and \$101,815 GF the second year for a larger than anticipated workload for the independent reviewer, who is appointed by the court to monitor the Commonwealth's compliance with the settlement agreement. Funding was added in the 2016-18 biennium for serious incident reviews, which were required by the judge and which were not anticipated in the original settlement agreement.
- ***DOJ: Increase Funding for Provider Training, Compliance, and Quality Improvements.*** Adds \$1.2 million the first year from the BHDS Trust Fund to be spent on provider training, provider compliance review, quality management, and information technology improvements. The added amount in the trust fund comes from the sale of the Northern Virginia Training Center.
- ***DOJ: Increase Community Capacity for Individuals with Medically Complex Support Needs.*** Allocates \$3.8 million the first year from the BHDS Trust Fund to develop provider capacity to serve individuals with multiple diagnoses (i.e. Developmentally Disabled (DD) individuals experiencing a mental health issue, and having a personality disorder) and individuals with complex medical support needs. The one-time funds will be used for the purchase of homes as well as initial development and training of specialized staff. Monies allocated to funding homes for individuals with complex medical supports will be utilized to support capacity development in the area of the Central Virginia Training Center. Funding allocated to tri-diagnoses homes will be deployed throughout the Commonwealth to enhance each region's capacity.
- ***DOJ: Reduce Funds to Reflect Downsizing and Closure of Training Centers.*** Reduces funding by \$1.0 million GF and in FY 2020 to reflect savings from the continued downsizing and closure of training centers. Separate actions also reduce the special fund appropriation for training centers by \$50.0 million NGF each year

and eliminate 365 positions to reflect a reduction in Medicaid and third party reimbursements due to downsizing and closure.

### ***Mental Health Treatment Centers***

- ***Fund Electronic Health Records System at all DBHDS Facilities.*** Provides \$5.1 million GF each year to implement electronic health records (EHR) at nine DBHDS facilities which were slated for conversion several years ago. The initial implementation of EHR extended to only three facilities due to a number of unanticipated issues related to project scope.
- ***Operating Support for New 56-Bed Unit at Western State Hospital (WSH).*** Adds \$5.6 million GF and \$621,805 NGF the second year for 112 positions and operating costs for two new 28-bed units at WSH that are scheduled to open by FY 2020. The units are expected to be fully operational in FY 2021 with an annual operating cost of \$8.5 million.
- ***Use of Eastern State Hospital (ESH) Land.*** The adopted budget includes language directing the Department of General Services (DGS), with the cooperation of the Department of Behavioral Health and Developmental Services, to determine the amount of acreage and fair market value on the Eastern State Hospital site for the co-location of a new facility for Old Town Medical Center and Colonial Behavioral Health and the development of a community project by Hope Family Village Corporation to serve as a residence for 25 families impacted by a member with serious mental illness. Language also requires DGS to work with James City County to update the County's comprehensive plan to assist with a master development plan of the ESH site to maximize economic development opportunities, expedite the rezoning process and the receipt of funds for the BHDS Trust Fund from the sale of surplus state property.

### ***Intellectual Disability Training Centers***

- ***Site Assessment Work at Central Virginia Training Center.*** The adopted budget provides \$250,000 from agency special funds and \$570,000 in maintenance reserve funds in FY 2019 for the DBHDS to begin the second phase of work on its environmental assessment and initial environmental remediation for the Central Virginia Training Center based on findings from the environmental assessment that was performed in July 2017. The department may request assistance from the Department of General Services to procure services for the assessment. Language requires the department to report the results by December 1, 2018 to the Governor and General Assembly.
- ***Report on Outstanding Bonds of State Training Centers.*** Adds language directing the DBHDS, in conjunction with the Department of the Treasury, to report on the

estimated outstanding bond balance related to the closure of the Southwest Virginia Training Center and the Central Virginia Training Center. Language requires the report to include the outstanding bond balance for the date of the planned facility closure and the balance each year thereafter until such time as all bonds will be repaid on those facilities.

- ***Public-Private Partnership for Central Virginia Training Center.*** Includes language authorizing the Department of Behavioral Health and Developmental Services to receive unsolicited proposals, in accordance with the Public-Private Education Facilities and Infrastructure Act of 2002, from a private not-for-profit entity that would provide the necessary level of care for the residents at the Central Virginia Training Center, which could include either intermediate or a nursing facility level of care. Proposals may include managing or leasing state property, including some or all of the buildings at the training center and may also include other facility options offsite from the training center.

#### ***Other Spending Initiatives***

- ***Fund Increasing Caseload for Part C Early Intervention Services.*** The adopted budget provides \$1.8 million GF the first year and \$2.8 million GF the second year to cover the costs of the increasing caseload for the program. The program has been growing on average by 5 percent a year over the past six years. The program provides early intervention services to children from birth to 2 years old with a developmental delay or at-risk of a developmental delay. This program is part of the federal Individuals with Disabilities Education Act.
- ***Add Licensing Positions.*** Adds \$238,692 GF this first year and \$859,294 GF the second year to increase licensing positions in the agency by five positions in FY 2019 and an additional four positions in FY 2020. The added positions will address the backlog of providers and facilities that must be licensed by the agency in order to provide services.
- ***Fund Best Buddies.*** Provides \$200,000 each year from the general fund to support Best Buddies, which is a non-profit organization established as part of a volunteer movement that creates opportunities for one-to-one friendships, integrated employment, and leadership development for people with intellectual and developmental disabilities. Best Buddies currently serves 38 schools and 2,448 students in Virginia. This funding will allow the organization to expand its inclusion services to Richmond and Virginia Beach areas to as many as 20 additional high schools to serve up to 500 additional students.

### *Virginia Center for Behavioral Rehabilitation (VCBR)*

- *Fund Temporary Beds for Individuals with Significant Medical Needs.* The adopted budget provides \$2.8 million GF the first year and \$2.9 million GF the second year and 55 positions to staff and operate 22 temporary beds for VCBR residents with significant medical needs. The temporary beds will be located at Piedmont Geriatric Hospital. The census at the VCBR is projected to be over capacity in 2018. Funds, staff and residents will be transferred back to the VCBR once the planned expansion is complete in FY 2021.
- *Fund VCBR Expansion Operating Costs.* The budget adds \$7.8 million GF and 147 positions the second year for the increased operating costs associated with the 72-bed expansion. The first unit is projected to open in August 2019 with full expansion to be completed in FY 2021.
- *Fund Hepatitis C Treatment Costs.* Provides \$540,000 GF each year for the costs of providing treatment for Hepatitis C for 28 residents at the center. Additional funding will cover the cost of drugs, exams, laboratory services and transportation to treatment centers.
- *Fund Increased Costs for Sexually Violent Predator Supervision and Monitoring.* Adds \$331,846 GF the first year and \$518,570 GF the second year for the increased costs to supervise and monitor sexually violent predators who are discharged from the Virginia Center for Behavioral Rehabilitation. The agency contracts with the Department of Corrections to provide these services.
- *Notification of Appropriation Transfers to the VCBR.* Adds language which requires the agency to notify the money committee chairmen of fund transfers within the agency to the VCBR within 15 days of such transfer.

- **Department for Aging and Rehabilitative Services**

- *Expand Brain Injury Case Management Services.* The adopted budget provides \$500,000 GF each year to fund specialized community based case management services to people with moderate to severe brain injuries across the Commonwealth, including those in unserved and underserved areas. According to estimates from the Brain Injury Association of Virginia, there are nearly 800 individuals with moderate to severe brain injury in the Southern, Piedmont, Northwest, Middle Peninsula, and Northern Neck who lack access to state funded core safety net services. These funds would be used to develop specialized brain injury case management funds in those areas, and provide additional funds to existing programs to address waitlists.

- *Address Waiting Lists for Aging Services.* The adopted budget adds \$500,000 GF each year to address the waiting list for services available through local Area Agencies on Aging. Funds may be used for homemaker, personal care, chore services, and home-delivered meals to allow older Virginians to remain in their homes and communities and delay more costly out-of-home placements.
- *Provide Funds for a New Adult Services and Adult Protective Services Case Management System.* Adds \$440,000 GF each year for the ongoing costs of replacing and operating a new case management system. Funding of \$560,000 from two federal grants was used for most of the system development costs. The proposed funding will be used to pay for licensing fees, training of local workers and on-going support costs.
- *Expand Long-Term Care Ombudsman Program.* Provides \$300,000 GF each year to expand the Long-Term Care Ombudsman Program. The staffing standard set in the *Code of Virginia* provides for one ombudsman for every 2,000 licensed nursing home and adult care residence beds in the community, as recommended by the National Institute of Medicine. This funding provides support to continue efforts to make progress toward meeting the staffing standard.
- *Expand Long Term Employment Support Services (LTESS) Program.* Adds \$250,000 GF each year for the Long Term Employment Support Services program. LTESS provides a full array of employment support services to meet the needs of individuals with significant disabilities to maintain employment.
- *Workgroup on Extended Employment Services (EES) and LTESS Employment Services.* Adds language requiring the Department for Aging and Rehabilitative Services to convene a workgroup of relevant stakeholders to evaluate combining the Extended Employment Services (EES) and Long Term Employment Support Services (LTESS) programs and associated funding into one program. Language requires the workgroup to report its recommendations to the Chairman of the House Appropriations and Senate Finance Committees by November 1, 2018.

- **Department of Social Services**

- *Fund Projected Information Technology Costs.* The adopted budget adds \$4.2 million GF and \$4.2 million NGF each year for projected information systems operating costs through VITA and other systems costs related to the transition from the UNISYS system to the Virginia Case Management System. The agency is experiencing system redundancy costs as it terminates use of the UNISYS mainframe, which was not accounted for in VITA base budget adjustments that were proposed in Central Accounts.

- ***Fund Foster Care and Adoption Forecast.*** Provides a net increase of \$3.2 million GF and \$6.7 million NGF each year for forecast changes to the foster care and adoption programs. Adoption subsidies are projected to increase by \$15.4 million GF and \$13.4 million in federal Title IV-E funds over the 2018-20 biennium above the FY 2018 base appropriation. Title IV-E foster care expenditures are expected to increase by \$4.0 million GF and \$4.0 million NGF over the 2018-20 biennium above the FY 2018 base appropriation. The increased costs for the Title IV-E foster care and adoption programs are partially offset by a projected decline in state adoption subsidies by \$13.1 million GF and \$4.0 million NGF over the 2018-20 biennium. The following table details total spending for child welfare services.

<b>Child Welfare Services Funding</b> (All Funds, \$ in millions)			
	<b>Chapter 1</b> <b><u>FY 2018</u></b>	<b>Chapter 2</b> <b><u>FY 2019</u>      <u>FY 2020</u></b>	
Title IV-E Foster Care*	\$66.5	\$66.2	\$66.0
Title IV-E Adoption Subsidies*	101.2	111.5	121.6
State Funded Adoptions (GF)	<u>26.2</u>	<u>23.1</u>	<u>20.0</u>
<b>Total</b>	<b>\$193.9</b>	<b>\$200.8</b>	<b>\$207.6</b>
*The general fund share of these costs is 50 percent.			

- ***Fund Child Welfare Information System with Mandated Reinvestment Funds.*** The adopted budget adds \$3.1 million GF each year to implement a new comprehensive child welfare information system for case management to replace four information systems, using federally required reinvestment funding. The new system will be used for foster care and adoption case management, investigations of abuse and neglect, to track and monitor preventive services to at-risk families and provide for other record keeping needs. Since federal FY 2010, the program criteria for an applicable child for federal Title IV-E adoption assistance have resulted in an increase in children eligible for federal funding. Services for these children were fully state-supported, resulting in state savings. The savings are required by federal law to be reinvested in the child welfare system.
- ***Fund Increase in Child Welfare Services with Mandated Reinvestment Funds.*** Proposes \$1.3 million GF each year to fund an increase in child welfare services using mandated reinvestment funding as required by federal law. As indicated

above, state savings in adoption assistance funds due to increases in eligibility for federal Title IV-E adoption assistance must be reinvested in the child welfare system. The funds will be used for post adoption case management services, mutual family assessments, foster care and adoption services, and substance abuse services for parents.

- ***Backfill Loss of Nongeneral Fund Revenues for Child Support Enforcement Operations.*** Adds \$3.0 million GF and reduces \$3.5 million NGF each year for child support enforcement operations. In addition, the budget realigns the source of funding for 58 positions from nongeneral funds to the general fund. The added general funds will supplant nongeneral fund revenues received by the agency along with vacancy savings to decrease operational costs. The Division of Child Support Enforcement will continue hold about 10 percent of its positions vacant to generate operational cost savings.

A portion of the Division of Child Support Enforcement operations are funded through nongeneral fund revenues from allowable retained child support collections on behalf of TANF recipients, which are declining. Federal law allows the program to retain any child support payments in excess of \$50 each month for operating costs if the family receives TANF assistance in addition to child support. As the TANF caseload continues to decrease, the amount of child support collected on the families' behalf also declines. TANF collections declined by about 10% in FY 2017 and are estimated to decline by an additional 6percent in FY 2018. These retained collections are used to provide the state match for federal child support enforcement funding, which are available at a two-to-one federal-to-state match rate.

- ***Increase Support for Local Eligibility Workers for Medicaid Expansion.*** Provides \$2.3 million GF and \$16.9 NGF the first year and \$3.6 million GF and \$27.3 million NGF the second year to fund additional eligibility workers in the local Departments of Social Services. The adopted budget authorizes an increase in Medicaid eligibility to 138 percent of the federal poverty level as allowed by the federal Affordable Care Act. This change may result in as many as 300,000 new enrollees in the program and about 60 percent of the eligibility determinations would be handled at the local level.
- ***Increase Auxiliary Grant Rate.*** Adds \$1.4 million GF in FY 2019 and \$2.4 million in FY 2020 to increase the Auxiliary Grant rate by \$35 per month beginning July 1, 2018 and an additional \$25 per month beginning July 1, 2019. This increases the grant rate by 2.8 percent over the proposed FY 2018 rate of \$1,236 per month, which was adjusted by \$15 per month to reflect a Supplemental Security Income cost of living adjustment beginning January 1, 2018.

- ***Fund Auxiliary Grants for Individuals with Serious Mental Illness Discharged from State Behavioral Health Facilities.*** Adds \$299,040 GF the second year to support associated costs to the Auxiliary Grant program for room and board for individuals with serious mental illness with complex needs that are transitioning from state behavioral health facilities to more integrated community settings.
- ***Fund Increase in TANF Unemployed Parents Program.*** Adds \$796,839 GF each year to fund the forecast of costs in the unemployed parents cash assistance program.
- ***Fund Rent Increases for Regional Offices.*** Provides funding of \$331,919 GF and \$417,041 NGF each year to support increases in rent for regional offices whose leases are set to expire.
- ***Provide Funding for Youth for Tomorrow Contract.*** Adds \$100,000 GF each year to contract with Youth for Tomorrow (YFT) to provide comprehensive residential, education and counseling services to at-risk youth who have been sexually exploited, including victims of sex trafficking. Language requires YFT to submit monthly progress reports on activities conducted and progress achieved on outputs, outcomes and other functions/activities during the reporting period with an annual report by October 1 of each year.
- ***Fund Kinship Guardian Assistance.*** Adds \$55,935 GF and \$24,557 NGF in FY 2019 and \$111,870 GF and \$49,113 NGF in FY 2020 to fund the fiscal impact of Chapters 769 and 770 of the 2018 Acts of Assembly (HB 1333/SB 636) which create the Kinship Guardianship Assistance program.
- ***Fund Family-Match Adoption Demonstration Program.*** Provides \$50,000 GF each year for the costs of running an 18-month demonstration pilot of the Family-Match application to facilitate adoptions by better matching children in foster care with adoptive families. Family-Match is a data driven application developed by Adoption-Share, a non-profit organization that leverages technology to assist state workers in matching adoptive families, foster families, and foster to adopt families with children in state care. Adoption-Share will leverage state funding to secure the remaining funds needed from Virginia businesses and foundations to underwrite demonstration program expenses.

### ***Nongeneral Fund Increases***

- ***Appropriate Federal Child Care and Development Funds.*** Provides \$27.9 million in FY 2019 and \$42.9 million in FY 2020 in additional federal Child Care and Development Fund (CCDF) monies that Virginia is expected to receive, pursuant to the Consolidated Appropriations Act of 2018, PL 115-141. Language is added requiring the Department of Social Services to submit a plan to the Chairmen of the House Appropriations and Senate Finance Committees on the intended use of the

CCDF funding to improve access to and quality of child day care in Virginia by September 1, 2018.

- ***Adjust Appropriation for Local Staff and Operations.*** Proposes \$27.0 million NGF each year to reflect a projected increase in federal appropriations for local DSS staff and operations. Federal funding is provided based on an agreed upon cost allocation formula.
- ***Appropriate Federal Child Care and Development Fund (CCDF) Funds for Child Care Subsidies and Improvements.*** Appropriates \$1.1 million NGF each year from the federal CCDF awarded to the agency for child care subsidies and child care quality improvement activities. Out of this funding, \$500,000 NGF each year will be used in underserved areas to increase the number of subsidies. The remaining funding will be used to address increased need for quality rating system (QRS) services to providers who are now required to participate in the QRS due to new federal program standards for Head Start.
- ***Appropriate Federal CCDF for Child Care Licensing Information Technology Upgrades.*** Appropriates \$714,469 NGF each year from the federal CCDF to upgrade the Division of Licensing Programs Health and Information Network (DOLPHIN). The system is used to manage the Division’s licensing program.
- ***Pilot Program to Improve Faith-Based and Private Child Care Programs.*** Provides \$925,000 in FY 2019 and \$325,000 in FY 2020 from the federal Child Care and Development block grant for a pilot program to improve early childhood classrooms in faith-based and private child care centers. Language directs the agency to work with the University of Virginia Center for Advanced Study of Teaching and Learning (UVA CASTL) to implement their curriculum, professional development and coaching modules to improve Kindergarten readiness. Language also requires the development and use of a program to assess the Kindergarten readiness of four-year-olds in the pilot program.
- ***Health and Safety Inspections of Exempt Child Day Care Programs.*** Provides \$43,548 in FY 2019 and \$143,331 in FY 2020 from the federal Child Care and Development Fund for the fiscal impact of Chapter 810 of the 2018 Acts of Assembly (SB 539) which modifies the terms of certain child day programs that remain listed as exempt from licensure by the Department of Social Services (DSS). Pursuant to the legislation, DSS must conduct health and safety inspections of exempt child care programs if there are complaints against the programs.
- ***Increase Appropriation for Virginia Birth Father Registry Program.*** Provides an increase of \$100,000 NGF each year from the Virginia Birth Father Registry Program for increased marketing about the registry. The program was created by the 2006

General Assembly to allow putative fathers to register and be entitled to notification if a child is conceived and placed for adoption.

- ***Professional Development Resources for Child Care Professionals.*** Adds language directing the Department of Social Services to develop, publish and maintain information on curricula and professional development information for child care professionals participating in the child care subsidy program.

### ***Spending Decreases***

- ***Revise Expenditures for Adoption Subsidy Payments.*** Supplants spending in the Division of Child Support Enforcement by \$200,000 GF and \$600,000 in matching federal child support enforcement funding with revenue from an increase in the annual fee charged for certain child support cases. The Deficit Reduction Act of 2005 required that individuals who have never received Temporary Assistance for Needy Families (TANF) benefits be charged an annual fee of \$25 if the state collects more than \$500 in child support on their behalf. The Bipartisan Budget Act of 2018 changed this to require a fee of \$35 if the state collects more than \$550 in child support on behalf of an individual.
- ***Capture Surplus in Funding from the Auxiliary Grant Program.*** Reduces by \$1.8 million GF each year the funding appropriated for the auxiliary grant program. Fewer individuals are expected to participate in the program. Expenditures in the program have declined by about 12.5 percent over the past three fiscal years.
- ***Adjust Appropriation for Supplemental Nutrition Assistance Program (SNAP) Employment and Training Pilot Grant.*** Reduces \$4.2 million NGF the first year and \$8.3 million NGF the second year from an appropriation for a federal grant award to the state for a pilot program. The purpose of this pilot program was to increase the number of SNAP recipients that obtain employment and increase the income of those employed with the ultimate goal of reducing reliance on SNAP benefits. The 3-year pilot program will be completed by December 31, 2018.

### ***Temporary Assistance to Needy Families Block Grant***

- ***Adjust Temporary Assistance to Needy Families (TANF) Funding to Account for Providing Mandated Benefits.*** Reduces TANF spending by a net of \$25.0 million NGF the first year and \$29.1 million NGF the second year to reflect the spending forecast of TANF income benefits. TANF spending for mandated benefits has declined in recent years and is expected to decline by 4.5 percent in FY 2019 and an additional 4.2 percent in FY 2020 from the FY 2018 estimated spending level. This reduction is offset by additional TANF spending in the proposed budget that includes the following:

- \$3.0 million NGF each year for a long-acting reversible contraception pilot program administered through the Virginia Department of Health
- \$3.0 million NGF each year for community employment and training programs
- \$2.0 million NGF each year for Community Action Agencies
- \$500,000 NGF each year for local domestic violence programs
- \$500,000 NGF each year for the Laurel Center to provide services to victims of domestic and sexual assault
- \$300,000 NGF each year for Child Advocacy Centers
- \$250,000 in FY 2019 and \$600,000 in FY 2020 for Early Impact Virginia to determine, track and report on activities and outcomes of Virginia's voluntary home visiting programs; conduct systematic and statewide needs assessments at least once every three years; and support continuous quality improvement, training, and coordination across Virginia's home visiting programs on an ongoing basis
- \$200,000 in FY 2019 and \$100,000 in FY 2020 for FACETS for homeless assistance services
- \$75,000 each year for the STRIVE Program operated by Visions of Truth.

These actions will leave a \$99.2 million TANF balance at the end of FY 2020. The table below provides detail on the TANF budget for the biennium.

- **Secretary of Natural Resources**

- *Reporting on Settlements.* Retains language, included in Chapter 836 of the 2017 Acts of Assembly, requiring the Secretary of Natural Resources to report annually on all settlement agreements to which the Secretary is a signatory and provide copies of any finalized settlements to the Chairmen of the House Appropriations and Senate Finance committees within 15 days of finalization. The adopted budget contains multiple actions relating to the recent DuPont settlement and Surry-Skiffes Creek mitigation agreements.

- **Department of Conservation and Recreation**

- *Provide Water Quality Improvement Fund Deposit.* Includes \$22.5 million GF in FY 2019, representing the statutory deposit to the Water Quality Improvement Fund (WQIF) based on the FY 2017 revenue surplus and unexpended balances. Out of this deposit, a series of designations are made, including: (1) the required deposit of 15 percent, or about \$2.0 million, to the WQIF reserve fund, (2) the transfer of \$19.8 million to the Virginia Natural Resource Commitment Fund of which \$18.4 million is agricultural best management practices, (3) the provision of \$2.4 million to soil and water conservation districts for technical assistance, and (4) the use of

\$750,000 to provide \$250,000 to develop a tracking and reporting module for the Ag BMPs database and \$500,000 to be used as match for the federal Conservation Reserve Enhancement Program (CREP).

- ***Establish Dedicated Funding to the WQIF Reserve.*** Appropriates an additional \$2.6 million GF each year to the WQIF reserve fund from increasing the transfer of un-refunded marine fuels sales from \$7.4 million to \$10.0 million each year.
- ***Increase Nongeneral Fund Appropriations.*** Increases the department’s nongeneral fund appropriation by \$3.9 million each year to align anticipated revenues and spending levels.
- ***Appropriate Nongeneral Fund Settlement Monies to Support Middle Peninsula State Park.*** Includes a nongeneral fund appropriation of \$509,955 the first year and \$317,124 the second year as well as 3.00 FTE positions from mitigation settlement amounts relating to the Skiffes Creek settlement. These amounts will cover operating costs at Middle Peninsula State Park for the biennium. Beginning in FY 2021, these costs will have to be covered by the General Fund. Accompanying language exempts the acquisition of property resulting from mitigation settlements from the prohibition on the acceptance of property that result in additional operating expenses. A companion amendment in Capital Outlay authorizes the acceptance of this property which is being donated as a State Park as part of the Skiffes Creek settlement.
- ***Increase Virginia Land Conservation Fund.*** Provides an additional appropriation of \$312,500 to the Virginia Land Conservation Fund to reflect revenue received from the Skiffes Creek mitigation settlement.
- ***Dam Rehabilitation Plan.*** Extends the date for the submission of the Plan for the Rehabilitation of Soil and Water Conservation District Dams by one year to November 1, 2018.
- ***Capital Outlay Authorizations.*** In addition to the language authorizing the acceptance of land for the Middle Peninsula State Park as part of the Skiffes Creek Settlement, there are four other Capital Outlay amendments relating to DCR. The first provides a nongeneral fund appropriation of \$3.6 million in the first year to acquire three additional Natural Areas Preserves (two being provided from funds generated by the DuPont Settlement and one from the Skiffes Creek Settlement). The second provides \$1.5 million NGF the first year to acquire land from the U.S. Navy to expand the York River State Park. The third provides \$120,000 GF the first year to acquire additional land abutting the New River State Park. Finally, Chapter 2 of the 2018 Special Session I Acts of Assembly (HB 5002) authorizes \$7.5 million

in bonds for cabin improvements at Douthat, First Landing and Fairy Stone State Parks.

- ***Repairs to Breaks Interstate Park Dam.*** Provides \$112,500 GF the first year for emergency repairs at the Breaks Interstate Park dam. Repairs include replacement of the emergency drain system, widening of the primary spillway, and deletion of two pressurized waterlines.
- ***Operational Funding for Widewater State Park.*** Provides \$965,310 GF the first year and \$590,944 GF the second year for start-up and ongoing operational costs at Widewater State Park in Stafford County. Includes funding for 6.00 FTEs each year, including a Park Manager, Office Manager, three Park Rangers and wage staff.
- ***Funding for Seven Bends State Park.*** Appropriates \$167,548 GF and 1.00 FTE the first year and \$198,752 GF and 2.00 FTEs the second year to support the limited opening of Seven Bends State Park in Shenandoah County. Funding will provide for minimal staffing, the opening of recreational facilities, signage, and a gravel parking lot.
- ***Hearthstone Lake Dam.*** Includes \$420,000 GF the first year to match federal and local funding for the rehabilitation of the Upper North River Watershed Dam Number 77 on Hearthstone Lake in Augusta County.
- ***Park Development Prioritization.*** Directs the Board of the Department of Conservation and Recreation to develop a prioritization process which evaluates the relative priority of improvements for all properties that have not yet been fully developed as a state park or natural area preserve. The report is due by November 1, 2018.
- ***First Landing State Park.*** Provides \$50,000 GF the first year for the Department to develop a plan to expand bike facilities at First Landing State Park in Virginia Beach.
- ***Soil and Water Conservation District Engineer.*** Appropriates \$100,000 GF and 1.00 FTE the first year, and \$200,000 GF and 2.00 FTEs the second year to fund additional engineering staff to support the Commonwealth's 47 Soil and Water Conservation Districts. The Department currently has one engineer and one engineering technician.

- **Department of Environmental Quality**

- ***Water Quality Monitoring.*** Provides \$14,000 GF each year to support increased water monitoring activities.

- *Clean Power Plan Language.* Eliminates language that had been included in Chapter 836 which prohibited the use of air protection program funds to develop a Clean Power Plan as the federal requirement has been repealed.
- *Expedited Review Process and Fees.* Authorizes the Department to offer an optional expedited stormwater review process at a fee of \$30,000 for land disturbance acreage equal to or greater than 100 acres. The additional fee revenue above the existing \$9,600 fee may be retained by the department to provide staffing for the expedited process.
- *Lynnhaven River Study.* Provides \$250,000 GF each year for an environmental evaluation of Buchanan Creek, a tributary of the Lynnhaven River. The study will look at adequacy of the channel, shoreline deterioration, and potential contamination from a former private sewage treatment facility. A report is due by October 1, 2019. Complementary funding of \$403,000 GF the second year is provided to the Virginia Institute of Marine Science to develop the State of the Elizabeth River Scorecard 2020 as part of the ongoing monitoring and evaluation of water quality in Hampton Roads.
- *Payoff Wastewater Facility Upgrades at Skelton Educational Conference Center.* Includes \$319,200 GF the first year to retire debt and interest incurred at the W.E. Skelton 4-H Educational Conference Center at Smith Mountain Lake. In 2001, the Center voluntarily agreed to a consent order from DEQ to replace the wastewater system which was completed in 2005. Previous general fund appropriations only partially covered the costs of the upgrade.
- *Stormwater Local Assistance Fund.* Provides \$20.0 million GF appropriation the first year for the Stormwater Local Assistance Fund.

- **Department of Game and Inland Fisheries**

- *Appropriate Settlement Revenues.* Increases the agency's nongeneral fund appropriation by \$768,400 each year resulting from the dedication of a portion of the Skiffes Creek mitigation settlement funds for improvements to Hogg's Island.
- *Capital Outlay.* Amendments in Capital Outlay provide nongeneral fund appropriations totaling \$9.4 million the first year and \$10.4 million the second year for the department. These amounts include \$1.9 million each year for maintenance reserve projects; \$1.0 million for wildlife management area improvements; \$5.0 million each year for the acquisition of additional land; \$500,000 each year for dam improvements; and \$1.0 million the first year and \$2.0 million the second year to improve boating access.

- *Game Protection Fund Transfers.* Includes the appropriation of \$33.7 million nongeneral fund over the biennium, representing transfers from the general fund of sales tax revenues generated from the sale of watercraft and from hunting, fishing and sporting activities.

- **Department of Historic Resources**

- *Easement Coordinator.* Provides \$97,799 NGF and one nongeneral fund position each year to support an additional easement coordinator to assist with negotiating conservation easements. Current staffing levels only support the process of approximately 50 percent of the 30 easements proposed each year. The cost of the position will be supported by an administrative fee authorized in accompanying language. The level of the fee is not set out.
- *Project Review Archeologist.* Includes \$93,004 GF each year for an additional archaeologist to support environmental and historic reviews of projects impacting historic resources.
- *Federal Grant Funding.* Provides a nongeneral fund appropriation of \$500,000 each year to support federal grant awards for which the department serves as a pass-through agent.
- *Appropriate Settlement Funds.* Provides \$200,000 NGF the first year and \$100,000 NGF the second year to reflect anticipated revenue from the Surry-Skiffes Creek mitigation agreement.
- *Battlefields Preservation Fund.* Continues to provide \$1.0 million GF each year for land acquisition and preservation of battlefields across the Commonwealth. This is one of three amendments in the Natural Resources and Agriculture & Forestry Secretariat that provide dedicated general funds each year for land conservation activities.
- *Historic African American Graves.* Provides an additional \$960 from the general fund each year to support African American graves at the Daughters of Zion Cemetery in Charlottesville. The payment rate is set at \$5.00 per grave per year. In addition, \$1,330 GF each year is provided to support the preservation and care of graves at the Mt. Calvary Cemetery in Portsmouth and \$220 GF each year for the African-American Burial Ground for the Enslaved at Belmont in Loudoun County.
- *Revolutionary War Graves.* Provides an additional \$20,250 GF each year for Revolutionary War graves. This amendment implements the provisions of Chapter 639 of the 2018 Acts of Assembly (HB 153), which increases the number of recognized graves from 150 up to a maximum of 4,200.

- **Marine Resources Commission**

- *Tangier Island Seawall Project.* Provides \$245,687 GF the first year and \$233,637 GF the second year for the state share of the federally-funded Tangier Island Seawall Project. A companion amendment reduces FY18 funding amounts.
- *Relocate Headquarters to Fort Monroe.* \$175,000 GF the first year and \$225,000 GF the second year is provided for relocation costs of the Virginia Marine Resources Commission headquarters and operational facilities to publicly owned land at Fort Monroe.
- *IT Upgrade for New Headquarters.* Includes \$52,000 GF each year to cover increased costs associated with upgrading internet bandwidth at the Commission’s new headquarters which will be located at Fort Monroe.
- *Funding for Clontz Park Public Access Boat Ramp.* Provides \$160,000 GF the first year to complete a public access boat ramp project at Clontz Park in the Town of Smithfield.
- *Increase Oyster Restoration.* Increases funding for oyster replenishment and restoration activities by \$750,000 GF the first year and \$1.0 million GF the second year.

- **Virginia Museum of Natural History**

- *Satellite Location Study.* Provides \$250,000 GF the first year for a preliminary planning study to establish a satellite location of the Virginia Museum of Natural History in Waynesboro.

- **Secretary of Public Safety and Homeland Security**
  - *Assessment and Upgrade of Public Safety Radio Interoperability System.* Provides \$150,000 GF the first year to reassess and update the Commonwealth’s statewide interoperability strategic plan and the communications systems that require upgrade in order to ensure interoperability among public safety agencies. The language requires the Secretary to provide a report with the costs to achieve statewide interoperability to the Governor, the Chairmen of the House Appropriations and Senate Finance Committees, and the Department of Planning and Budget by November 1, 2018. Companion language for the Department of State Police provides \$340,000 GF each year for support and maintenance of the existing COMLINC system.
  - *Flood Control Study for the Hampton Roads and Northern Neck Regions.* Maintains \$500,000 GF each year to match anticipated federal funding for a study by the U.S. Army Corps of Engineers concerning flood control for the Hampton Roads and Northern Neck regions. Chapter 836 of the 2017 Acts of Assembly included \$500,000 GF in FY 2018 for this purpose, but the funding remains unspent. The funding included in the introduced bill, when combined with the unspent

balance from FY 2018, would be sufficient to meet the \$1.5 million required nonfederal match.

- **Commonwealth's Attorneys Services Council**

- *Support Staff Attorney Position.* Includes \$5,000 GF each year to support an existing staff attorney due to reductions in federal grant funding that previously supported the position.

- **Department of Alcoholic Beverage Control**

- *Cost of Goods Sold.* Provides \$20.1 million NGF the first year and \$54.9 million NGF the second year for the purchase of distilled spirits, Virginia wine, and mixers sold in ABC stores. The increase supports the projected increase in sales of 4.42 percent each year.
- *Estimated Net Profit Transfers.* Part 3 of the bill increases net profit transfers to the general fund by \$6.8 million NGF the first year and \$12.5 million NGF the second year over the FY 2018 amount. A companion amendment in Chapter 1 of the 2018 Special Session 1 Acts of Assembly (HB 5001) increases the FY 2018 net profit transfer by \$1.1 million over the amount required in Chapter 836 of the 2017 Acts of Assembly.
- *New Point-of-Sale and Audit Systems.* Authorizes \$7.7 million NGF each year for the estimated biennial costs of piloting a potential replacement for the agency's point-of-sale system, and to acquire a new sales audit system for stores. Both systems are currently in end-of-life support and non-compliant with commonwealth information technology security requirements. The total cost of acquiring both systems is estimated to be \$27.0 million over a period of three to five years.
- *Licensing Fee Increases.* Authorizes \$839,752 NGF each year to support civilian licensing enforcement activities. The amount provided reflects estimated revenue resulting from the passage of Chapters 405 and 406 of the 2018 Acts of Assembly (HB826/SB 884), which increased general, mixed beverage special event, wine shipper's, beer shipper's, and beer and wine shipper's licensing fees.
- *Positions for New and High-Volume Stores.* Provides \$2.8 million NGF and 19 positions the first year and \$5.7 million NGF and 38 positions the second year in order to staff new stores and to add new assistant manager positions at existing stores with high levels of sales.
- *Additional Salaried Positions.* Provides \$507,000 NGF and 25 positions the first year and \$1.0 million NGF and 50 positions the second year to convert part-time

wage employees in ABC stores to full-time status. The funding is intended to ensure continuity in store service, as the Department is experiencing a 27 percent turnover rate for part-time store employees.

- ***New Email and Productivity Software.*** Provides \$690,000 NGF the first year and \$550,000 NGF the second year to acquire a new email service and office productivity software. As part of the Department’s transition to authority status, it is no longer required to purchase information technology or services from the Virginia Information Technology Agency after October 1, 2018.
- ***Depreciation and Net Profits.*** An amendment to Part 3 of the Act makes technical changes to language associated with the Department’s treatment of depreciation relative to net profits. The amendment alters language added by the 2017 General Assembly that prohibited ABC from reducing net profits by making a deposit to a reserve fund if such depreciated costs were expensed directly and had already reduced profits. The amendment removes the 2017 language and adds new clarifying language.

- ***Department of Corrections***

- ***Base Operating Support.*** Adds \$3.0 million GF the second year for base operating support that is intended to be used to reduce the number of staff vacancies the Department maintains in order to support its ongoing operating expenses.
- ***Medicaid Expansion Savings.*** Reduces the appropriation for inpatient hospital services for inmates in state correctional facilities by \$11.5 million GF the first year and \$26.9 million GF the second year, based on the proposal in the introduced budget to expand Medicaid eligibility. The original estimate of the first year savings was reduced by \$5.7 million, based on updated estimates from the Department of Medical Assistance Services.
- ***Inmate Medical Costs.*** Adds \$14.1 million GF and \$3.7 million NGF the first year and \$24.2 million GF the second year due to expected inflation in the cost of medical services provided to inmates. The proposed increase is based upon assumed growth rates of 5 percent for Anthem services, 3.8 percent for prescription drugs, and 2.6 percent for general medical services. The NGF provided the first year are from the FY 2018 balances of the Drug Offender Assessment Fund. Chapter 1 provides an additional \$5.0 million GF in FY 2018 for increased inmate medical costs.
- ***Medicaid Enrollment Streamlining.*** Provides \$71,503 GF and \$420,993 NGF and two positions the first year and \$37,400 GF and \$112,200 NGF and two positions the second year for the Department to implement the Department of Medical

- Assistance Services' 2017 report recommendations to streamline Medicaid application and enrollment processes for incarcerated persons.
- ***Capital Outlay Authority.*** Eliminates language added in a previous budget which provided an exemption to the Department from certain Department of General Services oversight through the capital outlay process required for all agencies.
  - ***Specialized Mental Health Units.*** Provides \$600,000 the first year and 15 positions and \$2.3 million GF and 36 positions the second year to establish specialized units to treat seriously mentally ill offenders housed in correctional centers. The units are planned to be established in River North, Marion, and Wallens Ridge Correctional Centers, and will provide an alternative to placing individuals with serious mental illness in restrictive housing units.
  - ***Probation and Parole Officers.*** Includes an additional \$541,000 GF and 17 positions the first year and \$1.8 million GF and 35 positions the second year to reduce caseloads of probation officers. According to the Department, average probation and parole caseloads increased by 13 percent between FY 2013 and FY 2017 due primarily to an increase in the number of individuals under supervision with substance abuse disorders.
  - ***Residential Opioid Treatment for Offenders.*** Provides \$439,000 GF each year to establish a residential treatment program for nonviolent offenders with a history of opioid use at the Cold Springs Detention and Diversion Center in Augusta County. The program will provide an alternative to reincarceration for individuals who have violated the conditions of their release.
  - ***Additional Mental Health Staff.*** Includes \$235,000 GF and three positions each year for additional medical and mental health staff at the Central Virginia Correctional Unit, which is a minimum security facility for women. Current medical and mental health staffing levels in the facility prevent full utilization of the facility's available beds due to the more complicated medical conditions of some minimum security female offenders.
  - ***Jail Death Investigator.*** Provides \$75,000 GF the first year and \$100,000 GF the second year and one position for the Department to convert two existing part-time investigators to full-time status, to assist the Board of Corrections in its responsibility to review deaths of persons held in local and regional jails. Chapter 759 of the 2017 Acts of Assembly reconstituted the Board of Corrections and established as one of its duties the investigation of deaths in jails that warrant review, as determined by the Board. Chapter 836 added funding and one position for a full-time investigator, which was used by the Department to hire two part-time jail death investigators.

- ***Prison Bedspace Impact of 2018 Legislation.*** Includes a deposits of \$50,000 GF the first year into the Corrections Special Reserve Fund for the estimated prison bedspace impact of Chapter 549 of the 2018 Acts of Assembly (SB 47), pursuant to Section 30-19.1:4 of the *Code of Virginia*.
- ***Capital Needs Report.*** Adds language requiring the Department to report on its long-term facility needs with respect to providing adequate medical and mental health care to its population. The report is due to the Director of the Department of Planning and Budget and the Chairmen of the House Appropriations and Senate Finance Committees by October 1, 2018.
- ***Report on Seriously Mentally Ill State-Responsible Inmates in Jail.*** Requires an evaluation of options to reduce the number of state-responsible inmates with serious mental illness who serve the entirety of their sentences in local or regional jail. The language requires a report by October 15, 2018, to the Chairmen of the House Appropriations and Senate Finance Committees.
- ***Medical Treatment Data Report.*** Directs the Department to annually report on the proportions of its population who receive inpatient, outpatient, and other types of discreet medical treatment services, by facility.

- **Department of Criminal Justice Services**

- ***School Resource Officer Grants.*** Provides an additional \$1.3 million GF the first year for the School Resource Officer Incentive Grant program for additional grants to school divisions to support the hiring of additional school resource officers and school security officers.
- ***Post Critical Incident Law Enforcement Grants.*** Provides \$100,000 GF each year for the Department to make grants to organizations to provide support services for law enforcement personnel designed to promote safety and wellness after critical on-the-job incidents. Language directing an evaluation of the program by July 1, 2020, is also included.
- ***HB 599.*** Adds \$6.6 million GF the first year and \$13.8 million GF the second year to increase state aid for localities with police departments, consistent with the projected increases in general fund revenues. The proposed amendment provides for an increase of 3.7 percent in FY 2019 over the amount provided for FY 2018 by Chapter 836, and an increase of 3.9 percent in FY 2020 over the amount provided in FY 2019.
- ***Victims Services Grants.*** Adds \$35.0 million NGF each year to the Department’s appropriation for grants to local programs, which provide services to victims of domestic violence, sexual assault, victim witness programs, and child abuse victims.

The increased appropriation is needed due to a substantial increase in the amount of federal funding provided to the Commonwealth through the Victim of Crime Act grant program.

- ***Internet Crimes Against Children Program.*** Increases the appropriation for the Internet Crimes Against Children Program by \$1.6 million NGF each year to reflect projected revenue and expenditures of the fund.
- ***Drive to Work Program.*** Adds \$25,000 GF each year to the appropriation for the Drive to Work Program, which is a nonprofit tax-exempt corporation assisting low-income and previously incarcerated persons to restore their driving privileges so they can drive to work and hold a job. The program was appropriated \$50,000 GF in FY 2018, so the additional funds would bring the total appropriation for the program to \$75,000 GF each year.
- ***Jail Mental Health Pilots.*** Includes first year funding of \$2.5 million GF to extend for an additional fiscal year funding provided for six mental health pilot programs in local and regional jails. The pilot programs were first authorized in Chapter 780 of the 2016 Acts of Assembly, and were originally expected to operate for 18 months. The additional funding included in the first year for the pilot programs provides for an extension which allows for the pilot programs to operate for a total of 30 months. The amendment maintains language included in the original authorization of the pilot programs that requires the Department to provide an assessment of the outcomes of the pilot programs in October 2018.

- **Department of Emergency Management**

- ***Emergency Preparedness Training.*** Provides \$500,000 GF per year for training and exercises related to man-made and natural disaster preparedness. Training may involve local and state law enforcement, fire services, emergency medical services, public health agencies, and affected private and nonprofit entities, including colleges and universities. Companion language requires the Department to annually report to the Secretary of Public Safety and Homeland Security and the Chairmen of the House Appropriations and Senate Finance Committees on the number and types of training and exercises conducted and associated costs.
- ***Radiological Emergency Preparedness Fund.*** Increases the appropriation for the Radiological Emergency Preparedness Fund by \$339,000 NGF each year to reflect projected revenue from Dominion Energy.
- ***Virginia Disaster Relief Fund.*** Increases the appropriation for the Virginia Disaster Relief Fund by \$100,000 NGF each year to reflect projected donations received by the Fund.

- ***Planning Software System.*** Adds \$60,000 NGF each year to support increased costs of supporting the planning software system used by the Department to develop and review Continuity of Operations Plans. A companion language amendment deletes language from Chapter 836, which set out \$225,000 GF each year for this purpose and to upgrade the Voice Over Internet Protocol, but maintains the GF funding level.
- ***THIRA Coordinator.*** Provides \$41,000 GF the first year and \$55,000 GF the second year and one position for a dedicated position to manage state and federal reporting related to Threat Hazard Identification and Risk Assessment (THIRA) and the Local Capabilities Assessment for Readiness (LCAR) reports.
- ***Vehicle Replacement.*** Adds \$16,000 GF the second year for the additional costs of purchasing replacement emergency vehicles through the master equipment lease program (MELP). Including previously-authorized funding for vehicle replacement, the total appropriation for the financing costs of replacing emergency vehicles using MELP will be \$189,043 GF the second year. The language under this Item has been updated to reflect the total appropriation available for vehicle replacement, including previously-authorized amounts.
- ***Federal Disaster Payment Reimbursements.*** Language in Part 3 directs the State Comptroller to transfer to the general fund, the portion of the balance of the Disaster Recovery Fund at the Virginia Department of Emergency Management that is received as a federal cost recovery each year. The proposed amendment directs the Department of Emergency Management to identify and report to the State Comptroller on the amount to be transferred each year.

- **Department of Fire Programs**

- ***Modular Training.*** Provides \$144,850 NGF the first year and \$123,100 NGF the second year to develop a modular training program for volunteer firefighters for adoption by local fire departments, pursuant to Chapter 403 of the 2018 Acts of Assembly (HB 729).

- **Department of Forensic Science**

- ***Staffing and Overtime for Controlled Substances Section.*** Provides \$595,000 GF the first year and \$660,000 GF the second year and six positions to hire additional controlled substances forensic scientist positions, and to provide overtime funding to help address the section’s case backlog. According to the Department, as of 2018, there were more than 9,800 cases in the section’s backlog, with an estimated turnaround of 108 days for new cases. Chapter 1 includes companion language providing \$125,000 GF in FY 2018 for the costs of mandatory overtime in the controlled substances and biology sections.

- *Purchase Scientific Instruments.* Provides \$168,000 GF the first year and \$403,000 GF the second year to replace or update equipment in the toxicology, DNA, controlled substances and breath alcohol sections through the master equipment lease program (MELP). The total purchase cost of the equipment to be purchased through MELP is \$2.7 million.
- *Additional Staffing.* Adds \$165,000 GF the first year and \$220,000 GF the second year and two positions for one additional forensic scientist in the digital multimedia evidence section and one additional research scientist position in the DNA analysis section.
- *DNA Testing for Misdemeanor Convictions.* Provides \$144,336 GF per year for the estimated costs associated with collecting DNA samples from trespassing and assault and battery convictions, pursuant to Chapters 543 and 544 of the 2018 Acts of Assembly (HB 1249/SB 565).
- **Department of Juvenile Justice**
  - *Medicaid Enrollment Streamlining.* Provides \$420,993 NGF and two positions the first year and \$112,200 NGF and two positions the second year for the Department to implement the Department of Medical Assistance Services’ 2017 report recommendations to streamline Medicaid application and enrollment processes for incarcerated persons.
- **Department of Military Affairs**
  - *Staff Position for IT, Cyber, and Communications Unit.* Includes \$64,000 GF the first year and \$129,000 GF the second year and one position to establish a new deputy director position for the information technology and cyber unit.
  - *Emergency Coordinator.* Provides \$54,000 GF the first year and \$108,000 GF the second year and one position to create a civilian deputy emergency coordinator position to perform interagency emergency planning and coordination.
  - *Emergency Response Specialist.* Provides \$56,000 GF and one position the second year to support the emergency operations center.

- **Department of State Police**

- ***Computerized Criminal History System.*** Provides \$2.1 million NGF each year from FY 2018 year-end cash balances of the Safety Fund in order to enable improvements to the Department’s Computerized Criminal History System (CCH).
- ***Replacement Helicopters.*** Adds \$1.9 million GF the second year for the purchase of two new helicopters through MELP. The funding is intended to allow for the replacement of both, the helicopter lost to an accident in August 2017, and to replace the Department’s current med-flight helicopter with a new model. The total estimated cost for the procurement of the two helicopters is \$16.0 million. The proposed amount accounts for \$2.4 million the Department received from insurance proceeds after the loss of the helicopter from the 2017 crash. The Department estimates its current med-flight helicopter may be sold for \$5.0 million once its replacement is operational, of which \$3.1 million would be used to pay off the remaining MELP obligations for its existing med-flight helicopter.
- ***Special Operations Division.*** Adds \$1.7 million GF the first year and \$1.1 million GF the second year and 10 positions for the Special Operations Division. The Special Operations Division has previously received 10 positions, which were established in the Department’s Fourth Division. Companion language specifies that the new positions are to be allocated to the Department’s Sixth Division.
- ***COMLINC Funding.*** Provides \$340,000 GF each year to support the Commonwealth Link to Interoperable Communications (COMLINC) management contract. COMLINC is a vendor-provided system intended to enable communications between state, local, and federal entities with otherwise incompatible radio systems. The Department of Emergency Management (VDEM) previously paid for the costs of the management contract by transfer of balances of various NGF grants to the Department of State Police. According to VDEM, these balances are exhausted as of FY 2018.
- ***Virginia Fusion Center Analysts.*** Provides \$120,000 GF and two positions the first year and \$320,000 GF and four positions the second year for additional staff at the Virginia Fusion Center.
- ***Polygraph Quality Control.*** Provides \$251,000 GF and two positions the second year for quality control monitoring in the Department’s polygraph testing section.

The adopted budget eliminates the Office of Technology along with the role of the Secretary of Technology. Further action is taken to reassign the two agencies within the abolished Secretariat: the Innovation and Entrepreneurship Investment Authority is transferred to the Office of Commerce and Trade and the Virginia Information Technologies Agency is transferred to the Office of Administration.

- **Secretary of Technology**
  - *Eliminate Office of Technology.* The adopted FY 2018-20 budget eliminates the position of the Secretary of Technology and reassigns the roles and responsibilities of the Office to the Administration and Commerce & Trade Secretariats. Under the Secretary of Administration, a new role – the Chief Data Officer - is established and the Virginia Information Technologies Agency is relocated. At the Secretary of Commerce and Trade, a new role – the Commonwealth Broadband Chief Advisor – is established and the Innovation and Entrepreneurship Investment Authority is relocated.

- **Innovation and Entrepreneurship Investment Authority**

- *Broadband Planning and Assistance to Localities.* The adopted FY 2018-20 budget continues level funding of \$550,000 GF each year of the biennium for technical and broadband planning assistance for unserved and underserved localities, so they may begin the process of bringing adequate broadband telecommunications to their citizens.
- *Commonwealth Growth Accelerator Program.* Maintains current funding levels to the Growth Accelerator Program (GAP) of \$3.1 million each year to underwrite early stage financing for new, Virginia-based companies in the technology, biosciences and energy industries. Additional language also permits proceeds received as a result of a sale of a company to remain in the program and be used to make future investments consistent with the goals of the program.
- *Commonwealth Innovation and Entrepreneurship Measurement System.* Eliminates funding for maintaining the Innovation and Entrepreneurship Measurement System by removing \$50,000 GF each year of the biennium budget. The responsibility for updating the Commonwealth’s Research and Technology Strategic Roadmap has been transferred to the Virginia Research Investment Committee.
- *Unmanned Systems Industry Development.* Continues support for the advancement of unmanned systems companies and development of the unmanned systems industry by providing base funding of \$500,000 GF each year to fund an Unmanned Aerial Systems Commercial Center of Excellence and business accelerator.
- *Information Sharing and Analysis Organization.* The adopted FY 2018-20 budget removes \$500,000 GF contained in the previous FY 2016-18 budget for the start-up costs associated with the ISAO.
- *Virginia Cyber Security Commission.* Continues support for the Cyber Security Commission and its recommendations by providing \$400,000 GF each year of the Governor’s proposed FY2018-20 biennium budget.
- *Commonwealth Research Commercialization Fund.* Provides \$2.8 million GF each year to support late-stage financing of Virginia-based companies and other organizations engaged in research that has commercial potential, including those that may be eligible for SBIR and STTR federal grants.

- **Virginia Information Technologies Agency**

- *Adjust Funding for Vendor Pass-Through Payments.* The adopted FY 2018-20 budget includes \$22.0 million NGF each year estimated spending for vendor pass-

through payments to reflect the most recent forecast of state agencies' utilization in various service areas.

- ***Adjust Shared Security Center Appropriation.*** Adjustments in revenues for the Shared Security Center reflect increases of \$800,000 NGF the first year and \$750,000 NGF the second year and an additional 4.00 FTEs due to the increase in workload as additional agencies sign up for the service.
- ***Provide Funding to Transition to New IT Environment.*** The adopted FY 2018-20 biennial budget provides \$4.1 million NGF the first year and \$1.275 million NGF the second year for continued transition costs related to the new IT environment. The reduction in the second year reflects the anticipated termination of contract consultant services.

### ***Central Appropriations***

- ***Increased Line of Credit.*** Increases the agency line of credit from \$75.0 million to \$165.0 million to offset anticipated funding needs related to the transition currently underway from the existing statewide IT contract environment to the new model.

- **Department of Motor Vehicles**

- ***Motor Vehicle Title Fee Inflation Adjustment.*** Increases the fee for motor vehicle titles from \$10 to \$15 to partially offset the impact of inflation on DMV fees. The increase is anticipated to generate approximately \$13.0 million in nongeneral fund resources for the department each year. The title fee, originally set at \$10.00 in 1982, has not been adjusted since its inception.
- ***REAL ID Act Compliance.*** Includes a nongeneral fund increase of \$7.0 million the first year, \$11.6 million the second year, and 27.00 FTE positions to cover the estimated costs and increased workloads associated with the development and issuance of federal REAL ID Act compliant credentials. An additional 15.00 FTE positions were included in Chapter 1 of the 2018 Special Session 1 Acts of Assembly (HB 5001) as the department phases in the program. It is the intent of the department to begin issuing voluntary compliant credentials on October 1, 2018. Costs associated with the new credentials shall be covered by a one-time \$10.00 charge for each compliant credential. Language in Part 3 authorizes a \$10.5 million line of credit to the Department of Motor Vehicles to cover the upfront costs of the system changes which is anticipated to be repaid by those choosing to purchase

compliant credentials so that they may continue to use their Virginia driver's license as a valid form of identification at airports and federal facilities.

- ***Evaluate Privatized Road Testing.*** Includes language directing the Commissioner to convene a stakeholder group for evaluating the feasibility of outsourcing the driver license road test for adults as part of the department's ongoing evaluation of cost-containment strategies.
- ***Regional Motor Fuels Taxes.*** A series of amendments are included to increase transparency of the collection and distribution of approximately \$151.5 million in regional motor fuels sales tax revenues collected in Northern Virginia and Hampton Roads. The first of these amendments establishes an estimated appropriation of the motor fuels sales taxes to be distributed to the Northern Virginia Transportation Commission, the Potomac and Rappahannock Transportation Commission, and the Hampton Roads Transportation Commission.

The second amendment provides language authorizing the Commissioner of Motor Vehicles to provide confidential fuels tax information, including prices and volume, to the executive directors of the regional transportation commissions located in Northern Virginia and Hampton Roads in order to facilitate compliance with collection of motor fuels taxes in the respective member jurisdictions. A companion amendment is included in Chapter 1, the FY18 appropriation act.

- ***Replacement of Outsourced Fuels Tax System.*** Provides \$7.1 million NGF the first year to replace an outsourced automated system used to collect fees, taxes and commercial vehicle registrations under the International Fuels Tax Agreement (IFTA) and the International Registration Plan (IRP), as well as the collection of state and regional fuels sales taxes. DMV's current vendor will no longer be supporting the system beginning in 2019. The funding source for the system replacement will come from Highway Maintenance and Operating Fund amounts previously earmarked for the replacement of two weigh stations.

- **Department of Rail and Public Transportation**

- ***Establish WMATA and Transit Discrete Appropriation.*** Increases transparency of funding appropriated for mass transit operating and capital funds and provides a discrete appropriation of approximately \$156.9 million annually for the Northern Virginia Transportation Commission for the operating and capital costs of the Washington Metropolitan Area Transit Authority. The separate allocation of funding for Metro is intended to ensure that funding for other statewide transit properties is not affected from the changes to Metro allocations, mirroring the provisions included in Chapters 854 and 856 of the 2018 Acts of Assembly (HB 1539/SB 856).

- *Transit Capital Replacement Program.* Includes language directing the Department of Rail and Public Transportation, in conjunction with the Departments of Treasury and General Services to evaluate the potential for using the Master Equipment Lease Program for funding bulk purchases of transit vehicle fleet replacement as well as identify funding options that do not rely on the use of long-term debt to meet transit capital replacement needs. In addition, language directs DRPT to work with regional transit providers to evaluate options for prioritizing capital replacement projects and identify potential funding sources from within existing Transportation Trust Fund revenues.

- **Department of Transportation**

- *Reflect Revised December 2017 Revenue Forecast, FY 2018-23 Six-Year Improvement Program, and the Appropriation of Prior Year Revenues.* Contains a series of nongeneral fund revenue adjustments to align the department’s appropriation with the revised revenue forecast completed in November, the Six Year Program adopted by the Commonwealth Transportation Board last June, and to reflect the appropriation of the concession payment associated with the Interstate 66 Outside the Beltway project. In total, provides a net increase of \$892.3 million NGF in FY 2019 and \$453.5 million NGF in FY 2020.

<b>Total</b>	<b>\$841.9</b>	<b>\$402.7</b>	<b>\$1,244.5</b>

- *Department of Transportation Capital Projects.* The following capital outlay projects in Part 2 of the budget:
  - *Cash for Debt Swap to Finance Port Planning and Design.* Provides \$20.0 million in bond proceeds for transportation capital projects in FY 2019 and transfers a like amount of Commonwealth Transportation Funds to the Virginia Port Authority to advance the planning and preliminary

engineering requirements for the widening and dredging of the Norfolk Harbor Channel to 55 feet and dredging the Southern Branch of the Elizabeth River to 45 feet. Planning and engineering activities are not eligible for bonding but the costs will be eligible for federal reimbursement once the project has been authorized by the U.S. Army Corps of Engineers.

- ***Statewide Capital Projects.*** Provides \$25.0 million NGF is provided in FY 2020 to fund design, construction and renovation projects among VDOT's 2,700 facilities.
- ***Maintenance Reserve.*** Provides \$5.0 million NGF in FY 2020 to fund maintenance reserve projects at VDOT facilities statewide.

- ***Evaluation of Statewide Special Structures.*** Language directs the Commonwealth Transportation Board to report to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2018 the overall conditions and funding needs of large and unique bridge and tunnel structures, such as the Robert O. Norris Bridge over the Rappahannock River. These complex structures typically do not qualify for funding under the State of Good Repair program, and the language directs the Board provide recommendations for funding any necessary repair and replacement projects related to these bridges and tunnels.
- ***Toll Proceeds in Hampton Roads.*** Includes language directing the Department of Transportation to dedicate any toll revenues, bond proceeds, or concession payments derived from the expansion of Hampton Roads express lanes towards reducing the contributions of the Hampton Roads Transportation Accountability Commission for the construction of interstate capacity expansion projects within the Interstate 64 corridor between the interchange with Interstate 664 to the east and Interstate 564 to the west. Companion language is also included in Chapter 1.
- ***Allocation of Maintenance Payments to Localities.*** Directs the Commonwealth Transportation Board to increase the FY 2018 allocation of payments to Henrico County by \$363,706 and clarifies the legislative intent when calculating annual rates of payment for counties that have elected to withdraw from the secondary highway system. Companion language is also included in Chapter 1.

- **Virginia Port Authority**

- ***Hampton Roads Harbor.*** Includes a total of \$350.0 million in new funding for the deepening and widening of the Hampton Roads channel and the Western Branch of the Elizabeth River. From these amounts, \$20.0 million in Transportation Trust Fund revenues are appropriated for the planning and preliminary engineering work and \$330.0 million in Virginia Public Building Authority bond proceeds are authorized for the construction costs of the project.

- ***Virginia International Gateway Capital Lease.*** Includes a nongeneral fund increase of \$4.0 million the first year and \$8.0 million the second year from the port terminal funds to support increased lease payments for the VIG facility based on assumed growth in container traffic. Lease payments will total \$86.7 million in FY 2018 and \$90.1 million in FY 2020.
- ***Authorize 21.00 Additional FTE Positions.*** Appropriates an additional \$1.7 million the first year and \$2.3 million the second year of nongeneral funds to support the hiring of 21.00 additional FTE positions. One position would work to promote economic development in coordination with the VEDP and regional economic development authorities, one would serve as a process improvement manager, and 19 would be support positions in a variety of areas such as human resources, police, procurement, safety, finance and accounting. The additional positions are required to support the growth in cargo volume.
- ***Increase Appropriation for Payments in Lieu of Taxes.*** Appropriates an additional \$43,100 NGF the first year and \$44,300 NGF the second year for payments in lieu of taxes (PILOT) paid by the VPA to the Port host cities, bringing total payments to \$2.53 million in both years.
- ***Increase Appropriation for Security.*** Increases the nongeneral fund appropriation for contracted security positions to cover the extended gate hours at both the NIT and VIG terminal facilities.
- ***Increase Debt Service for Equipment.*** Provides an increase in debt service of \$3.8 million NGF each year of the biennium to support funding of terminal equipment operating needs purchased through the Master Equipment Lease Program.
- ***Increase Appropriation for Advertising.*** Includes increases of \$335,474 the first year and \$585,747 the second year from terminal revenues to support increased advertising efforts.
- ***Port of Virginia Capital Projects.*** The following capital outlay projects in Part 2 of the budget:
  - ***APM Terminal Equipment.*** \$37.0 million the first year and \$30.0 million the second year is provided from terminal revenues to support equipment required for the increased container volumes and operational changes planned at the expanded APM terminal. The equipment will be purchased through the Master Equipment Lease Program.
  - ***Improved Cargo Handling Facilities.*** Provides a nongeneral fund appropriation of \$13.0 million the first year and \$11.0 million the second year to upgrade port sites and upgrade facilities and equipment.

- *Expand Empty Yard.* Provides \$13.0 million the first year and \$11.0 million the second year to undertake improvements to rail yards, pave for equipment operation and make facility repairs.
- *Maintenance Reserve.* Authorizes \$3.0 million in nongeneral fund appropriations each year for pavement repairs, stormwater control, and fender repairs and updates.

- **Secretary of Veterans and Defense Affairs**
  - *Additional Operating Funding.* Includes an additional \$143,000 GF each year in additional base operating funding for the Secretary’s office.
  
- **Department of Veterans Services**
  - *Nongeneral Fund Appropriation for Existing Veterans Care Centers.* Increases the nongeneral fund appropriations for the veterans care centers currently in operation in Roanoke and Richmond by \$818,000 NGF the first year and \$1.3 million NGF the second year and 29 positions. The fund reflects expected increases in federal Medicaid and Medicare revenue received by the care centers.
  - *New Veterans Care Centers.* Provides a nongeneral fund appropriation of \$12.3 million NGF the second year and 240 positions for the new veterans care centers in the City of Virginia Beach and Fauquier County. The funding is provided through a working capital advance, to be repaid through nongeneral funds generated by the facilities when they begin operation. The appropriation is provided with the expectation that the new staff will begin to be hired in July 2019 in preparation for the care centers opening in February 2020.

- *Transfer Veterans Services Fund.* Reduces the nongeneral fund appropriation from the Veterans Services Fund by \$795,000 NGF each year, in order to transfer the Fund from the Department of Veterans Services to the Veterans Services Foundation. Chapter 622 of the 2017 Acts of Assembly established the Veterans Services Foundation as a standalone agency within the Office of Veterans and Defense Affairs.
- *Support Veterans Services Foundation.* Provides \$797,000 from nongeneral funds each year for the Department to provide funding to programs as designated by the Veterans Services Foundation. The Department of Veterans Services will administer this amount on behalf of and for the purposes designated by the Veterans Services Foundation.
- *Veterans Cemetery Operations.* Provides \$725,000 NGF the first year and \$300,000 GF and \$790,000 NGF the second year and four positions for maintenance of veterans cemeteries.
- *New Benefits Services Offices.* Provides \$171,000 GF the first year and four positions, and \$370,000 GF and five positions the second year in order to open new, expanded veterans benefits offices in the City of Virginia Beach and at Ft. Belvoir in Fairfax County. The larger offices and additional staff are provided in response to increased numbers of veterans utilizing the existing offices in these locations, and to reduce the amount of time veterans must wait before meeting with benefits officers.
- *Veterans Entrepreneurship.* Provides \$62,000 GF the first year and \$124,000 GF the second year for the Department to hire an employee dedicated to assisting veterans in developing the skills and identifying the resources they need to become successful business owners.
- *Program for Women Veterans.* Includes \$124,000 GF each year and one position to develop programs and services targeted at women veterans.

- **Veterans Services Foundation**

- *Appropriation for Veterans Services Fund.* Provides \$795,000 NGF each year in order to transfer the appropriation for the Veterans Services Fund from the Department of Veterans Services to the Veterans Services Foundation. A companion amendment reduces the nongeneral fund appropriation to the Department of Veterans Services by an equal amount.

- **Compensation Supplements**

- *Salary Increases for State Employees, State-Supported Local Employees, and Targeted State Employee Groups.* Provides \$124.7 million GF the second year for a 2 percent raise for state employees and state-supported local employees, effective June 10, 2019 (for the July 1 paycheck) and July 1, 2019, respectively, as well as a 2 percent additional salary increase for state employees with greater than three years of continuous state service, effective June 10, 2019. Included in the appropriation is \$49.3 million GF for targeted compensation initiatives for a variety of employee groups, effective January 10, 2019, (for the February 1 paycheck) for state employee groups, including Department of Behavioral Health and Developmental Services select staff, Department of Corrections and Department of Juvenile Justice correctional officers, and Virginia Marine Police, and Deputy Sheriffs, effective February 1, 2019. A portion of the funding for the initiatives, \$13.8 million GF over the biennium, is redirected from the elimination of proposal in the introduced budget for the state to assume employees' share of state health plan premium increases.

Also included within the appropriation for Direct Aid to Public Education, is \$131.5 million GF the second year, for a 3 percent raise for teachers and SOQ funded positions, based on a July 1, 2019, effective date.

- **Adjustments to Employee Benefits**

- **Pharmacy Benefit Manager Language.** Includes language directing the Department of Human Resource Management (DHRM) to include in all contracts with third-party administrators of the state employee health plan, on or after July 1, 2018, language that requires the disclosure of drug cost information in employees' explanation of benefits, as well as reporting to DHRM cost information for drug claims incurred by the state employee health plan, including the amount charged by the pharmacy benefit manager for the claim, and the reimbursements made to dispensing pharmacies, and an explanation for any difference in the charge and reimbursement amounts. The DHRM is directed to report to the

Governor and the Chairmen of the Senate Finance and House Appropriations Committees on the implementation of this requirement by October 1, 2018.

- ***Line of Credit Repayment.*** Provides \$992,222 GF the first year for the Department of Human Resource Management to repay costs incurred through a line of credit related to the development of an optional statewide pooled health insurance program for employees of political subdivisions, pursuant to Chapter 512 of the 2016 Acts of Assembly. Sufficient local participation in the program was not achieved, resulting in abandonment of the program, and therefore no mechanism to repay the line of credit was ever established.
- ***Autism Spectrum Disorder Coverage.*** Includes language directing the Department of Human Resource Management to provide coverage for the diagnosis and treatment of autism spectrum disorder for individuals through age 18. Currently, children are covered through age 10.
- ***Adjust Funding for Changes in Employer State Health Plan Rates.*** Adds \$33.7 million GF the first year and \$84.6 million GF the second year to reflect the adjustment in the employer’s share of state employee health plans premiums based on projected growth in health care costs, enrollment updates and actual 2017 health insurance expenditures. The funding amounts represent annual increases of approximately 6 percent in FY 2019 and 8.5 percent in FY 2020.
- ***Adjust Funding for Changes in VRS Contribution Rates.*** Reduces funding by \$6.5 million GF the first year and \$6.8 million GF the second year to reflect the net savings from changes in the state employee retirement plans employer contribution rates.

<b>Adopted Employer Contribution Rates for Retirement Programs</b>

- **Distributed Agency Support**

- ***Adjust Funding for Cardinal Charges.*** Includes \$1.0 million GF the first year and \$1.3 million GF the second year to provide funding for the general fund share of increases in Cardinal internal service fund charges.
- ***Adjust Funding for Performance Budgeting System Charges.*** Includes \$237,053 GF the first year and \$247,087 GF the second year to provide funding for the GF share of the increases in Performance Budgeting System internal service fund charges.
- ***Adjust Funding for Line of Duty Act Premiums.*** Adds \$1.1 million GF each year to adjust funding to reflect estimated changes in enrollment and the premiums charged for the Line of Duty Act (LODA) program. The annual premium charged per FTE covered position will increase from \$567.37 per FTE to \$705.77 per FTE.
- ***Provide Funding for Workers' Compensation Premiums.*** Provides \$1.8 million GF the first year and \$2.4 million GF the second year to fund workers' compensation premiums based on the latest actuarial report. Beginning in the first year, the premium amounts include the payback of the working capital advance used to settle workers' compensation claims.

- *Adjust Funding for the Personnel Management Information System Charges.* Includes a reduction of \$25,552 GF the first year and an increase of \$4,583 GF the second year to reflect changes to the general fund share of the Personnel Management Information System (PMIS) internal service fund charges.
- *Provide Funding for Cardinal Payroll System Internal Service Fund Charges.* Adds \$2.3 million GF the first year and \$8.9 million GF the second year to reflect the general fund share of internal service fund charges paid by state agencies for the new Cardinal Payroll system, which is allocated based on the number of payroll payments. The new Cardinal Payroll system is expected to be fully implemented by April 2018.
- **Higher Education**
  - *Higher Education Retained Earnings and Credit Card Rebates.* Includes \$6.5 million GF and \$1.9 million NGF each year to provide eligible higher education institutions their proportional share of interest earning and small credit card purchase rebates.
- **Funding for Information Technology Applications**
  - *Adjust Funding for Changes in Information Technology Costs.* Adds \$23.4 million GF the first year and \$27.1 million GF the second year to adjust agencies' funding for the GF share of costs for information technology and telecommunications usage by state agencies based on utilization estimates prepared by the Virginia Information Technologies Agency (VITA), and rates for 2019 and 2020.

- *Adjust Funding to Agencies for Information Technology Auditors and Security Officers.* Provides \$203,893 GF each year to adjust funding to agencies for information technology auditors and security officers based on the most recent update from the Virginia Information Technologies Agency (VITA).
- *Replacement of the Personnel Management Information System (PMIS).* Directs the Department of Human Resource Management and the Virginia Information Technologies Agency to study and submit recommendations for the replacement of the Personnel Management Information System (PMIS) to the Governor by September 1, 2018, who would then identify the appropriate agency to develop, administer and maintain the new system. A capital advance of up to \$25.0 million is provided to support the initial costs of replacing the system, to include planning, development and data configuration.

- **Special and Unanticipated Expenditures**

- *Reduce Funding for Unanticipated Expenditures.* Reduces by \$1.0 million GF each year the amount provided to use for unanticipated expenditures at the Governor’s discretion.
- *Provide Appropriation for the Slavery and Freedom Heritage Project.* Includes \$790,791 GF the first year for expected project expenditures for the City of Richmond to develop the Slavery and Freedom Heritage site, and make improvements to Lumpkin’s Pavilion and the Slave Trail. The action also modifies language in the item to direct the re-appropriation of unexpended general fund balances, as of June 30, 2019, that were appropriated for the purpose of supporting the City of Richmond in the development of the Slavery and Freedom Heritage site. Previously, those unexpended general fund amounts reverted to the general fund. There is a companion action in Chapter 1 of the 2018 Special Session I Acts of Assembly (HB 5001) that provides \$1.2 million GF in anticipated expenditures.

- **Virginia Retirement System**

- ***Cyber Security Upgrades.*** Adds \$1.4 million NGF and 3.00 FTEs the first year and \$1.3 million and 3.00 FTEs the second year to fund upgrades, replacements and ongoing costs related to enhancing information technology and cyber security efforts at the Virginia Retirement System.
- ***Transition from Information Technology Contractors to Full-Time Staff.*** Provides \$2.3 million NGF and 3.00 FTEs the first year and \$2.5 million NGF and 3.00 FTEs the second year to gradually transition the use of information technology contractors to full-time internal staff.
- ***Replace Aging Technology.*** Includes \$1.5 million NGF the first year and \$1.9 million NGF the second year to allow the agency to begin to replace certain systems and components that have reached the end of their lifespan.
- ***Establish Risk Management and Compliance Program.*** Adds \$1.1 million NGF and 2.00 FTEs the first year and \$857,165 NGF and 2.00 FTEs the second year to develop an agency risk management program, and to ensure compliance with legal and accounting standards.

- ***Increase Funding for Volunteer Firefighters and Rescue Squad Workers’ Service Award Fund.*** Provides \$135,137 GF the first year and \$30,000 GF the second year to increase the funding to administer the program.
  - ***Fund Completion of Modernization Program.*** Adds \$5.5 million NGF the first year to fund the implementation costs of the final three releases of the Modernization Program, which is expected to be completed in FY 2019. The funding will complete the development, testing and roll-out of the fourth and final phase of the program. An additional \$1.8 million NGF is provided in Chapter 1 of the 2018 Special Session I Acts of Assembly (HB 5001). VRS expects total expenditures for the Program to total \$61.9 million through its completion in FY 2019.
  - ***Add Funding and Positions to Improve Trust Fund Performance.*** Includes \$1.3 million NGF and 5.00 FTEs each year to provide analytical and reporting activities to improve the performance of the retirement trust fund.
  - ***Increase Internally Managed Investment Activities.*** Provides \$2.9 NGF and 5.00 FTEs the first year and \$2.4 million NGF and 5.00 FTEs the second year to increase the number of internally managed investment activities, as well as enhance existing activities already internally managed.
  - ***Add Funding and Convert Wage Positions to Full-Time.*** Adds 6.00 FTEs the first year and \$145,000 NGF and 10.00 FTEs the second year to convert wage positions to full-time positions to implement efficiencies, improve customer service. The proposed funding is to conduct and analyze a customer survey and implement its findings.
  - ***Increase Position Level to Reflect Previously Approved LODA Positions.*** Adds 3.00 FTEs each year for the administration of the Line of Duty Act (LODA) program. In Chapter 836 of the 2017 Acts of Assembly, \$63,556 NGF the first year and \$400,108 NGF the second year was added to assume administrative responsibilities for the LODA program in accordance with Chapter 677 of the 2016 Acts of Assembly. However, the position level to accommodate program administration was not increased.
- **State Corporation Commission**
    - ***Increase Staff to Address Regulatory Workload.*** Provides \$485,615 NGF and 6.00 FTEs each year to address an increase in the agency’s regulatory workload. Of the six positions, four are provided for the Utility and Railroad Safety Division, one is provided for the Securities and Retail Franchising Division, and one is provided for the Bureau of Insurance. There is a companion action in Chapter 1 that adds \$242,807 NGF and 6.00 FTEs.

- ***Replace Business Automation System Controls in the Tyler Building.*** Adds \$1.6 million NGF the second year to replace the Tyler Building’s Business Automation System (BAS) controls, which are nearing the end of their useful life and are no longer supported by the manufacturer.
- ***Adjust Funding for the Clerk’s Information System (CIS).*** Provides an additional \$611,153 NGF the first year and reducing by \$2.0 million NGF the second year appropriation for the Clerk’s Information System replacement project. The project is expected to be completed in FY 2020. There is a companion action in Chapter 1 that adds an additional \$1.5 million NGF for the project.
- ***Enhance Bureau of Insurance’s Consumer Portal.*** Includes \$1.1 million NGF the first year and \$700,000 NGF the second year to enhance the agency’s consumer portal, which allows for the electronic receipt and transmission of confidential consumer complaint documents, as well as enhance electronic payment functionality for consumers. There is a companion action in Chapter 1 that adds \$1.0 million NGF for enhancements to the consumer portal.
- ***Implement Business Intelligence Solution.*** Includes \$500,000 NGF the first year to implement an enterprise-wide business intelligence solution pursuant to a third party assessment, which is expected to reduce costs to maintain various reporting tools used by the agency.
- ***Add Funding to Redesign Agency Website.*** Adds \$678,571 NGF the first year and \$321,430 NGF the second year to add enhancements to the agency’s website to improve functionality for customers, including business registrations and access to case information.
- ***Replace MarketPro System.*** Provides \$200,000 NGF the first year and \$1.3 million NGF the second year to replace the agency’s MarketPro system and implement a web-based, one market conduct system to be used by the Property and Casualty and Life and Health Divisions.
- ***Replace Case Management System.*** Adds \$406,153 NGF each year to replace the case management system to add functionality, and allow staff wider access to information and increase efficiency.
- ***Increase Funding for Performance Based Pay Plans.*** Includes funding of \$1.7 million NGF each year to support compensation assessment recommendations. Pursuant to Item 475 of the Appropriation Act, the Commissioner of the State Corporation Commission has the authority to utilize centrally appropriated salary adjustment funding, or existing agency funding, to implement the provisions of new or existing performance-based pay plans. The added funding reflects appropriation to effectuate the 3 percent raise to state employees

provided in Chapter 836 that was effective July 10, 2017. There is a companion action in Chapter 1 that adds \$1.7 million NGF to support compensation assessment recommendations consistent with their authority in Item 475.

- ***Update Fire Suppression System.*** Adds \$162,500 NGF each year to replace sprinkler heads that are nearing the end of their useful life.
- ***Restore Public Service Company Fee.*** Provides \$1.3 million NGF each year to restore Public Service Company Fee and Tax and Federal Trust appropriation.
- ***Reduce Appropriation for Health Benefit Exchange.*** Reduces by \$100,000 GF each year the appropriation for the management of the federal health benefit exchange to reflect actual expenditures.

- **Virginia Lottery**

- ***Establish Appropriation for Lottery Prize Payments.*** Adds \$350.0 million NGF each year to establish appropriation for prizes awarded to lottery winners and commissions and incentives for lottery retailers. This eliminates the need for the agency to establish appropriation for prize payments administratively.
- ***Increase Appropriation for Revised Shared Space Allocation.*** Provides \$201,050 NGF each year to fund the agency's revised shared space allocation in Main Street Centre pursuant to a Memorandum of Understanding (MOU) agreed to by the agency and the Department of General Services. The MOU will become effective July 1, 2018.
- ***Renew Contract with Gaming Vendor, Develop Digital Delivery Play System.*** Adds \$7.7 million NGF the first year and \$282,000 NGF the second year to support the cost of a new contract with a gaming vendor. The first year amount includes one-time funding for the development of a digital delivery play system.

- **Virginia College Savings Plan**

- ***Increase Base Operating Funding.*** Adds \$1.0 million NGF the first year and \$1.1 million NGF the second year to account for a variety of increased costs, including telecommunications, marketing, communications and outreach, professional development of employees, contract professional services, and facilities.
- ***Increase Funding for Technology Expenses.*** Provides \$214,216 NGF the first year and \$211,479 NGF the second year to reflect additional costs related to licensing, hardware and software.
- ***Transfer Appropriation between Programs.*** Transfers the entire appropriation of \$1,906,855 NGF from the Information Technology Development and Operations

program to the Administrative Services Division. The agency ended its contracts to provide information technology support services to other states. Existing information technology staff and resources would then support the agency.

- *Investment Director Authority.* Language establishes the Investment Director’s authority to independently manage the Virginia College Savings Plan’s assets, specifying that the position serves at the pleasure of the Virginia529 Board.

- **Virginia Workers’ Compensation Commission**

- *Locate Victims to Whom Restitution is Owed.* Provides \$173,960 NGF and 2.00 FTEs the first year and \$148,160 NGF and 2.00 FTEs the second year for the Workers’ Compensation Commission to locate victims to whom restitution is owed and for whom restitution amounts have been deposited into the Criminal Injuries Compensation Fund, pursuant to Chapter 724 of the 2018 Acts of Assembly (HB 483).

# Capital Outlay

<b>Capital Outlay Funding</b>	
<u>Fund Type</u>	<u>2018-20</u>
General Fund	\$0.1
VPBA/VCBA Tax-Supported Bonds	1001.9
9(c) Revenue Bonds	21.0
9(d) NGF Revenue Bonds	185.2
Nongeneral Fund Cash	<u>239.3</u>
<b>Total</b>	<b>\$1,447.5</b>

The adopted capital outlay budget for the FY 2018-20 biennium totals almost \$1,447.5 billion from all funds.

- **Projects Supported with General Fund Cash**
  - *Department of Conservation and Recreation.* Includes \$120,000 GF the first year to acquire new land abutting New River State Park.
- **Project Planning**
  - *Capital Project Planning – Central State Hospital.* Provides \$3.0 million NGF the first year for detailed planning for Central State Hospital under the Department of Behavioral Health and Developmental Services (DBHDS). DBHDS is to develop a plan with project options for a new Central State Hospital with the Department of General Services analyzing the plan and phasing options as part of the detailed planning process.
- **Central Maintenance Funding**
  - *Central Maintenance Reserve.* Includes \$128.6 million each year from tax-supported bonds for state agencies and higher education institutions for capital maintenance reserve projects. Maintenance Reserve is used to cover the costs of building maintenance and repair projects that are too large to be covered under day-to-day operating maintenance, but that do not exceed \$2.0 million for a single project and up to \$4.0 million for a roof replacement. The budget allocates available

funds based on the agency’s total facility square footage as a percentage of the total square footage of all state facilities. For higher education institutions, the calculation is based on the Educational & General portion of square footage as reported by the State Council of Higher Education for Virginia. For all other agencies, the calculation is based on data provided by the Division of Risk Management. Agencies funded entirely with nongeneral funds are excluded from the tax-supported allocations. Fort Monroe receives a supplement of \$2.0 million each year for building and utility repairs. The Innovation and Entrepreneurship Authority has been removed from the list as the building it occupies has been directed to be sold.

- **Equipment Supplements**

- *Equipment for Projects Nearing Completion.* Provides almost \$60.0 million in tax-supported bonds to purchase furnishings and equipment for projects scheduled to come on-line during the first 18 months of the 2018-20 biennium. The table below lists the eligible projects:

## Equipment for Projects Nearing Completion

<u>Agency</u>	<u>Project Title</u>
University of Virginia	Renovate Gilmer Hall and Chemistry Building
Virginia Tech	Renovate Space for the Center for Human Therapeutics
Longwood University	VT Carilion Research Institute Biosciences Addition
University of Mary Washington	Construct New Academic Building

	Construct Bioscience Building, Blue Ridge
	Construct Academic Building, Fauquier Campus, Lord Fairfax
Department of Behavioral Health and Developmental Services	Expand Western State Hospital
<b>Total for FY 2019</b>	<b>\$59,997,000</b>

- **2018 Session Capital Construction Pool.** Provides \$216.5 million in tax-supported debt in FY 2019 for the construction of the sixteen projects listed in the table below.

<b>2018 Special Session I Capital Construction Pool</b>
<b><u>Agency/Project Title</u></b>
<b>Department of Military Affairs</b> Replace Army Aviation Support Facility
<b>Science Museum of Virginia</b> New Exhibits, Danville Science Center
<b>Department of General Services</b> Seat of Government Swing Space and Repairs ABC Warehouse and Administrative Offices Acquire New NCI Facility Expand Consolidated Labs, 1 <sup>st</sup> Floor
<b>Virginia Cooperative Extension and Agricultural Experiment Station</b> Construct Virginia Seafood Agricultural Research and Extension Center (AREC)
<b>Virginia Commonwealth University</b> Life Sciences Building Roof and HVAC Replacement
<b>Virginia Museum of Fine Arts</b> Replace Roof and Drains on Pauley Center Replace Air Handling Units

<b>Department of Corrections</b> Replace Hot Water and Heating Mechanical Systems – Sussex I & II and Red Onion Renovate Buckingham Wastewater Treatment Plant
<b>Institute for Advanced Learning and Research</b> Construct Center for Manufacturing Advancement
<b>Southwest Virginia Higher Education Center</b> Replace HVAC System

- **Previous Pool Supplements**
  - ***Comprehensive Capital Outlay Program (Chapter 806 Pool)***. Includes almost \$21.1 million in tax-supported debt in FY 2019 to supplement one previously approved project – the Life Sciences Building, Prince William for George Mason University.
  - ***2016 VPBA Capital Construction Pool***. Provides \$13.5 million in tax supported debt (Virginia Public Building Authority) in FY 2019 to supplement previously approved projects including: Renovate Various Cabins and Develop Clinch River Valley for the Department of Conservation and Recreation and Construct New Juvenile Correctional Center (changed from Chesapeake to Isle of Wight). In addition, language under this item allows for a title and scope change for the Central Forensic Laboratory and Office of the Chief Medical Examiner project under the Department of Forensic Science, a change that will likely result in additional costs. Language in this Item also mandates excluding the Bon Air Juvenile Correctional facility from consideration for housing a second future facility within the Central Virginia region. The Department of General Services is to report on the fair market value on the Bon Air property and on the highest and best use for the Beaumont property in Powhatan County. This analysis will include the consideration of the use of the Beaumont property by the Department of Juvenile Justice, the Department of Conservation and Recreation, and the Department of Corrections.
  - ***2016 VCBA Capital Construction Pool***. Includes almost \$43.9 million in tax supported debt (Virginia College Building Authority) in FY 2019 to supplement the pool overall and to supplement a previously approved project due to a proposed scope change– “Construct Service Corridor, Storage Area; Replace Generator” for the Southwest Virginia Higher Education Center. The name of the project at the Southwest Virginia Higher Education Center would change to “Construct Building Expansion and Replace Generator” and would account for approximately less than \$1.0 million of the supplement under this item. A portion of the funding under this item was actually intended to supplement a previous pool – the 2014 Capital Outlay Project Pool. Previously approved language allows for the transfer of funding between centrally-managed pools which will technically be necessary here. Additional funding is also included for a scope change for the Christopher Newport Project dealing with the Fine Arts and Rehearsal Space, a Virginia Institute of Marine Science project to create a New Research Facility (change from the original Chesapeake Bay Hall project), and the allowance of the use of nongeneral funds for detailed planning for a STEM building at Virginia Commonwealth University.
- **Stand-Alone Projects**. Provides \$378.0 million in VCBA/VPBA bond proceeds for six new stand-alone projects (see table below, one project has GF only).

## Stand-Alone Agency Projects Supported with Bonds

<u>Institution</u>	<u>Project Title</u>	<u>FY 2019</u>

<b>Total Debt</b>		<b>\$378,000,000</b>

- **Transportation Related Changes** (included above in the stand-alone projects)
  - *Virginia Department of Transportation*
    - *Acquire, Design and Renovate Facilities Statewide.* Provides \$20.0 million in bond proceeds for transportation capital projects in FY 2019 and, through language, transfers a like amount of Commonwealth Transportation Funds to the Virginia Port Authority, to advance the planning and preliminary engineering requirements for widening and dredging of the Norfolk Harbor Channel to 55 feet and dredging the Southern Branch of the Elizabeth River to 45 feet. Planning and engineering activities are not eligible for bonding but the costs will be eligible for federal reimbursement once the project has been authorized by the U.S. Army Corps of Engineers. Includes an additional \$25.0 million NGF in Commonwealth Transportation Funds in FY 2020 to fund design, construction and renovation projects among VDOT's 2,700 facilities.
    - *Harbor Widening and Deepening.* Includes \$330.0 million in bond proceeds for the Virginia Port Authority for widening and dredging of the Norfolk

Harbor Channel to 55 feet and dredging the Southern Branch of the Elizabeth River to 45 feet.

- **Projects Supported with 9(c) Revenue Bonds.** Provides a total of \$21.0 million for the following list of projects supported by 9(c) revenue bonds:

<b>9(c) Revenue Bonds</b>

<sup>1</sup> Non-Personal data elements derived from the Annual Superintendent Report (ASR) include elements such as textbooks, utilities, supplies and pupil transportation; market rate Inflation Factors are then applied to ASR reported costs

<sup>2</sup> The update to the Health Care Premium cost amounts do not reflect a 2.72% increase for an inflation adjustment.

<sup>3</sup> Virginia Retirement System (VRS) rate for Instructional 'Teacher' group decreased from 16.32% to 15.68%, Non-instructional 'Support' group rate decreased from 7.11% to 6.28%, Retiree Health Care Credit (RHCC) rate decreased from 1.23% to 1.20%, and Group Life rate remained unchanged at 0.52%.
