Summary

HB 2285
Cline

Secretary of Technology; Virginia Enterprise Applications Program; searchable database website of state budget expenditures and revenues. Provides for the Virginia Enterprise Applications Program (VEAP) within the Office of the Secretary of Technology to create and maintain a searchable database website containing information on state revenues, appropriations, and expenditures. Under the bill, the Director of VEAP shall develop a pilot searchable database website available for public use no later than July 1, 2010. Beginning in July 2013, the searchable database website shall be updated for (i) fiscal years that ended prior to July 1, 2009, and (ii) for future fiscal years not later than 60 days following the close of the fiscal year. The Director of VEAP, the Auditor of Public Accounts and the Joint Legislative Audit and Review Commission shall work together to coordinate efforts in obtaining, summarizing, and compiling information in order to avoid duplication of efforts. The website shall be made available in a format designed to encourage the greatest amount of use by the general public. The website shall provide access to all levels of budget spending in state government.

HB 2463
O'Bannon

Government Efficiency Review Commission. Establishes the Government Efficiency Review Commission to review agencies on an eight-year cycle and advise the General Assembly on the elimination of waste, duplication, and inefficiency on the part of such agencies. The bill also repeals the Legislative Program Review and Evaluation Act (§ 30-64 et seq.) and makes some technical amendments.
