

Request to Amend House Bill 30, as Introduced

Chief Patron: Governor McDonnell

Item 426 #1g

Technology

Virginia Information Technologies
Agency

Language

Language:

Page 308, line 13, strike "for General Management and Direction".

Explanation:

(This amendment corrects an erroneous reference. Funding provided to finance procurement and implementation activities for a contracts management system is being moved in the budget bill from one program to another to reflect current practices, requiring associated language to move as well. While the language was added in its new location, reference to the original program was never removed.)

Page 309, line 2, strike "Division will continue to cover up to \$90,000,000 for expenditures" and insert:

"B.1. As established in § 3-2.03 of this act, working capital advances totaling up to \$90,000,000 will provide for the development of enterprise applications for the Commonwealth including the development of the performance budgeting and financial management systems.

2. Expenditures"

Page 309, line 11, strike "2." and insert "3."

Page 309, line 14, strike "3." and insert "4."

Explanation:

(This amendment links the working capital advance provided in this item for the development of applications to the line of credit table in Part 3. A companion amendment to § 3-2.03 adds this amount to the line of credit table.)
